WORKING WOODMEN ORDER

Above Accusation Against Tooze Falls Flat

Head Officials of Woodmen of the World Exonerate Him

Both Tooze and Hawley are prominent in Woodmen circles, and the charge has been published in some of the papers opposed to Mr. Tooze as a candidate for Congress that he was using that order and being paid for his work. This paper does not believe in candidates working any fraternal order for political purposes, and would not support any man who did that sort of thing. But on the other hand, members of such orders should not be driven out of politics because they have been prominent and active workers in the Woodmen of the World of any other order. They should not cease their regular work in those orders when they go into political campaigns. The question is, in whose interests are newspapers working that are attacking Tooze for his activity as a Woodman of the World? The Journal has investigated the charge that Mr. Tooze has been paid for lecturing to camps of Woodmen, and prints the following official statement, under date of January 16, 1906:

To Whom It May Concern:

My attention has been called to an article appearing in an issue of "The Argus," of December 23, 1905, published at Albany, Oregon, which contains the following:

"It is even said that Tooze is getting paid from the Woodmen treasury for making visits to camps in various parts of the state, and is using this chance to make his campaign."

With reference to this statement I desire to say that Neighbor Walter L. Tooze, of Woodburn, Oregon, has been an honored member of the Woodmen of the World for eleven years; that during this time he has given freely, his time and talents to the up-building of our order in the state of Oregon, and WITHOUT ONE CENT OF COMPENSATION, EITHER DIRECTLY OR INDIRECTLY, FROM TREASURY OF THE HEAD CAMP, except as a delegate to the head camp sessions and the national fraternal congress.

I understand that Neighbor Tooze is a candidate for congress from his district, and this statement is made with a view to correcting any wrong impression that may be formed with reference to the article referred to, in so far as the Woodmen of the World is concerned.

I want to say further, with reference to his visits to our camps, that he goes where he is invited, and, thus far, entirely at his own expense.

Respectfully submitted,

I. I. BOAK, Head Consul.

As the accounting officer of the World, I hereby certify to the correctness of the above.

F. P. BERTSCHY, Head Auditor.

It should be added that the above accusation came from the Salem correspondent of the Albany Argus, and was doubtless inspired.

Accidentally Killed.

Willie Helmick, aged 15 years, was instantly killed Saturday morning while hunting with a companion along the Willamette river near Independence. His body was badly burned, the shot having set his clothing on fire. The accident happened while he and his companion were attempting to board a raft, when his gun slipped out of his hands and was accidentally discharged, the shot striking him in the body and instantly killing him.

He was the son of Mr. and Mrs. James Helmick, of Parker's Station, Polk county, and was the only boy in a family of five. He was the light of the house, and a general favorite with the entire community, and the family and friends are grief stricken over the sad loss.

Rev. Carlisle B. P. Martin, L. L. D. Of Waverly, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm which produces a phlegm and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat and lung trouble." Sold by D. J. Fry.

Divorce Granted.
