Corner Canned Tomatoes.
Chicago, Jan. 24.—Canned tomatoes have for the first time been covered, and there is no relief in sight until the July crop comes on the market. A syndicate, including Maryland, Chicago, St. Louis and Indianapolis, has secured 95 per cent of the present supply and prices have jumped 8 cents for a one-pound can to 15 cents in one week. It is said the price will be troubled in another week.

The 1905 pack of tomatoes amounted to 6,000,000 cases, each containing three dozen two-pound cans. This is 3,000,000 cases short of the output of the previous year. Of this supply 1,250,000 cases went to Canada and the West.

Future sales immediately ate up the 3,000,000 cases that were left. The syndicate grabbed up 1,250,000 cases, leaving 250,000 cases to satisfy the public demand of 1,000,000 cases a month.

California and the South are already shipping fresh tomatoes, but do not stop the gap except for a day or two at a time.

WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular periods, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham:—
"For nine years I dragged through a miserable existence, suffering with inflammation and female weakness and worn out with pain and weariness. One day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacements, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Indoor Baseball.
Professional indoor baseball will be played at San Jose, Cal., this winter, and among the players will be Elmer Emerson, one of the Tacoma Tigers' pitchers last season. He belonged to the Salem Raglans at one time.

PLENTY OF PROOF
From People You Know—From Salem Citizens.

The greatest skeptic can hardly fail to be convinced in the face of evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Salem, of people who can be seen at the time. Read the following case of it:

G. S. Cooper, farmer, living three miles northeast of Salem, on the Garden road, says: "I was raised in the wheat district and when a good lump of a boy I prided myself as having as much strength as any other boy in the neighborhood, and when a number of us got together we often tested our strength by lifting. I very often lifted two bags of wheat, but have since regretted having done so, as the result was that I strained my back and ever after had more or less trouble from dull aching pains across my loins and other symptoms of kidney complaint. In some way Doan's Kidney Pills were brought to my notice and the first I went to town I dropped into Dr. Stone's drug store and inquired about them. I was told they were highly recommended and advised to give them a trial. I did so. And while I did not follow the treatment as regularly as I should have done, being a poor hand to take any kind of medicine, the benefit I derived from their use stamps them as a remedy which acts fully up to the representations made for it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

Town Topics Was "Thrifty."

Lodge Defends President.
Washington, Jan. 24.—Senator Lodge in the senate today made a splendid defense of the administration's foreign policy. He characterized many of the discussions on the foreign policy as smacking of a moot court, and incidentally denied the report that Roosevelt would stand for another term. He declared he believed the differences existing as a result of the Venezuelan situation would be adjusted by negotiation.

Who Gets the Most Out of Life?

Not the wealthiest, not the most learned, nor the idler—but the man who has good health and works for his living. This truth is true, but not trivial.

Every man should guard his health as his most valuable possession. The more so because health is easier to retain than regain. Keep your grip on health by regular exercise, reasonable care in eating and requisite sleep. Take Beecham's Pills occasionally, to tone the stomach and keep the liver and bowels in good working order. And don't worry.

Observe these simple rules and you will agree that the one who gets the most from life is
