GOOD NEWS.

Many Salem Readers Have Heard It and Profited Thereby.

"Good news travels fast," and the thousands of bad sufferers in Salem are glad to learn that prompt relief is within their reach. Many a lame, weak and aching back is had no more, thanks to Doan's Kidney Pills. People are telling the good news of their experience with the Old Quaker Remedy. Here is an example worth reading:

Mrs. L. W. Monech, wife of L. W. Monech, cabinet maker, residing corner Fourth and Main streets, Albany, Oregon, says: "After any over exertion, or when I contracted a cold, pain seated itself in the seat of my back, causing it to ache severely, and there was a difficulty with the kidney secretions. On such occasions stooping, lifting, twisting or turning was always followed by sharp shooting twinges through the kidneys. When I was badly in need of something to bring relief I read about Doan's Kidney Pills and procured a box and took them strictly according to directions. They thoroughly relieved me of the last attack, and up to the present time I have not had a trace of symptoms of irritated or inactive kidneys. I will be pleased to allow you to use my name if it will be the means of doing good to others."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

A Pleasant Way to Travel.

The above is the usual verdict of the traveler using the Missouri Pacific railway between the Pacific coast and the east, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Denver there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars. The same excellent service is operated from Kansas City and St. Louis to Memphis, Little Rock and Hot Springs. If you are going east or south, write for particulars and full information.

Fresh Air for New York Children.

New York, Feb. 9.—The board of estimates of New York is holding a public hearing today in regard to a gigantic proposition for the creation of a municipal fresh air charity for children and convalescent hospital patients. The plan for the establishment of the charity includes the acquisition of over 1000 acres of ocean frontage at Long Beach, L. I., as well as the purchase of the entire property at that place owned by the Long Branch hotel company. This includes the Long Beach hotel, as well as over 30 cottages.

The plan was originally suggested by Mayor McClellan in his annual message, and since then the project has been carefully investigated by the friends of the plan. Nothing definite could be learned as yet in regard to the price which the Long Beach hotel company puts on its property. It has a total acreage of something like 3000 acres. Of this only the 1000 acres along the water front is desired by the city. It is understood, however, that the company valued its entire holdings at several million dollars and that part which the city would purchase if the scheme goes through at about one and a half millions.

The plan has many friends and supporters, but there is also some strong opposition to it. The Rockaway Beach taxpayers' association is among the

A FOOLISH PLAN

"A joy to eat—I welcome my dinner hour. Because I rout indigestion with August Flower."

Constitution is the result of indigestion, biliousness, flatulency, loss of appetite, self-poisoning, anemia, emaciation, uric acid, neuralgia in various parts of the system, catarrhal inflammation of the intestinal canal and numerous other ailments that rob life of its pleasures if they do not finally rob you of life itself.

"I'm bound in the bowels," is a common expression of people who look miserable and are miserable—yet who persist in "letting nature take its course."

What a foolish plan, when nature could be aided by the use of Green's August Flower, which is nature's own remedy for constipation and all stomach ills.

August Flower gives new life to the liver and insures healthy stools.
