Weak Lungs

It is the old story of a weak throat, a tendency to weak lungs in the family. You no sooner get rid of your old cold than a new one takes its place. Ayer's Cherry Pectoral breaks up this taking-cold habit. It strengthens, heals. Ask your doctor, the very next time you see him, what he thinks of Ayer's Cherry Pectoral for weak lungs.

We have no secrets! We publish the formulas of all our medicines.

The Stayton Mutal Elects Officers and Extends Lines

The second annual meeting of the tockholilers of the Stayton Mutual Telephone Co, was beld at the city sail Monday night, with a fair attendmee. The report of the secretary reasurer was submitted, and the pres dont, A. D. Gardner, made a statenent of the work done by the commuy during the year.

The company has expended in line omstruction and for central switch sourd and appliances \$304. A listle over nine miles of wire has been strebeled, and poles and hangings furnished for the same at a cost of a little over \$1 per mile. There are now about 40 shares of stock sold. Owing to the fact that the company decided to purthese a switch board capable of hand- Hop Land for Sale .- 310 acres, mostling all the lines likely to come here for some time-and the lines already attached prove the wisdom of purbusing this switch board-the cost as been greater than the receipts, so that the company is somewhat for debt. One assessment of 73c a quarter has been paid by the stock holders and another for the same amount is due. It is expected that with one or two small assessments, together with central fees paid by connecting lines, he company will soon be free of debt.

commercial wire from this place to meet the Scio Mutual half way between the two towns, it was decided to raise the price of anaros to \$6. This ommercial wire is for use only from town to town, no phones except eentral being attached. It allows for un disturbed conversation, and opens a way for free conversation to distant rallis, and even Alsen.

The officers elected for the ensuing year are, with the exception of vice president, the same last year and are

President, A. D. Gardner; vice presdent, H. E. Wirth; secretary-treasurer, Burles Stroff; director, three years, Willis Caldwell. The hold over directors are W. L. Preres and E. D. Alex-

While there has been some dissetts or of the line, on the whole the serico hos been very satisfactory. management at one time thought of engoging an expert to come here and go over the line, but when it was die covered that \$40 to \$50 would be no commary to gover the expense, the muttor was dropped. President Gardner has expended many days studying the aultion of telephone line construction and now is considerable of a telephone expert himself. He is still devoting each of his time to study and will soon be able to lumille any question that may arise, and the coming year the service may be expected to im-DEOVE.

The company now has connection with Turner, Aumsville, Marion, Scio, Jordan, Fox Valley, Kingston, West Stayton, Fern Ridge and to Lebence, Albany and other Line county points. It will soon be connected with Sublimity and a new line will be built from the E. A. Downing neighborhood. Before the year ends we expect to talk to Salem and Portland.
