

Every Heart-Ache

Every pain in the breast, difficult breathing, palpitation, fluttering or dizzy spell means that your heart is straining itself in its effort to keep in motion. This is dangerous.

Some sudden strain from over-exertion or excitement will completely exhaust the nerves, or rupture the walls or arteries of the heart, and it will stop.

Relieve this terrible strain at once with Dr. Miles' Heart Cure. It invigorates and strengthens the heart nerves and muscles, stimulates the heart action, and relieves the pain and misery.

Take no chances; make your heart strong and vigorous with Dr. Miles' Heart Cure.

"I suffered terribly with heart disease. I have been treated by different physicians for my trouble without results. I went to a physician in Memphis, who claimed that I had dropsy of the heart. He put the X-ray on me, and in connection with his medicine he came near making a finish of me. Some time before this a Mr. Young, of St. Louis, was in our town. He saw my condition, and recommended Dr. Miles' Heart Cure to me. I gave it little attention until my return from Memphis, when I concluded to try it, and am pleased to say three bottles cured me."

Smiles

When will the swimming tank swim?

Baker City voted \$20,000 school bonds almost unanimously.

There may be nothing to a candidate who has nothing to conceal.

Smile and they all smile with you these days, if you are a candidate.

Albany Democrat: The U. S. senatorship doesn't amount to a tenth part as much as a good many other things.

It is strange that a man elected as school director should make it his principal business to knock the public schools. There are some queer people with queer occupations in this world.

Hon. W. I. Vawter, Republican candidate for joint representative from Douglas and Jackson counties, signs Statement No. 1. Mr. Vawter is a banker, and in the last legislature was chairman of the ways and means committee.

Canby Tribune: The crafty politician who attempts to "deadhead" his way through a primary campaign and work the newspapers for free advertising, will find himself wondering whether he "also ran" or not when the primaries are over.

Roseburg Review: In refuting a derogatory statement concerning the character of a brother Republican candidate, Judge Schilbrede is quoted by the Coquille Sentinel as saying: "I personally know all the candidates, and they are all able and clean men." We assume that Judge Schilbrede includes himself—he is a candidate for governor, you know.

Eugene Register: Other towns in the valley should feel thankful the officers

saw Charles Harris before he had worked any city except Salem in his search for girls to become inmates of Astoria dance and beer halls. Mr. Harris' avocation was pinched early in his career, much to the credit of the Salem officers and the city. Harris was in poor business, as he will discover before the authorities get through with him.

Der Deutsche Sonntagsbote of Portland has the following editorial notice of the editor of the Capital Journal, which is heartily appreciated: "In Marion county werden am 4ten Juni fünf Representatives erwählt und einer der hervorgetretenen Kandidaten ist unser werther College Herr Ernst Hofer, ein tüchtiger Deutsch-Amerikaner, und Präsident der Willamette Valley Development league. Er ist fünfzig Jahre alt und hat schon sehr viel fuer seinen Staat geleistet, ist ein Mann von Bildung und liberalen Ansichten, strebt stets fuer Reformen, die dem allgemeinen Volke nahe am Herzen liegen. Er ist einer der ersten Redner unseres Staates und sollte von allen Deutsch-Amerikanern in der Primar-Wahl am 20ten April die groeste Stimmzahl bekommen."

For Lowell Always. (East Oregonian.)

For the benefit of the 79 readers of the Pilot Rock Record the East Oregonian will say that it is not supporting Judge Lowell for the United States senate for the purpose of dividing the Republican party; it is not supporting him through any advice, direction or influence from Portland; it is not supporting him for the purpose of defeating its friend, Judge Ellis, for congress; it is not supporting him for

any of the senseless reasons given by the Record.

Here is why it is supporting Judge Lowell for the senate, and why it will support him heartily and earnestly after the primaries, as well as before, should he secure the nomination: Because he is capable, clean and honest; because he is not a tool nor a representative of any corporation, clique or faction, but is a broad gauge, high-minded man of the people; because he lives in eastern Oregon and will faithfully represent the interests of this great, growing section, as Senator Ankeny represents eastern Washington in that body; because it is not just to Oregon to select two Portland men for the senate, because Portland's domination of state politics and legislation has already disgraced the state and the representation should be distributed over the state to insure more faithful recognition of public sentiment and more faithful advocacy of interests vital to all portions of the state.

Judge Lowell stands upon his merit. The East Oregonian cares not one whit for his political designation—the empty names "Republican" and "Democrat" mean but little when right and wrong are in the balance.

The East Oregonian presents Judge Lowell to the people of Oregon as a model of citizenship—fearless, clean, broad gauge, intensely patriotic and absolutely above the corrupting influences of the rings which are now seeking his overthrow.

It will be an honor to Ematilla county, to Oregon, to the United States, to elect such a man to the United States senate. It will be a refreshing change from some of the tools of the corporations which are now there.

Eastern Oregon's honor is at stake. The vote for an eastern Oregon man should be unanimous in this section.

Will Vote for People's Choice. Samuel Council, of Portland, Republican candidate for joint senator for Clarkamas and Multnomah counties, filed yesterday. He says: "I will use my utmost efforts to promote such legislation as will best subserve the interests of the people of Oregon, and I will vote for that candidate for United States senator who has by the popular vote of the people of Oregon been recommended for that position at the general election next preceding the election of a senator in congress, without regard to my personal preference, but in case of a 'deadlock' or 'holdup' in the legislature I will reserve the right to exercise my own judgment."
