### CARE-FREE BOYS AND GIRLS

Never realize that playing on hands and knees or cellar door is hard on stockings. It's just fun for them. All you can do is to let them play, and give them the most durable stockings you can find. This is the Pony Stocking. By giving a maximum of wear, it reduces mending to a minimum.

Pony Stockings for boys and girls are durable, elastic, good looking and snug fitting. Exceptional values at 25 cents a pair.

### A REAL BOY

Or girl is full of life and fun. We wouldn't have them different for all the darning in the world, though darning is a nuisance. Still it is possible to save mending, and money, too, by buying Pony stockings. They are well made, with triple knees, heels and toes.

Pony Stockings are elastic, durable and dressy; made of soft fine yarn, and big values, at 25 cents a pair.

BETTER TRY THEM.

## GRAND CONCERT TONIGHT

Musical and Social Event of the Season. Beautiful Music and Costumes

Tonight will be one long to be remembered by the musical people of Salem, for undoubtedly no better nor stronger combination of artists have ever been brought together before a Salem audience than the Graham Quartet, assisted by Mrs. Anne Beatrice Sheldon. That the concert is under the direction of Wm. Wallace Graham recommends it musically, and the patronage secured for it bespeaks its social import. The patronesses are Mrs. A. Bush, Mrs. J. R. Whitney, Mrs. Claud Gatch, Mrs. W. H. Byrd, Mrs. Thos. Halley and Mrs. Mrs. J. F. Calbreath. Remember the chapel is not large, and the seats are going rapidly. So secure yours immediately.

### Royal and Select Masters Meet.

There is in session in our city today representatives of one of the most honorable branches of the Masonic order, viz., the grand lodge of the Council of Royal and Select Masters. Business sessions and election of officers were held today, and this evening the local lodge, Hodson Council No. 1, will entertain the visiting brethren with a banquet at the Masonic hall.

### Out to God's Sunshine.

Governor Chamberlain pardoned two prisoners yesterday. They were, A. W. Hossey, of Douglas county, and John Xavier, of Josephine county. The former was under a sentence of two years for burglary, and on the recommendation of the judge who sentenced him and of the district attorney, he was set free.

Xavier was convicted of an assault with intent to commit rape, and was sentenced to nine years. A serious doubt as to the man's guilt is entertained, as the girl whose testimony was the strongest against him has recently asserted she had been induced to testify falsely against him. The petition presented to the state's chief executive was signed, among others, by nine of the jurors who convicted him, and all the officers of Josephine county.

### Organized New Lodge.

Mourer, Miss Ollie Kelly, Miss Bertha L. Clough, Miss Edna Engle, Mr. Ivan Martin, Mr. Rex Bishop, Mr. Roy Bean. All enjoyed themselves to the fullest extent and returned home this morning at 2 o'clock, safe and happy.

### New County Judge.

Judge H. A. Johnson, of Salem, has returned from attending the meeting of the McMinnville Fire Relief Association, and says County Judge Rhoads has been elected president of that company, vice Charles Grissen, lately deceased. Judge Rhoads has tendered his resignation as county judge, and the governor will be asked to appoint Vine Pearce, a brother of the Pearce brothers of Salem.

## JUST KEEP STILL

If You Have Not Registered, Fess Up and Get Your Friends to Swear for and at You

"The county clerk shall close all books of registration for the period of 14 days at 5 o'clock p. m., on the 25th day before the general election in 1906."

Thus reads the primary law under which the nominating election of April 20th is to be held. At 5 o'clock last evening County Clerk Boland closed his office, registered all voters who had entered the room before that time, and entered on the books all names received from outside precincts, and then declared the registration closed.

This morning at 9 o'clock he received from the postoffice a batch of registrations from outside precincts, to the number of over 100. Under his interpretation of the law these names cannot be registered until they are again opened on April 25th, and all voters whose registrations were thus received will be refused a vote at the primary election unless they swear in.

The precincts from which the names come include Woodburn, Aurora, Marion, Mehama, Turner, Hubbard, Silverton, Scotts Mills and Howell.

## PROGRESS MADE IN 50 YEARS

Druggists G. W. Putnam Co. Say One of the Most Noted Examples Is in Medicine.

"While electricity has supplanted the old-fashioned tallow candle for lighting purposes, almost turning night into day; while it has opened up our great country by a network of electric railways, while all kinds of machinery have been invented to do the work of hosts of people, we have just as noted an example in the field of medicine, said the G. W. Putnam Co. "Fifty years ago every one knew of the latent medical properties contained in cod liver oil; physicians everywhere prescribed it, but thousands could not take it on account of the oil and grease which enveloped the curative, strengthening properties it contained, and in many cases where they could take it would upset the stomach so it could do no good.

"Now all this is changed," continued a member of the above firm. "Science has shown us a way to separate the curative medicinal elements which exist in the cod' liver from the oil or useless part and given us Vinol. It contains every one of these medicinal elements, actually taken from the fresh cod's livers, but without a drop of oil or grease to nauseate and upset the stomach and retard its work. Vinol contains no sickening drugs, everything in it is printed on every bottle.

"We have never sold in our store a medicine equal to Vinol to give strength and renewed vitality to the aged, build up the run down, tired and debilitated, make the weak strong, cure chronic coughs, colds and build up the convalescent.

"It is because we know we sell the medicinal power of this new cod liver oil preparation that we freely offer to return the money in every case where it fails to give satisfaction." G. W. Putnam Co., Druggists, Salem, Or.

### Dog Collar in Sausage.

At last the constituency of the sausage has been proven in the eating, and a dog tag has been found therein.

While eating frankfurters the other night, Special Officer Ezra Warner of the General Electric company, of Schenectady, N. Y., struck something hard with his knife, and upon investigation found a dog tag bearing the legend, "Schenectady dog tag 2409."

Warner immediately interviewed Superintendent Abbott of the Humane society, but failed to find out how the tag got in the sausage. It is still a mystery to come, but to those who regularly stop at the night wagon for a "hot dog" it is as plain as day. Officer Warner has registered a solemn vow hereafter and forever to eschew frankfurter.

### SINGS WITH GERARDI.

Anno Beatrice Sheldon, New Prima Donna, Signally Honored.

A marked compliment was won yesterday, says the Oregonian of April 9, by Anno Beatrice Sheldon, the prima donna soprano of this city, in being engaged to sing in three Pacific coast concerts with Jean Gerardi, the great Belgian cellist, the other assisting artists being Andre Benoist, the eminent French pianist. The three concerts are at Victoria, B. C., April 20; Vancouver, B. C., April 21, and Bellingham, Wash., April 23. This is an honor never won before by any Portland singer—to appear on the Pacific coast en tour with such a celebrated European musical celebrity as Gerardi.

The engagement was made at Victoria, B. C., through Manager C. H. Gibbons, Gerardi's traveling representative. In addition to her concert appearance at Victoria with Gerardi, Mrs. Sheldon will be the soloist with the Victoria Musical Club in Cowen's "Rose Maiden." She will also sing at a concert in Seattle, in conjunction with Franz Boyd Wells, and Easter Sunday morning Mrs. Sheldon will sing at Trinity Protestant Episcopal church the solo, "I Know That My Redeemer Liveth," from Handel's "Messiah."

At the latter part of the last week Mrs. Sheldon was summoned by Manager Gibbons to Victoria, B. C., for a conference, and she had a very pleasant interview with him. He had heard of her Paris and Berlin musical work and of the very successful concert in which she recently made her debut at the Marquand Grand theatre, this city. And from personal friends there came flattering reports of the market talent of the new Portland prima donna. In this engagement musical Portland is signally honored.

Gerardi is in the front rank of the world's cellists. He last appeared in concert in this city about ten years ago, when he had the assistance of Yasuy, the violinist, and Lachumb, the pianist. Gerardi is now in the height of his great popularity. It is understood, however, that he is not to appear in concert in this city during his approaching Pacific coast tour.

Mrs. Sheldon's musical numbers at

the Gerardi's concerts will consist of groups of English and French songs. She arrived home yesterday from Victoria, B. C., after making the business arrangements connected with the tour.

Huckslein, Jr. ....

### The Good of Medicine.

People insisting that medicine is no good, have one stubborn fact to contend with, that is, the people who believe are greatly in the majority. There have been so fortunate during the past 20 years as to convince thousands of sufferers with weak, watery blood, who had all the symptoms of a general breaking down of the system that medicine, at least, does good. Strong and unsteady people, weak, feeble people, pimply, pale or sallow people can have strong, steady nerves and healthy flesh by the use of Dr. Williams' Blood and Nerve Tonic. A little taken at meal time, it turns the pale you eat into rich, red blood, adds solid flesh at the rate of 1 lb. per week. Sold by all druggists at 75c per box, or 3 boxes for \$2.00. Medicine saves doctor bills and restores health, giving the very best results possible.

### A Good Coach.

Virgil Garvin, who is coaching high school baseball players, is putting the squad through strong practice this evening, and getting the men into shape for the contest with Dallas which will be pulled off in the next Saturday. "Grim determination and strong resolve to beat Dallas" the slogan of the high school team. The defeat sustained by the team at Dallas last Saturday is to be turned into victory.
