ELECTION DATES TO REMEMBER.

Last day for filing nominating petitions for county offices May 19. General election June 4.

FURTHER REGISTRATION.

The registration books are now open for the registration of all electors who failed to register before the primary election.

There is a misunderstanding on the part of some who voted blank A, at the primary election that they are legally registered.

Clerks of election have no authority to enter names in the precinct register as it is but a certified copy of the official register kept by the county clerk.

THE PACIFIC MONTHLY.

The June number of the Pacific Monthly will be extraordinary in every respect, in fact the equivalent of 10 numbers in one.

This great number, profusely and magnificently illustrated, will be ready about May 22 and will be sold on the news stands at 15 cents per copy.

This will unquestionably be considered, from every possible point of view, the most valuable and the most entertaining in its relation to the tragic events of April 18, 1906.

The Pacific Monthly Publishing company gives its emphatic guarantee to this statement.

Smiles

An exchange says: Mr. Bristol seems to have fit into Heney's shoes.

There will be a light vote in June unless there is systematic registration.

Astoria: A speech in the senate that lasts only one day seems to be classed in that body as a paragraph.

The ungallant Albany Democrat has this to say on Sarah Bernhardt the defier of time: "The aged Sarah Bernhardt is soon to be in Portland. But she's great historically."

R. F. Jones would make a good speaker of the house. Just as well to give him a big vote and put him forward as the man with a big majority for speaker.—Independence West Side.

for or against every man on the ticket. He could, of course, vote for only one, but he could vote against the other ninety-nine. But if only 25 of them are bad let him vote against those 25.

Two German ladies travelled through on the train this morning who would have pleased Roosevelt.

"Ich habe zwolf grosse Kinder," said one.

"Ich have shon acht kleine," said the other woman hopefully. Then the older German woman from Wisconsin said:

"Das ist ziemlich gut."

THREE MORE ARRESTED.

Another Bag Among Oshkosh Lumbermen for Fraud.

The Oregonian yesterday says: Three more Wisconsin lumbermen have been served with warrants charging them with complicity in Oregon timber land frauds, the warrants being issued on indictments formulated by a federal grand jury sitting in Portland during April.

In the indictment it is charged that the Blacks and Anderson conspired with Sumner A. Park, of Ashland, Oregon, to obtain land by means of proving up on false statements by alleged settlers in the Lakeview district, and that these lands were obtained for the Oshkosh Land & Lumber company, of which the Oshkosh defendants were members.

Not an Analogous Case.

To the Editor of the Daily Journal: In your article of Tuesday, May 8th, entitled, "Taxation Without Representation," you lay particular stress upon the supposed fact that taxpaying women do not generally demand the right of suffrage.

Having spoken and worked in various lines, and being at least fairly in touch with conditions and opinions in those commonwealths, I am convinced that the conclusions of your argument are vitiated because based upon assertion and theory rather than upon fact and figures.

You also call attention to the fact that women stockholders in corporations rarely care to vote in person. Passing by the truth that women stockholders are voting in person more largely every year, even then the analogy does not hold good.

Of course, under our political system, this would be absurd, and there being no analogy, the whole case, so far as elaborated in your columns, falls to the ground.

MEET AT NORTH BEND

One of the Greatest Gatherings Ever Held in Oregon Will Be in Coos County

Colonel E. Hofer, publisher of the Salem Journal, is in Portland today for the purpose of enlisting the active interest of the business men and commercial bodies of this city in the triple convention which is to be held at North Bend, Coos county, May 23 and 24.

Colonel Hofer is the president of the Willamette Valley Development league and he is desirous that Portland should be fittingly represented. All the commercial bodies of the city will be invited to send delegates.

The steamer Alliance has been chartered to carry the delegates, and if the number of delegates is as large as now expected, a second steamer will be secured. Great preparations are being made by the people of Coos county for the entertainment of their visitors.

An elaborate program has been arranged and the delegates will be most hospitably entertained. "There will be a clambake a barbecue, a crab boil, a banquet, a ball and an excursion for half a day over the Coos bay bar, in which all the steamers there will be used to carry the delegates.

Piles

Don't Suffer Longer, You Can Have Instant Relief and a Lasting Cure By Using Pyramid Pile Cure

A Trial Package Mailed Free to All. The rectum, like the mouth, is lined with that soft, satiny material known as mucous membrane.

Piles are of that membrane and the blood vessels that lie under it. Fissures and Fistula affect the same membrane and belong to the same family.

The immediate relief they give even in the most agonizing cases will startle you, as it has already startled many thousand of "doubting Thomases" before you, who have tried everything and sent for a sample package, firmly convinced that they would again be disappointed.

But they weren't. Pyramid Pile Cure don't disappoint. They cure. They are for sale at all druggists at 50 cents a box and are worth an even hundred to the person who needs them.

Mr. John Bryne, of 2306 2nd Ave., New York City, writing under date of Jan. 17, 1906, says: "I received the sample and used it right away. I got so much relief from it after 20 years' suffering, that I bought a 50 cent box. The almost unbearable pain is almost gone and my fistula has almost disappeared.

Or if you want to prove this matter at our expense, before purchasing, send your name and address to the PYRAMID PILE CO., 5394 Pyramid Building, Marshall, Michigan, and receive a trial package free by return mail.

generous scale and those who go will have reason to remember the hospitality with which they are entertained. Hitherto the bulk of the trade of Coos bay has been with San Francisco.

Weak, sickly people often remark, "If I could only get something that would nourish me and give me strength," they do not know why, but the food they eat is of no benefit to them, they gain no flesh and feel no stronger.
