JOURNAL BOOK PREMIUMS

The Journal has not said much in its local columns regarding the splendid book premiums that it is offering to paid-in-advance subscribers, both new and old, but the story as told in the advertising columns has brought forth many responses. Day after day brings letters to The Journal office with orders for one or the other of the books. The response in the last few days, since the announcement of the earthquake book, has increased considerably. So eager are our friends to secure this great book that several have telephoned to us to order the book for them at once, and their commendation has come to The Journal by the next mail. It is not often that a newspaper is able to secure such excellent premium books and The Journal is anxious that every reader should have one or more of these books. Everybody knows "Peak's Bull Dog," and the book The Journal offers is the equal in every way of its predecessor from the pen of Gen. W. Peck. The Geography is just the thing to put in the hands of a student or to use as a reference book at home. The "Comprehensive History of the United States," by Bill Nye, is a book that everyone will enjoy. It sticks close to historical facts, but clothes them in a manner that could be equaled by no other writer. The illustrations are good. And in the earthquake book, The Journal has secured just what everyone wants at the present time. It will make a permanent record of the greatest disaster of modern times, and bring vividly to the imagination the terrible sights and experiences of those dreadful three days of April 18, 19 and 20. Either of these four great books is given absolutely free with a paid-in-advance subscription to The Journal amounting to \$2.00, the only additional payment being 25

cents to pay postage on each book. Get for your children.

KEEP THE KIDNEYS WELL

Health is Worth Sparing and Smart Salem People Know How to Save It.

Many Salem people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill-health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is the statement of a Salem citizen, who has regained good health by the use of this remedy:

P. Pratt, proprietor of the Red Front Livery Stable, 168 Front St., Salem, Oregon, says: "Doan's Kidney Pills are a remedy of exceptional merit and their value deserves to be known to all in need of a remedy for backache or kidney trouble. I had suffered from a deranged state of the kidneys and heavy aching through my back and loins, when I went to Dr. Stone's drug store for a supply of Doan's Kidney Pills. I received prompt and effective relief almost from the first dose and in a short time I was in such good condition that I didn't feel any further necessity to use them or any such remedy of the kind."

For sale by all druggists. Price 50 cents. Foster-McBurg Co., Buffalo, New York, sole agents for the United States.

Socialist Meetings

Ben. C. W. Barnes, Socialist candidate for governor, and Hon. A. M. Paul, of La Grange, the Socialist candidate for congress from the second district, are in the city today, and will address the public at the city hall this evening. Messrs. Paul and Barnes will both speak at Ankenyville Wednesday evening.

Herbicide

Will overcome indigestion and dyspepsia; regulate the bowels and cure liver and kidney complaints. It is the best blood purifier and invigorator in the world. It is purely vegetable, perfectly harmless, and should be used by all suffering from disease you will use it if you are wise. R. N. Andrews, editor and manager Corns and Rockledge News, Cocon, Fla., writes: "I have used your Herbicide in my family, and find it a most excellent medicine. Its effects upon myself have been a marked benefit. D. J. Fry."

Bringing Some Good Horses

Mrs. Sam Caste has arrived from Los Angeles. Mr. Caste is expected in a few days, as he is coming with a string of horses, which he had wintering in the Southern California city. Reports are that Caste is bringing some of the best horses that have ever been at the state fair.

CIRCUS PUT OUT OF BUSINESS

Pendleton, Oct. 15.—Nurse & Bove's circus was put down and out of business as far as Pendleton is concerned by a fierce dust, wind and rain storm which swept over the city Monday afternoon. The wind tore the main tent down and ripped it open from end to end. The debris was cleared away, and an attempt made to show the afternoon performance with the side walls up, but a second storm, followed by rain, saw the side canvases down, and soaked things up, so that the whole outfit packed up and moved on to Walla Walla, where they will show. The tent covering the side show was thrown down by the second storm while it was full of people, but no one was injured, though there was a great deal of excitement for a few minutes among those who thought the wild animals of the show had escaped from their cages and were loose in the audience.

A. L. Craig, general passenger agent of the O. R. & N., and Traveling Passenger Agent Jack O'Neill were in the tent when it collapsed, but escaped without any injury except badly damaged hats.

Rhododendron Day

It was "Rhododendron day" at the depot yesterday when the afternoon train arrived in the city, carrying the Salemites, who had been at Newport on an outing trip. These flowers are in full bloom at Newport, and the hillsides are dotted with thousands of them.

Grangers to Meet

The 103rd annual meeting of the State Grange will be held in Albany next week, and the citizens there are planning to entertain the visitors in royal style. The convention opens Tuesday, May 22d.

Shooting in Pendleton

A dispatch was received at the sheriff's office here today saying a man named Conway had been shot and killed at Pendleton this morning, and that he had a brother here. It is supposed the brother is A. R. Conway, of the asylum farm.

A telephone message from Mr. Conway, at the asylum farm, states he has no brother in Oregon, but it might be his cousin.

INDIAN DOWNED

The Chemawa baseball team defeated the Washington State College baseball team yesterday afternoon on the diamond at the Indian training school by the score of 3 to 1. Sedden gave the Chemawas played such team work. Pineda, the Indian pitcher, delivered the sphere in great style. It goes without saying that the "Farmers" from the Evergreen state sorely realized what was happening to them until the game was finished. The Pullman boys played a good steady game, but they were up against the real thing. The result of the game to many in this city was also a surprise, for it was generally believed that Willamette, beaten twice by the Washington boys, had a stronger team than the Indians. Willamette, in two games, was not able to win in either, and that the latter would not score against the Washingtonians. The lineup was:

Pullman—Myers E., Brown J., Nixon P., Waller H., Jarrod D., Hain J., McCully G., Worley M., Fallstone C.

Chemawa—Bohr G., Pineda P., Saunders I., Soter H., Casey J., Tebo C., Sigwell G., Briggmore W., David G.

Exposure

To cold draughts of air, to keen and cutting winds, sudden changes of the temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horehound Syrup is the best cure. Mrs. A. Barr, Houston, Tex. writes, Jan. 1, 1903: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take." Sold by D. J. Fry.

Go to Chemawa

Metlock & Smith were recently awarded the contract for work on one of the dormitories at the Chemawa training school. They went down today to begin the work, which may continue for about six weeks. A crew of eight or nine men will be put to work on the job.

Piles Cured

As Easily as a Cough: Painlessly, Quickly and Without Cutting.

Trial Package Mailed Free.

The agony and suffering in piles is so great, that if a surgical operation was a certain cure (which it isn't) and there was no other means of relief some persons might be willing to take the chance of blood poisoning or lockjaw.

But, now that the Pyramid Pile Cure has been discovered and has been proven to be a quick and certain means of relief and lasting cure, there is no excuse for risking your life.

Does Pyramid Pile Cure give immediate relief? Does it cure? Try it, and prove it to yourself as thousands have done before you. Then go to your druggist and get a 50-cent box and complete the cure.

Pyramid Pile Cure will cure you and do it with a certainty and a rapidity that will astonish you.

Take for example, the case of Mr. Benjamin Shaw, postmaster of Blaine. We quote his own words in his letter of Oct. 31, 1900: "I was in great agony of mind and body. In the meantime, a gentleman told me of the virtue of your Pyramid remedy. I fortunately found it at a drug store, and by the next morning I did not feel that any operation was necessary, and in three days I was able to return home and a complete cure was accomplished to my great satisfaction and the surprise of the physician."

For a trial package, send your name and address to the Pyramid Drug Co., 2345 Pyramid Building, Marshall, Michigan, and you will get a trial package by return mail. No marks.

State News

Reports from Astoria say the salmon run is very light.

The steamer George W. Elford, which has been lying on the rocks in the Columbia river, is to be removed soon.

Rev. W. S. Grim, pastor of the Methodist church at Astoria, has been transferred to Delta, Colorado.

A Japanese laborer, working on the S. P. railroad near Albany, was struck by a car Monday evening and sustained a severe cut on the head.

The Herr. Gifford Co. has decided to move its large warehouse from Pendleton to some point in Washington. It has been idle for two years, but at one time was one of the freest in the inland Empire.

The cylinder head in the large Conley engine at the National Lumber and Box Company's plant at Hoquiam, Wash., was blown out yesterday, which will necessitate the closing down of the mill for some little time.

The O. R. & N. has decided to cut their right-of-way on the Pendleton-Spokane branch, from Pendleton to Alsea hill, which will make traveling more pleasant, as this stretch of road is known to be the most dusty on its entire line.

Harry, the 6-year-old son of Mr. and Mrs. G. W. Rapp, of Roseburg, who was kidnapped at that place last Thursday, was rescued at Oakland, Cal., Monday. He was found in a railroad of supplies sent to San Francisco relief sufferers. The kidnaper, a boy of 12, was a bookie at Roseburg, and of an adventurous spirit, and it is thought his stories of life on the road led the little boy to go along with him.

Personal

Mayer Cusick, of Silverton, is in the city today.

Peter D'Arcy was bound for southern points today.

P. E. Stafer was transacting business at Albany yesterday.

Hon. E. M. Croisan went to Portland on business this morning.

Senator Coslow, of Roseburg, was in the city today on legal business.

D. L. Green has returned from several days' vacation at Newport.

Mayor Frank Waters went to Portland yesterday afternoon on business.

Mrs. H. H. Ottinger has returned from a short stay at Newport by the sea.

Linn Jones, a prominent druggist of Oregon City, passed through the city today.

Attorney Van Winkle was among the northbound passengers on the 11:15 train.

Mrs. Rose Holmes returned to Woodburn yesterday afternoon after a visit with friends here.

Mrs. Anderson Cannon returned yesterday afternoon from a visit with friends in Albany.

Mr. and Mrs. W. T. Egidon returned yesterday from Newport, where they enjoyed their outing immensely.

Mr. and Mrs. G. G. Brown have returned from a pleasant sojourn at Newport, and report particularly fine weather.

Leipold Schmidt, manager of the Salem brewery, returned to Portland today, after an overnight stay in Salem.

Jay Crathers and family, who have been visiting at the home of Mr. and Mrs. John Harris, returned yesterday to Seattle.

H. A. Hinstaw, traveling freight agent of the Southern Pacific, who is the successor of H. E. Lounsbury, was a Salem visitor today.

Prof. W. A. Manning, who has been in the city since the earthquake at Stanford University, has gone to Chicago, where he will study during the summer vacation in Chicago University.

Dean Loftis and family passed through here yesterday from San Francisco. He was conducting a cigar store there, and lost all he had. He is on his way to Chehalis, where he has relatives. P. J. Myers was among the northbound passengers this morning. He will spend a week there visiting relatives, who have recently arrived from the East, and attend to business matters.

Dr. McNary, who recently resigned his position as second assistant physician at the insane asylum, left today for Portland, where he will live permanently and practice medicine. His many friends here will wish him success in his new field.

Charles Merrill, of San Jose, Cal., was in the city last evening visiting friends. Mr. Merrill was on his way to Alaska in the interests of a San Francisco firm, but the news of the disaster and the destroying by fire of his firm's stock necessitated his return home.
