Bank Money Orders

Makes the best form of remittances—better than postoffice or express money orders. They cost less. You don't have to fill out a complicated "application blank." If a Bank Money Order is lost or stolen you get your money back without trouble, red tape or tedious delay. Another thing: If the party you send your money to claims he did not receive it, you can come to the bank and get the records and documents to prove that you sent it. A \$100 bank money order costs 10 cents—just half as much as postoffice or express orders.

A Mountain of Gold
Could not bring as much happiness to Mrs. Lucia Wilke of Caroline, Wis., as did one 25c box of Bucklen's Arnica Salve, when it completely cured a running sore on her leg, which had tortured her 23 long years. Greatest antiseptic healer of piles, wounds and sores. 25 cents at J. C. Perry's drug store.

Repairing a Cistern.
Repairs are being made to the five cisterns at the corner of Commercial and State streets. The sills of the cisterns have rotted, and it was becoming dangerous. When opened up this morning it was found that the walls were in splendid shape, but all the horizontal timbers across the top needed renewal. The street car tracks may have to be disconnected at this point for a time and passengers transferred from one car to another on the Fair Grounds-South Salem line. The work will be completed to-morrow.

Actions for Divorce.
Minnie Robinson has begun action for divorce against Chester N. Robinson, in department No. 2 of the circuit court. The parties were married March 31, 1899, and have since made their home in Stayton. The plaintiff charges her husband with having conducted an illicit saloon in Linn county, at a point on the Santiam river opposite Stayton, for the last 11 months, against her objections, and that he deserted her May 14, 1906.

Another divorce has been filed in department No. 2 of the circuit court. The parties are D. A. McKee and Charlotte McKee, and were married in Portland in 1899. The plaintiff alleges that his wife treated him in such an inhuman way as to compel him to leave her October 1, 1904.

Pleased With Results.
"Billie" Hayward, the famous University of California athletic trainer, who is coaching the University of Oregon track team, returned to Eugene this morning from an over-Sunday visit in the Capital City. He is much pleased with the results of the meet with the Corvallis athletes. The result was not entirely a surprise to those who had watched the work of the Eugene men. In Kelly and Hag, Hayward, if given a chance, will yet have world-breaking athletes.

A Tour of Inspection.
Adjutant-General William E. Finzer and Colonel J. M. Poorman, of the Third Infantry, O. N. G., have returned from a tour of inspection in Eastern Oregon. They visited Companies D, of The Dalles; L, of La Grande, and A, of Baker City. They also distributed the medals won at last year's target shoot.

The Prohibits Busy.
The Prohibitionists are not to be outdone by either of the old parties in conducting a vigorous campaign and causing of the county. They believe they have a strong ticket, composed of clean, honest men, whom the voters will do well to consider.

BALL TOSSERS BUSY

Salem Boys Generally Got a Sad Drubbing Everywhere Sunday

Yesterday was not an ideal day for the great national game, for Jupiter Pluvius sent occasional showers earthward, but the local baseball devotees were not to be kept away from the diamond. The Journal does not wish to condemn the organization of baseball clubs, for the old adage, "the more the merrier," is probably as true as it ever was, but it is nevertheless a matter of regret that the Capital City cannot support a representative baseball organization, ready to cross bats with the neighboring cities. To the old-time fans, and those who liked to see the game played by the best talent the city can produce, the present condition of affairs in baseball is not at all satisfying.

Nurserymen Win from Brickmakers.
The Nursery ball tossers put the Brickyard aggregation to the bad on Sunday morning to the amount of 14 to 10. The features of the game was the pitching of Bowen and Walling, who kept their hits well scattered. Gamble, at second, played fine ball, and Hixen used the willow to good advantage. Taken as a whole it was a well-played game, and it furnished plenty of opportunity for the crowd to cheer. The batteries were: Nursery—Walling, Northcutt and Ashley. Brickyards—Bowen, Simpson and Hinen. The game was played on the nursery diamond.

Woolen Mills Beat Lincoln.
Talk about flamboyant pyrotechnic displays, the Woolen Mills baseball team surely had it yesterday when they defeated the Lincoln baseball tossers by the score of 35 to 4. The "K's" never had so much fun in their lives, so easy was their opposition. The Woolen Mills battery was Swegle catcher, and Bones pitcher.

Touched for Six Runs by Silverton.
A picked team from Salem went to Silverton to try conclusions with the baseball boys there, only to return hugging a large goose egg, while the Silverton baseball tossers had six points to their credit when the last inning was completed. Rumor has it that the Salemites never saw third base.

South Salem Loses to Independence.
The South Salem baseball team went to Independence yesterday to play the team of the Polk county town. A large attendance was present to cheer their respective favorites. The final score was 6 to 2 in favor of the Independence team. The batteries were: Clark and Clark for South Salem; Craven and Smith for Independence.

Nurserymen Again Trim Fruitland.
Once again did the Nursery team wallop the Fruitland baseball boys in a friendly encounter yesterday, on the Fruitland diamond. The score was 10 to 4. This time it was Northcutt who did the pretty work in the box, for he struck out 11 men and allowed but two to walk. The lineup of both teams was:

Fruitland—Stevens c, J. Townsend p, Herren ss, Kaplinger 1b, Swartz 2b, R. Townsend 3b, Boyer and Lukin-beal rf, Lunde cf, Pooler lf.
Nursery—Opden c, Northcutt p, Desart ss, Welch and Wolf 1b, McFarland 2b, Cooper 3b, Lang rf, Brown cf, Combe lf.

Mike Simms acted as umpire. The game gave general satisfaction. Next Sunday the Nurserymen will cross bats with the Brooks nine at Brooks. The tree-trimmers anticipate a hard game, but believe they will win.

Ramblers Win From Mt. Angel Boys.
"We took 'em in," was the laconic message brought home by the plucky little Rambler baseball team Saturday evening on their return from the classic and hospitable city of Mt. Angel, where they engaged in a contest with the college baseball aggregation of that place. The story of the event is best told by the final score, 11 to 6. The presence of Holman, the whirlwind reliever for the Ramblers in the lineup was a source of inspiration to his teammates, who played the game of their lives. While the Mt. Angel baseball team is not so strong as in former years, it will yet be heard from this season.

High School Versus Chamawa.
The high school baseball team will meet the Chamawa aggregation next Tuesday on Willamette field. The game promises to be of unusual interest, as the Indians have defeated the Pullman and Willamette teams, and are endeavoring to establish their claims to the Northwest championship. Just what showing the high school boys will make is not known, but it is generally believed that they have much improved since their last appearance

on the local diamond. The lineup for the high school will be: Jones c, Keens p, Gabrielson 1b, Moores 2b, Harrison 3b, Roberts ss, Eyre lf, Kay cf, Fisher rf.

Target Practice.
The members of Company M, O. N. G., held an excellent target practice yesterday. Since it has been decided to hold the annual shoot at the local range, the militia men have resolved not to let the medal go to another company, and, while the interest in shooting has always been uppermost in the minds of the members of Company M, the fact that the state tournament will be pulled off here has only served to increase the interest. Some fairly good records were made yesterday.

Exposure.
To cold draughts of air, to keen and cutting winds, sudden changes of the temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds.

Ballard's Horehound Syrup is the best cure. Mrs. A. Barr, Houston, Tex. writes, Jan. 1, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take." Sold by D. J. Fry.

Picnic at Victor Point.
The Woodmen and Circle of Victor Point will give a picnic on Saturday, May 26th. Salem, Aumsville, Silverton and Stayton will send degree work and drills.

Postmaster Robbed.
G. W. Fouts, postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter, which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters; which cured me and have kept me well for 11 years." Sure cure for biliousness, neuralgia, weakness and all stomach, liver, kidney and bladder troubles. A wonderful tonic. At J. C. Perry's drug store. 50 cents.
