Smiles

People who live in glass houses should not throw stones at former political associates in a redhot political campaign.

Jefferson Review tip: "The campaign in Marion county is the tamest ever. Republicans seem to think they have a cinch and the Democrats do not seem to have energy enough to make a hustle."

Glendale News: Prosperity still writes her name over the country in letters as big and bold as ever, but it is a good time to pay as we go. It is a hard job to pay for high priced things after the price has ceased to be so high.

The Democrats have found out that Withycombe's brother John did not get out his papers until 1883. Another brother used to fish for suckers without spitting on his bait. What is worse, there is not a Democrat in the whole family.

Forest Grove Times: The enterprising people of the Coos Bay country will hold a Farmers' and Shippers' congress at North Bend May 23 and 24 and the chamber of commerce at North Bend is sending out invitations to it that are something unique. They are printed on wood but the wood consists of three pieces of their famous product veneered together into a solid piece only a little thicker than an ordinary card. On it is printed a big crab, surrounded by a border of sea shells and in the extended arms of the crab is the lettering of the invitation. The invitation and the accompanying literature makes one want to grab his hat and rush down there quick so as to get ahead of the crowd.

A NEW O. B. & N. TRAIN.

Upper Columbia River Given Service That is Appreciated.

The new local upper Columbia river train put on by the Oregon Railway & Navigation Company May 20th will do much toward attracting tourists to points along the river between Portland and The Dalles. The new train

WANT AND NEED.

There's a big difference between what a baby wants and what he needs. Deny him the one, give him the other. Most babies need Scott's Emulsion—it's the right thing for a baby. It contains a lot of strength-building qualities that their food may not contain. After a while they get to want it. Why? Because it makes them comfortable. Those dimples and round cheeks mean health and ease. Scott's Emulsion makes children easy; keeps them so, too.

SCOTT & BOWNE, 409 Pearl St., New York.

leaving Portland at 8:15 a. m., and arriving at Portland at 6 p. m. the same day, gives an opportunity to spend the day at some of the delightful places along the upper Columbia river, and permits them to return home the same day.

The train is made up of baggage car and coaches, and stops at all points in both directions so as to accommodate local travel as much as possible. The lightness of the train, however, permits it to run at a high rate of speed between stations, so that, even with the stops, good time is made.

There are many beautiful places along the river, such as Rooster Rock, Latourelle, Multnomah Falls, Bonneville, at which a day's outing and picnic can be enjoyed to the uttermost, and this new service makes it possible to take such outings, whereas, in the past, when the service has been performed by the heavy, through trains, it has been impossible to do this.

Columbia-Southern passengers, instead of waiting at Biggs, which is unattractive, are taken to The Dalles promptly, where they await the train for Portland, coming in on No. 1, as at present, or taking the local, as they may desire.

It is safe to say that the girls of 1906 are sweeter and more beautiful than the girls of war times. The up-to-date girls all take Hollister's Rocky Mountain Tea. 35 cents, Tea or Tablets. Dr. Stone's drug store.

NEW LOCAL TRAIN.

From The Dalles to Meet Columbia Southern at Biggs.

Initial Trip Sunday, May 20, 1906.

Train Schedule table with columns for destination, time, and departure/arrival.

Train also stops at Latourelle, Multnomah Falls and Collins. Columbia Southern passengers, instead of waiting at Biggs, will be taken to The Dalles promptly where they await the train for Portland, coming in on No. 1, as at present, or taking the local, as they may desire.

Politics Getting Ripe. We are coming to realize that there is a political campaign in our midst. The political parties are vying with one another in the booming of their respective candidates for governor. A huge steamer reaching across State street to the Republican headquarters in the Tioga block bears the legend "Republican headquarters. Democrat Withycombe for governor." The Democrats also have steamers in front of headquarters asking voters to vote for Chamberlain for governor.
