Some Opinions

I believe in the right of women to vote just as much as I believe in the right of men to vote and in fact a little more.

THEODORE WILSON.

I hope and believe that 4 Oregon women will have the ballot, and that every one so.

GOV. GEO. E. CHASE.

Under existing conditions it to be less wrong to deny men than to deny them the choice. Therefore I shall amendment.

BUITS WILSON.

Our ought to be a people. JUDGE H. H. WILSON.

I have always favored particularly on account of who work for a living.

SENATOR C. W. NORTH.

There is no valid reason for denying women the right of suffrage and there are reasons for it.

I see no reason why women should not be given equal rights and hope to see them in the near future.

I. N. FLETCHER.

Even the women who have a vote upon which to protect their honor. DR. STEPHEN.

My mother, my great grandmother were in Oregon and crossed the ox team. I will always honor of women and give privilege that I have.
