**SALEM'S CHERRY FESTIVAL**

Prominent Horticulturists Will be on Deck and Fine Prizes Distributed

Under the auspices of the state horticultural society there will be a great "Cherry Festival" held in this city July 6th. The leading firms of the city, which are particularly interested in the fruit growing industry have offered some handsome premium cups for the best exhibit in cherries. The varieties that will be brought into competition are the Lambers, Royal Annes, Deacos, Bings and Black Republicans. The Marion county fruit growers are taking much interest in the exhibit, and the affair promises to be one of the biggest things of the kind ever attempted in this city. There will also be a meeting to discuss the cherry industry. The well-known horticulturists who will be in attendance are: Dr. Cardwell, Col. Doach, Commissioner W. K. Newell, of Gaston; H. C. Atwell, of Forest Grove; H. S. Gile, M. McDonald, H. M. Williamson, of Portland; L. M. Gilbert, of Salem; Fruit Commissioners Reid and Park; J. R. Shephard, Lloyd T. Reynolds, of Chemawa; E. C. Armstrong, George H. Lamberson and others. On Saturday the Oregon Nursery Company has arranged for a sightseeing expedition in Salem and vicinity. While the meeting is primarily to encourage the cherry industry, some attention will be devoted to the walnut industry. The exhibit is not only open to the growers of Marion county, but to any that may wish to assist in making the endeavor a splendid success. The list of premiums was published in full in The Journal the past week.

**SPLENDID FIELD MEET**

It is Expected Some Records Will Be Broken by Local Athletes

The intercollegiate track and field meet, to be held here Saturday, promises to be the most interesting held since the reorganization of the I. A. A. O. Manager Winslow, who has charge of the arrangements of the affair, states that 75 trained athletes will enter in competition and that large crowds of rooters from Eugene and Corvallis will accompany their respective teams and cheer them on from start to finish. Undoubtedly, next to the oratorical contest, the annual field meet of the "Big Four" is the most spectacular and greatest gathering among the Oregon colleges. It is there that "college spirit" in all its spontaneity, fervor and clamor breaks loose. The big thing will be pulled off at the fair grounds. A Eugene newspaper writer speaks thus as to the outcome of the contest: "Much speculation as to the outcome of the meet is being engaged in and the fact that the first four places will count instead of the first three is giving deeper thought to the problem of which team is going to win the most points. All the four contestants undoubtedly give Oregon the meet, but it is natural that the interested ones inquire as to the final outcome. In Eugene much figuring is being done, and with first place counting for five points, second place for three, third place for two and fourth place for one, it is thought that Oregon will win by over 30 points, divided as follows:

**Forecast of Points**

	U. O.	O. A. C.	W. U.	P. U.
100-yard dash	7	3	0	1
220-yard dash	8	2	0	1
440-yard dash	1	5	0	5
880-yard dash	1	7	0	3
Mile run	3	5	0	3
High jump	6	0	5	0
Broad jump	8	1	2	0
Pole vault	5	5	0	1
120 hurdles	9	2	0	0
220 hurdles	8	3	0	0
Shot put	8	1	2	0
Hammer throw	6	3	0	2
Discus throw	7	3	1	0
Relay (one mile)	0	5	0	0
<b>Total</b>	<b>77</b>	<b>45</b>	<b>10</b>	<b>16</b>

The relay race is conceded to Corvallis, but there are many who think that the Oregon team can make a better showing than it did in the Corvallis meet in Eugene and can make a strong bid for first honors."

**I. A. A. Records.**  
Believing that the records established at the "Big Four" are of interest at this time, the Journal gives them here: One hundred yard dash, Higgins (U. of O.), 10 1-5 seconds, 1897. Two hundred and twenty yard dash, Smithson (O. A. C.), 21 2-5 seconds, 1905. Four hundred and forty yard dash, Williams (O. A. C.), 49 1-5 seconds, 1905. Eight hundred and eighty yard run, Greenhaw (O. A. C.), 1:58 3-5 minutes, 1905. Mile run, Gates (P. U.), 4:41 4-5 minutes, 1905. One hundred and twenty yard hurdles, Smithson (O. A. C.), 16 2-5 seconds, 1905. Two hundred and twenty yard hurdles, Moores (U. of O.), 25 2-5 seconds, 1905. High jump, Buckingham (W. U.), 5 feet 8 inches, 1900. Broad jump, Peterson (P. U.), 21 feet 3 1/4 inches, 1905. Pole vault, Woodcock (O. A. C.), 10 feet 7 1/4 inches, 1905. Hammer throw, Smith (U. of O.), 126 feet 1 inch, 1900. Shot put, Sanders (W. U.), 41 feet 3 inches, 1895. Discus throw, Hug (U. of O.), 109 feet 6 inches, 1905. Relay race, O. A. C. team, Greenhaw, Smithson, Williams and Beach, 1900; time could not be learned. It will be noticed that the oldest record is that of Higgins, of the University of Oregon, made in the meet in 1897, when he sprinted 100 yards in 10 1-5 seconds. Smith's hammer record of 126 feet one inch, made in 1900, will undoubtedly be broken by Hug of Oregon, who in the Corvallis-Oregon dual meet threw it 132 feet 8 1/2 inches. The pole vault record of 10 feet 7 1/4 inches, made in 1905, will probably be broken, for Moulten of U. of O. recently cleared the bar at 10 feet 10 inches. If the weather is fairly propitious

many records will go aglimmering into the "musty has-been."

At all events, there will be some very clever performances by the best athletes in the Oregon colleges.

The officials who will conduct the meet are as follows:  
Referee—Edwards, of Corvallis  
Starter—Roy Heater, of Willamette.  
Clerk of the course—Virgil Earl, of Eugene.

**Government to Push Case Against Puter.**

"Puter will be tried and sentenced just as soon as the government is in a position to go ahead with these cases," said United States District Attorney Bristol this afternoon. "We intend to take him right down the line."

Mr. Bristol called on Puter at the county jail this afternoon. The greeting between them was not the warmest in the world, for Bristol is a power Puter has not reckoned with. Nothing developed from the meeting. Mr. Bristol called to see about bail, which it appears, Puter will not be able to give for some time.

There is another man in Portland desirous of seeing Puter. He is J. H. Porter, of La Crosse, Wis., who is among the La Crosse purchasers of some of Puter's school land certificates. He called at the marshal's office today for permission to visit Puter, which was refused, owing to this not being a jail visiting day.

Thus far none of Puter's bondsmen have applied for release, although it is thought probable that some of them will. His bondsmen are Finley Morrison and Eugene Blazier for \$4000, and the United States Fidelity & Guaranty Company for \$4000.

Bad luck is a stumbling block to a great many men who want to be Christians.

**BOYS FAILED TO SEE**

Girls all Got up Early in the Morning for a Field Meet

Whoever gave it out "that could not keep a secret" was mistaken. At least the wise ones at the University proved that there are exceptions to the best established rules.

A year ago the Girls' Student Association inaugurated an annual meet. The contest is open to the girls of both the academy and college who are members of the association.

The boys knew that the second annual meet was not far off, and had planned to turn out in numbers "to see fun," but their plans were frustrated by the co-eds, who, secretly, agreed to hold the meet in the col, gray and red.

Not even those on whom cupid made the loveliest betrayed the secret their "steadies." It was a complete surprise when the following results were given out Wednesday morning:

High jump, 3 feet 8 inches; long throw, 32 feet 2 inches; 100-yard dash, 13 seconds; broad jump, 18 feet 10 inches; discus throw, 37 feet 10 inches; 100-yard hurdles, time 15 seconds; 220-yard dash, time 35 seconds; pole vault, 4 feet 2 inches; 880-yard run, 15 minutes 2 seconds; mile run, 16 minutes 16 seconds; 440-yard run, 2 minutes.

Carrie Belknap, who established fame as an athlete during the basketball season, won 4 1/2 points and sister, Stella, scored 8 1/2 points in the college girls May Field meet. Points and Ruth Whipple scored 1 1/2 final score was: College 32, Academy 64.

There's little room in this world of ours for the "Fat Woman." She's a hindrance to herself in cars, flats, elevators; but what can you do, poor thing—take Hollister's Mountain Tea. 35 cents, Tea or 60c.

**Jury Disagrees in Marion County.**  
After having been out for nine hours, and giving up all hope ever reaching a verdict, the jury in the case of John Krell against Marion County was discharged last night 9:30 o'clock by Judge Frazier. He of the jurors were in favor of the damages, but one held out and refused to be convinced. Twelve hours were taken, the first one standing for the county and seven for Krell. It is said that the majority of the jury were in favor of allowing the plaintiff \$2000.

On March 13, 1905, Krell was carrying a load of wood along a Marion county highway, when his wagon was washed in the road, causing the team to run away. In the attempt Krell received serious injuries and leg had to be amputated. He was paid for \$10,000 damages, and the case was brought to this county on a change venue.—Telegram

**Ramblers Will Play Dallas.**  
The Ramblers have arranged a contest with the Dallas Tribunes, one of the strongest baseball aggregations in the country, but as yet no date has been set for the contest, as other games scheduled on the Willamette University grounds, which is the only athletic field available.

**Probate Matters.**  
In the matter of the estate of O. L. Irvin, Emanuel Irvin has been appointed administrator with an approved bond of \$500. The property valued at about \$500, and the appraisers are E. Anderson, J. G. Foster and W. T. Rigdon.

**A Fine Horse.**  
Doc Gibson is training a fine roadster, and, as an expert in handling such animals, he will soon have a driving animal on his hands.

**A Timely Dose.**  
Of Hostetter's Stomach Bitters will save you a long sick spell. As soon as you notice the tongue coated, appetite poor, bad taste in the mouth and general restlessness, commence taking the Bitters. Neglect is often the cause for many of the ills of Bilelessness, and Stomach Troubles.

**HOSTETTER'S STOMACH BITTERS**  
Has proven its merits thousands of times in cases of Indigestion, Dyspepsia, Costiveness, Bilelessness, Headache, Burn, Bloating or Malaria. Be sure you try it.

**School News**

There have been several improvements on the stage at the high school. The construction of the stage makes it rather difficult to arrange necessary equipment, such as the curtain, scenery, etc. These have been successfully overcome, though. A circular rod has been run from one side of the stage to the other, supported in the center by a rod from the ceiling. The curtains are made to slide on the rod. This arrangement makes it so that the entire stage is enclosed by the curtain, which could not be done with a rolling curtain.

The stage has also been provided with footlights, which are very necessary to putting on a play.

Today ends the work of the senior class of the high school. The others leave Monday and Tuesday of next week. The commencement will begin properly with the commencement sermon Sunday evening at the First Congregational church, and continue during the week following.

mon Sunday evening at the First Congregational church, and continue during the week following.

**Government Good Roads Plant.**  
Another shipment of the government good roads machinery arrived this morning over the Southern Pacific, which is hauling the plant free, and it will be unloaded today and taken to the fair grounds. The carload consists of a 14-inch Aurora rock crusher, and a three-grade screen, completing the machinery to construct the section of good roads that has been begun. There is already a ten-ton roller on the ground and a lot of grading machinery, and considerable work done. There are three government officials in charge: A. E. Loder, assistant engineer of the department of good roads; D. G. Hare, superintendent of construction; Andrew Wilbur, the steam roller man. These gentlemen will be here in charge of the work for about two months at least.

**Death from Lockjaw.**  
Never follows an injury dressed with Bucklen's Arnica Salve. Its antiseptic and healing properties prevent blood poisoning. Chas. Oswald, merchant, of Rensselaersville, N. Y., writes: "It cured Seth Burch, of this place, of the ugliest sore on his neck I ever saw." Cures cuts, wounds, burns, and sores 25c at J. C. Perry's drug store.

**Salem Makes the Music.**  
The Steelhammer orchestra left this morning for Corvallis. They will furnish the music for the "Junior Hop," given annually by the cadets at the Oregon Agricultural College. The members of the orchestra are: Robert Savage, H. N. Stoudenmeyer, Miss Stege, Robert Holman. This dancing party is the leading social event at the college at Corvallis, and is largely attended by the society people of the neighboring towns.

**An Alarming Situation.**  
Frequently results from the neglect of clogged bowels and torpid liver, until constipation becomes chronic. This condition is unknown to those who use Dr. King's New Life Pills; the best and gentlest regulators of stomach and bowels. Guaranteed by J. C. Perry, druggist. Price, 25c.

**The Firemen's Benefit.**  
Will be given tonight at the opera house. The firemen have secured Henry Lawrence Southwick, and will present him in "The Rivals." You ought to hear him for your own sake. He is one of the few very great men on the American platform today.
