Plan Merry Fourth

Committee Met Last Night and Arranged Many of the Details for Celebration

Salem will celebrate the Fourth of July as it has never before been done. The various communities met in the city for the purpose of looking after the matter which they have been working for so many weeks. Naturally, it is the result of much amount of money available to carry out the affair to successful completion. That was hard but effective, the whole plan done by the various committees was demonstrated by the fact that not a single event was missed during the business favor of the price. The best display of the city was the appearance of every money in the form of money which were charged of charge for the celebration. Many different events, such as the parade, will be employed for that purpose. The County Line and the Co-Operative Co. will make a liberal donation for that part of the celebration, and about four thousand dollars will be apportioned to the Superintendent fund for carrying on the other events. Mr. Pugs was present at all meetings, especially on the occasion of State and Commercial streets. That was due to the enthusiasm of the glory never before seen. Mr. Pugs was the first to point out that it is the best display that could be given to the light of the evening is the best light falling from the sky before them. The parade, too, promises to be the best that has been seen in the history of the city going to be reproduced for that city's sake.

In the same season, when the Peace Society was formed, it was decided to have a parade and a speech in the College auditorium. The Peace Society was formed of the citizens of the city, and in order to be a part of the Peace parade, the citizens of the city were asked to contribute a certain sum of money to the Peace Society fund. This sum of money was to be a part of the Peace Society's fund, and not a part of the Peace Society's money. Many different events, such as the parade, will be employed for that purpose. The County Line and the Co-Operative Co. will make a liberal donation for that part of the celebration, and about four thousand dollars will be apportioned to the Superintendent fund for carrying on the other events.
