WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to inspire admiration, respect, and love. There is a beauty in health which is more attractive to men than mere regularity of feature.

Mrs. Chas. F. Brown

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study. At the first indication of ill-health, painful or irregular periods, headache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use.

Mrs. Chas. F. Brown, Vice-President Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham:—

"For nine years I dragged through a miserable existence, suffering with inflammation and female weakness and worn out with pain and weariness. I one day noticed a statement by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Vegetable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Compound built up my entire system, cured the trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacements, inflammation or ulceration, that "bearing-down" feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound.

Hazel Green—Mrs. Dora Green.

Evangelist—J. R. Parker.

Editor Pacific Searchlight—B. E. Emerick.

Professor in Philomath College—O. V. White.

A Party Predicament.

(Portland Daily Journal, Democratic.)

But what would the Republican party have done in the Packers' inspection business, the Anthracite coal affair, the Standard Oil, the Beef trust, the Rebate railroads—

If it had not been for President Roosevelt?

Everybody knows that not a thing would have been done against or about them.

Now if the anti-Roosevelt Republicans control the next national Republican convention—in fact, if anybody in sight but Roosevelt or La Follette is nominated for President, what, or what not, will the Republican party do?

We all know. Experience, an old maxim says, is an expensive but a valuable teacher.

The Republican party leaders, most of them anti-Roosevelt—are in the hardest row of political stumps they ever encountered—and a good many of them know it.

Roosevelt could doubtless be re-elected in 1908, if he would say the word, in spite of the Republican party; for he is really not of it; but if he adheres to his determination not to run, who what?

It is a curious predicament for the Republican party; the only man it can elect is not really a Republican, and is a man its leaders hate.

The explanation is easy, and can be told in a word: The people are waking up!
