Smiles

In Roseburg a \$10 prize is being offered for the most neatly kept premises. Salem's park board might take a "hunch" from this.

The equal suffragists will again petition for the submission of their amendment. They propose to profit by past experiences and fix up their fences to win next time.

Thrown from Their Carriage.

What might have been a very serious accident occurred on the Champegoe-Salem road this morning, as Mr. and Mrs. W. V. Hannegan, of Gervais, were driving to town. When about eight miles from Salem they met an automobile belonging to Judge Hubbard, who

was running the machine at the time. Mr. Hannegan's horse became frightened and ran away, throwing both occupants violently to the ground. Mrs. Hannegan sustained severe injuries of the lower limbs, although no bones are broken, it is feared she may have suffered internal injuries. Mr. Hannegan was badly cut about the head and face, and his left arm strained.

A neighbor living nearby saw the runaway, and succeeded in stopping the horse. The couple were assisted to their rig, and came to this city, where their injuries were attended to.

When Doctors Disagree.

Dr. H. Olinger, of the state board of dental examiners, flatly denies that the board did any crooked work in marking the papers of the applicants for dentists' licenses at the recent semi-annual examinations, held in Portland.

He believes that the accusations of Dean Miller, of the North Pacific Dental College, against the board are uncalled for, and groundless.

Dean Miller is naturally disgruntled over the failure of six of the graduates of his school, and has taken the board of examiners to task for it.

In an unsolicited telegram from Dean Miller to Dr. Olinger, the former states he has been entirely misquoted in his remarks relative to the examinations.

E. E. Gilliam, proprietor of the livery and feed stable at 62 Ferry street, and living at 332 Water street, Salem, Oregon, says: "Years of almost constant driving and a fall I got several years ago which wrenched my back badly had tended to hurt my kidneys, which I felt in severe backache and lameness, so that at times I could hardly straighten up and sharp pains caught me when I arose after sitting. None of the remedies I tried did me any good until a short time ago I was induced to get Doan's Kidney Pills at Dr. Stone's drug store. In a short time I obtained more relief from the backache and disordered condition of the kidneys than I had for years. I know of neighbors who have also used your remedy and they all speak of it as the best kidney medicine there is, and I believe this to be so."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Marion are responsible for the fun this week, and they make the most of the opportunity afforded them.

Next week a comedy drama entitled "The Bohemians," will be presented by this popular stock company. This is to be the largest attraction yet offered at the Edison. The play consists of four long acts and fifteen-minute scenes, besides there being several new faces in the cast.
