GREAT STATE FAIR

The Races Will be the Best Ever Seen in the Northwest

The State Board of Agriculture has appropriated \$10,200 in early-closing harness events for the coming state fair. From a financial standpoint, the races at the fair will be the biggest racing event that has ever been held on the Pacific coast. Two of the events have prizes of \$2000 each, and one of the others has a prize of \$1000. More than 130 horses have already been entered for the early-closing stakes, and, in addition to these, there will be at least a half dozen other races for other horses. It is safe to say that 400 race horses will be at Salem, and will take part in the races. Many of the finest horses and the best performers on the Pacific coast will be here, and have already been entered. Among these is Kelly Briggs, who nosed the Pacific coast champion, Zolock, in 2:06 1/2. The board is negotiating with Mr. Delaney, the owner, to have Zolock make an exhibition trot of a mile. Mr. Delaney promises that Zolock will do this mile in 2:03.

In the early-closing stakes there are 12 classes, and only two of these are not filled. The least number of horses in the filled class is nine, and the greatest number 26.

It is the intention of the state board to have all the live stock judged in a ring especially prepared, so that the people may have an opportunity to see all the exhibits and understand the reasons for the different awards. This

Heart Weakness

The action of the heart depends upon the heart nerves and muscles. When from any cause they become weak or exhausted, and fail to furnish sufficient power, the heart flutters, palpitates, skips beats; and in its effort to keep up its work, causes pain and distress, such as smothering spells, short breath, fainting, pain around heart, arm and shoulders. The circulation is impeded, and the entire system suffers from lack of nourishment.

Dr. Miles' Heart Cure makes a heart strong and vigorous by strengthening these nerves and muscles.

"I had palpitation and pain around my heart, and the doctors said it was incurable. I don't believe it now, for after taking six bottles of Dr. Miles' Heart Cure, three bottles of the Nerve and three boxes of the Nerve and Liver Pills I am entirely cured, and feel better than I have for five years, and it is all due to these remedies. I want you to know that your medicines cured me. It relieved me from the first dose, and I kept right on till the pain in my chest was gone, and I kept on feeling better even after I quit taking it." JOHN H. SHERMAN, Belding, Mich.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

"The Bohemians"

Much interest is being taken in next week's play at the Edison theatre, as it is to be the largest production attempted at the Edison. One of the many pleasing and interesting scenes in next week's play is the great fire scene in the first act. The Edison stage is being altered for this great scene, and it promises to be a big novelty. There will be specialties, a new illustrated song between the acts and new faces in the cast, and it is safe to say that next week's play will be the largest attraction ever offered in Salem for 10 and 20 cents. Tonight and tomorrow night for the last time "A Wife's Peril."

Wanted for Forgery.

At the request of District Attorney Manning, of Multnomah county, a requisition was issued this morning from the governor's office on the governor of Colorado for C. F. Spencer, who is accused of passing a forged check for \$340 on the Merchant's National Bank of Portland. Spencer is thought to be at Colorado Springs.

Will Not Catch John D.

Washington, June 23.—Moody was asked point blank today if he expected to land John D. Rockefeller. He hesitated, but answered: "I don't think so. About the best we could do would be to get the traffic managers directly concerned. I don't wish to inflict clerks, and can't reach the heads of concerns, because of lack of evidence, so will strike about half way up." The packing house conditions were discussed in the senate today.
