Bill Will Be Introduced in Next Legislature to Increase Number of Judges

It is given out on good authority that a bill will be introduced in the legislature next winter to increase the number of judges of the supreme court from three to five.

It is a well known fact that the supreme bench is behind in its work and at the present time a very large number of suits of importance are piled up awaiting consideration.

As it is, the judges are overworked and there is always a temptation to hurry in the work and not give the cases the time and attention they are entitled to.

However, it has never been said that this has actually occurred in Oregon, but the supreme judges are only human and, like every one else, could probably do the work better if they had less of it to do.

It is not known what member of the legislature will be sponsor for this proposed bill, but it has been asserted that a section will be included making it compulsory that not more than three of the five members of the new bench shall be of the same political party.

The trend of events in Oregon has recently been toward non-partisanship in public office and this is especially true in regard to the judiciary.

It must be considered that the general public does not appreciate the volume of work that the supreme court has to do, but there is little doubt but that the entire bar of the state will sign a petition to increase the number of judges in the state's highest court.

Lieutenants from Banks. Washington, July 19.—The thirty soldiers who have been provisionally examined for appointment as second lieutenants in the army, and who have been pronounced qualified, will not be ordered to Fort Leavenworth for the usual preliminary instruction and observation. They will remain at their reservation posts until about September 1, when they will be ordered up for final examination.

Only 82 Years Old. "I am only 82 years old and don't expect even when I get to be real old to feel that way as long as I can get Electric Bitters," says Mrs. E. H. Brunson, of Dublin, Ga. Surely there's nothing else keeps the old as young and makes the weak as strong as this grand tonic medicine.

National Live Stock Exchange. Chicago, July 19.—The national meeting of the National Live Stock Exchange, an organization with a membership scattered through every part of the United States, opened here today.

Sure Cure for Piles. Itching Piles produce moisture and cause itching; this form, as well as Blind, Bleeding or Protruding Piles, are cured by Dr. Bo-san-ko's Pile Remedy.

Owned Brooch Before But Must Pay Duty. New York, July 19.—Custom officials were notified from Washington, D. C., Tuesday that a petition of Norman C. Hascall, of Toledo, a jeweler, for the return of a diamond brooch, valued at \$500, which was taken from him on his arrival in New York from Europe, has been denied by the treasury department.

Grand Parade of the Elks. Denver, July 19.—The great Elks' parade this forenoon was undoubtedly the most interesting and spectacular event of the convention week.

A GOOD NIGHT'S REST

"Speak for it," she cried to doggie, "For she knew in her little heart, That German Syrup, home's great treasure, Could health and joy impart."

The greatest tonic on earth is a good night's rest. Restless nights and the terrible exhaustion of a hacking cough are dread dangers of the poor consumptive.

But why this fear of the night when a few doses of Dr. Boschee's German Syrup will insure refreshing sleep, entirely free from cough or night sweat?

We know by the experience of over thirty-five years that one 75-cent bottle of German Syrup will speedily relieve the worst coughs, colds, bronchial or lung troubles—and that, even in cases of consumption, one large bottle of German Syrup will work wonders.

ers with great enthusiasm. The Eastern delegates had mostly confined their uniforms to those of a neat but somber character, but some of the Western delegations were arrayed in the large delegations from the Southwest was dressed in the garb of cowboys and was cheered to the echo.

A Tragic Finish. A watchman's neglect permitted a leak in the great North Sea dyke, which a child's finger could have stopped, to become a ruinous break, devastating an entire province of Holland.

He writes: "Three doctors gave me up to die of lung inflammation, caused by a neglected cold; but Dr. King's New Discovery saved my life." Guaranteed best cough and cold cure, at J. C. Perry's drug store. 50c and \$1.00 Trial bottle free.
