ORDINANCE NO. 490 A BILL

For an ordinance to provide for the taxing, licensing and killing of dogs, and for the repeal of all ordinances or parts of ordinances in conflict herewith.

Be it ordained by the Common Council of the City of Salem, Oregon:

Section 1. It is hereby made unlawful for any person or persons to keep any dog or dogs within the limits of the City of Salem, of the age of more than four months, unless the owner or keeper of such dog or dogs shall procure from the City Recorder a license for each such dog as in this ordinance provided.

Section 2. The owner or person being in charge of any dog kept or owned within the limits of the City of Salem, shall on or before the 1st day of August in each year pay to the City Recorder the sum of \$3.00 in gold or silver coin as a license fee for each and every male dog, and the same amount for each and every spayed female dog, and the sum of \$5.00 as a license fee for each and every unspayed female dog so owned or kept by him. Upon such payment the City Recorder shall issue to said person a license for the keeping of each dog so owned or kept by him. The said license shall specify the name of the owner, with his place of residence, also the name, age, sex, breed and color of the dog for which the license is issued and said license shall be valid until the 1st day of August following. Said City Recorder shall also issue to said owner or keeper a metal tag bearing a number of the license so issued, and such metal tag shall be attached to said dog during all the time said license is in force and if any dog is found by the Poundmaster without such license tag attached it shall be presumptive evidence that such dog is not licensed, and said Poundmaster is authorized to immediately seize and impound said dog.

Section 3. The said Recorder shall keep a record of all licenses issued under the provisions of this ordinance and shall pay over to the City Treasurer all moneys collected for licenses under this ordinance and said Treasurer shall keep said money in a separate fund to be known as the "dog license fund."

Section 4. It shall be the duty of the Poundmaster and he is hereby authorized to catch and impound, and to sell or kill, and to dispose of any and all dogs found by him within the limits of the City of Salem, the owner or owners of which have failed to procure and pay for a license as provided for in this ordinance. Upon the taking up and impounding of any dog the Poundmaster shall post notices on the City bulletin board and shall send a notice to the owner or owners of such dog if the name of such owner and address is known. Such notice shall state that unless the owner of such dog or other persons having an interest therein shall claim possession of the same and pay all fees and charges of impounding, keeping and advertising the same, together with the sum due the city for licenses thereon, as hereinafter provided, within five days from the date of such notice, the Poundmaster will proceed to sell the said animal at a time and place therein named, not less than five nor more than seven days from the date thereof, to the highest bidder for cash. Such sale shall be public and be held at the city pound, and no bid in any case shall be received for any dog for a sum less than the fees and charges of impounding, advertising, keeping, or selling the same, together with an amount

sufficient to procure a license upon said dog, for which last amount the purchaser or owner shall upon payment thereof receive a license upon such dog for the current license year. The Poundmaster shall be entitled to charge for impounding such animal a fee of one dollar for each male dog, and each spayed female dog, and a fee of three dollars for each unspayed female dog, and for keeping each such dog the sum of twenty-five cents per day. In case a sufficient sum is not bid for any dog to pay all fees, charges, and license fee upon the same, the Poundmaster may at his discretion adjourn the sale from day to day, not more than three days in all, or if no sufficient bid is made for any animal, the Poundmaster is empowered and authorized to kill the same and properly bury or cremate the carcass.

Section 5. No unspayed female dog, or vicious dog shall be permitted to run or be upon the public streets or alleys of the City of Salem, whether licensed or not, unless securely led by a rope or chain by the owner, or keeper thereof, and it shall be lawful for any person to kill any such dog so found at large; and the owner or keeper of any such dog permitting the same to be at large in violation of the provisions of this section, shall on conviction thereof, be punished as herein provided.

Section 6. All dogs more than four months old found within the limits of the City of Salem, without a license tag thereon are hereby declared to be a public nuisance, and any person an inhabitant of the City of Salem, who shall keep a dog or dogs within the limits of the City of Salem, without first having paid the license required thereby by this ordinance and having the number thereof stamped or engraved on a collar upon such dog, or a metal tag attached to such dog, as hereinbefore provided or who shall cause or permit a collar or number to be put on a dog with intent to avoid the payment of a license therefor, shall upon conviction for such offense be punished as herein provided.

Section 7. No person shall hinder or molest any person or persons who may be engaged in seizing any dog, killing or removing the carcass thereof in conformity with this ordinance, under such penalty as is herein provided.

Section 8. It shall be the duty of the Poundmaster to make complaint for all violations of this ordinance, and the sum of three dollars shall be taxed as costs against the defendant upon every conviction for a violation of this ordinance in addition to a fine or imprisonment.

Section 9. All moneys received by the Poundmaster under the provisions of this ordinance shall be by him at once deposited in the city treasury, and a duplicate receipt therefor shall be by him thereupon filed with the Recorder.

Section 10. The Poundmaster shall make a full report each month to the Common Council of all dogs taken, as well as of all dogs killed by him under the provisions of this ordinance.

Section 11. It shall be the duty of the Poundmaster to see that all dogs found upon the public streets, alleys, parks, and squares in the City of Salem, are duly licensed, and to catch, impound, sell and kill, all dogs found upon the public streets, alleys, parks, and squares of said city which have not been duly licensed. Said Poundmaster shall at his own expense provide a suitable and sufficient pound for the impounding of all unlicensed dogs taken by him, and properly feed and care for said dogs while confined in said pound, and shall bear all expense of impounding, advertising, keeping, selling, killing, and disposing of all dogs impounded and that the City of

Salem shall not be liable for such expenses.

Section 12. Any persons violating any of the provisions of this ordinance shall, upon conviction thereof before the City Recorder be punished by a fine of not less than \$5.00 nor more than \$40.00 and in default of the payment of any such fine shall be imprisoned in the city jail one day for each \$2.00 of such fine.

A Pleasant Way to Travel.
 The above is the usual verdict of the traveler using the Missouri Pacific railway between the Pacific coast and the East, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Denver there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars. The same excellent service is operated from Kansas City and St. Louis to Memphis, Little Rock and Hot Springs. If you are going East or South, write for particulars and full information.
