

osing Hair

That is too bad! Been coming out for a long time, has it? So much the worse! But it is not so bad as it might be, for you can stop this falling, and stop it quickly, too! There is one remedy, just one—Ayer's Hair. It stops falling hair, cures dandruff, and keeps the scalp clean and we speak from long experience.

HE SHOT HIMSELF.

Former Secretary of Treasury Tired of Life.
AUG. 3.—E. A. Gage, son of E. A. Gage, formerly secretary of the Treasury, committed suicide in the Tourist hotel by shooting himself in the head with a revolver. He died a few minutes after the only cause that can be ascribed to his death was temporarily insanity. His wife came from Chicago last Monday, having engaged a detective to locate her husband. Friends of the dead man have learned of her presence and are endeavoring to meet her. Gage evidently knew his condition was shadowed, for he registered at the Tourist hotel as J. W. Gage. He went there July 29th. He had at several other places names. None of his friends were in the room but four bottles and another

will best represent the particular subject for that day will preside at each day's meeting. Among these will be Dr. H. G. Weston, the venerable college president and evangelist; Dr. Albert Plumb, of Boston; Joseph P. Calhoun, of Pittsburg; John Wicker, of Trenton; Cleland B. McAfee, of New York; L. C. Chafer, the singing evangelist; Howard W. Pope, of New Haven, who stands for the Northfield extension work; C. H. Tyndall, the scientist, and Len G. Broughton, of Atlanta, who is perhaps the most typical pastor evangelist of the south.
Dr. R. A. Torrey, of Chicago, will be here part of the time and will give the valuable lessons which he has learned in his world-wide campaigns in Australia and England. In addition a strong trio of foreigners, Dr. G. Campbell Morgan, of London; Dr. G. A. Johnston-Ross, of Cambridge, and Dr. Hutton, of Newcastle-on-Tyne, will lecture.

Of Interest to Sick People.

We have all the sympathy in the world for sick people, and want to treat them in a serious way. There is no humor in pain and affliction, but hard earnest fact. It is impossible for the patient to impress on others the extent of suffering they endure, and their anxiety for relief. To get well or be relieved is their one thought. Any remedy that will bring this about has their everlasting gratitude. We have thousands of letters from people who have had dyspepsia, sick headache and bilious attacks, who tell us how thankful they were for having used Dr. Gunn's Improved Liver Pills. They are sold at all drug stores for 25c per box. Only one for a dose. These pills remove the cause of disease and make the skin clear and healthy looking.

Hunter, one of the managers of the orphanage, will have charge of the fair. Mrs. Vanderbilt will have charge of the tea table and will be assisted by Mrs. Natalie Schenck Collins and Miss Laura Swan. Mrs. Paul Andrews will preside over the fancy table and will be assisted by six young ladies in fancy costumes. In the afternoon there will be an exhibition drill by men from the nearby army and navy stations. Among other prominent society women who will assist in the fair, will be Mrs. Harold Brown, Mrs. Charles H. Oelrichs, Mrs. Shafter Howard, Miss Freda Paine, Miss Morgan, Miss Little, Mrs. William H. Mayer, Miss Wetmore and many others.

Terra Haute, Ind., Aug. 3.—The two Chicago lightweight boxers, Herman and Yanger, have been matched to fight a ten-round battle before the Terra Haute club tonight. According to the conditions of the fight the contestants are to weigh 132 pounds each at the ringside. The fight is for the honors and a liberal percentage of the gate receipts. Both are said to be in fine trim for a spirited battle and many sportmen from all parts of the state are here to witness the fight.

Retail Jewelers in Convention.

Rochester, N. Y., Aug. 3.—The national convention of Retail Jewelers opened her today with a large attendance, representing every state in the Union. Many important matters will be discussed by the convention, among them the obnoxious practice of some jewelers to place on the market goods which are of an inferior grade and are falsely marked as goods of a superior grade. This practice is considered inimical to the interests of the trade and an effort will be made to put a stop to it.

Knowlton Conference Opens.

Knowlton, Que., Aug. 3.—The Knowlton conference which has been in existence four years as a summer school for Christian workers, opened again today for a ten-days' session. Christian workers from all parts of the province are in attendance and a highly successful session is expected. Among those present are many prominent ministers and Christian workers, who will deliver addresses before the conference.

KHAKI KNEE PANTS WEDDING COSTUMES OF BRIDE AND GROOM

Reno, Nev., Aug. 3.—Miss Vermilion Dewitt of San Francisco became the bride of Chief Forest Ranger Harry Warr at Carson City yesterday in an unusual ceremony. Both were dressed exactly alike in khaki knee pants, long riding boots, rough hunting coats and men's shirts.

Judge Murphy of the district court performed the ceremony, after which followed by a curious crowd, the couple went to the hotel for dinner. Their dining was so disturbed, however, by the banter to which they were subjected that they left in disgust before the meal was completed.

The bridegroom was discharged from the Floriston Mills some time ago because he divulged inside information as to why the Truckee river was being fouled with refuse from paper mills, the problem involved in a suit now pending in the federal courts. He was a member of Roosevelt's company in Cuba, and on the latter's visit to the west made himself known to the president, who promised to do something for him. His appointment as chief ranger, with headquarters at Tahoe, followed a few months ago.

Adventists Hold Camp Meeting.

Springfield, Mass., Aug. 3.—The annual session of the Springfield Advent campmeeting association will open this evening on the association's camp grounds on Liberty street. The president, the Rev. G. H. Wallace, will preside, and the singing will be conducted by the Rev. C. M. Seamans, of Chelsea, who will also have charge of the children's meetings. The Rev. Miles Grant will have charge of the love feast. The annual business meeting will be held next Tuesday.

An Armless Postmaster.

Auckland, N. Z., Aug. 2.—New Zealand can boast of a postmaster who, for all practical purposes, is armless. Owing to a physical deformity which renders his hands useless he is obliged to, and actually does, all the clerical work of his office with his feet.

His name is Mr. Ernest C. Moon, and he is in charge of the postoffice at To Uku, Auckland. He uses an indelible pencil in his official work, with which he writes clearly and legibly. He is 37 years of age, and has been in charge of the postoffice at Te Uku for the past eleven years. The official reports of the inspectors of the New Zealand postal department shows that Mr. Moon has given every satisfaction in the discharge of his duties. He makes out money orders, postal notes, and the periodical official statements by using his feet. In the same way he applies the date stamp to letters with wonderful rapidity. Mr. Moon can also use a hammer, saw and other carpenters' tools with his feet.

IN STRICT CONFIDENCE.

Women Obtain Mrs. Pinkham's Advice and Help.

She Has Guided Thousands to Health.—How Lydia E. Pinkham's Vegetable Compound Cured Mrs. Alice Berryhill.

It is a great satisfaction for a woman to feel that she can write to another telling her the most private and confidential details about her illness, and know that her letter will be seen by a woman only. Many thousands of cases of female diseases come before Mrs. Pinkham every year, some personally, others by mail. Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham and for twenty-five years under her direction and since her decease she has been advising sick women free of charge.

Mrs. Pinkham never violates the confidence of women, and every testimonial letter published is done so with the written consent or request of the writer, in order that other sick women may be benefited as she has been. Mrs. Alice Berryhill, of 313 Boyce Street, Chattanooga, Tenn., writes: Dear Mrs. Pinkham:—

"Three years ago life looked dark to me. I had ulceration and inflammation of the female organs and was in a serious condition. My health was completely broken down and the doctor told me that if I was not operated upon I would die within six months. I told him I would have no operation but would try Lydia E. Pinkham's Vegetable Compound. He tried to influence me against it but I sent for the medicine that same day and began to use it faithfully. Within five days I felt relief but was not entirely cured until I used it for some time. Your medicine is certainly fine. I have induced several friends and neighbors to take it and I know more than a dozen who had female troubles and who to-day are as well and strong as I am from using your Vegetable Compound."

Just as surely as Mrs. Berryhill was cured, will Lydia E. Pinkham's Vegetable Compound cure every woman suffering from any form of female ills. If you are sick write Mrs. Pinkham for advice. It is free and always helpful.
