

HOPS AT FIFTEEN CENTS

Rumors Are Current of 18-Cent Hops, but Records Show 15 Cents

Rumors have been current for several days of 1906 hops for 18 cents, and many dealers claim to be offering 18 cents, and say they are giving 18, but there has yet been no contracts recorded of sales at a higher price than 15 cents per pound. Wm. Hanson sold 10,000 pounds yesterday to Elias & Prutz for 15 cents, and there have been a few other such sales. In spite of the fact that some growers are selling at 15 cents and less money, many people predict that 20 cents will be offered before many days.

EDUCATORS WILL MEET.

Superintendents and Teachers Will Assemble to Discuss School Legislation.

Needed school legislation will be discussed and recommendations will be made to the next legislature by a meeting of the county and city school superintendents and the principals of the high school of the state, which will be held at the state house October 5 and 6.

While the association is composed of the superintendents and school principals, all teachers and educators, in either public or private schools, are invited to attend and participate in the discussion of the educational questions that may come before the body.

Superintendent of Public Instruction Ackerman believes that the question of needed legislation in regard to the schools will receive more attention than anything else that will come before the association and that the body will formulate recommendations to the next legislature.

There are 33 county superintendents in the state, and half as many city superintendents. All these are expected to be here, and many school principals and other teachers will also attend.

In Self Defense.

Major Hamm, editor and manager of the Constitutionalist, Eminence, Ky., when he was fiercely attacked, four years ago by pills bought a box of Bucklen's Arnica Salve, of which he says: "It cured me in ten days, and no trouble since." Comb Out?

When the hair combs out badly! That is the time you want to know exactly what to do. Here is advice founded on an experience of half a century—Use Ayer's Hair Vigor! It feeds the hair-bulbs, gives life and strength to the hair. The hair stays in, grows rapidly, keeps soft and glossy. There is handsome hair in every bottle of Ayer's Hair Vigor!

TRAINS CHANGE TIME

The Morning Express Arrives Earlier and Afternoon Later

On Saturday, at 12:01 a. m. Southern Pacific trains change time as follows: No. 12 arrives at 4:49 p. m.; No. 11 at 10:38 a. m. These trains now arrive at 3:29 p. m. and 11:13 a. m. They are the trains known as the Shasta overland express.

The forenoon train south will arrive 35 minutes earlier, and the afternoon train an hour and twenty minutes later.

This change in time will enable The Journal to get its last edition north, and bring the Portland morning papers into Salem earlier.

Judge Bennett no doubt thinks the land fraud trials will not compare favorably with the assizes held by Lord Jeffries in England some hundreds of years ago. Accusation then meant conviction, and conviction meant death.

A Chicago professor tells the world that woman was made before man. Now, if he will decide that long-mooted and much-debated question: "Which was made first the egg or the hen?" he will be entitled to roost on the top rung of the ladder of fame.

Jack McEwan, colored, who got from behind the prison bars yesterday morning, got in front of the other bars during the day, and behind the city jail bars last night. He will be before the bar of justice this morning, and no member of the bar will be there to defend him.

A railroad engineer at Cottonwood, a little town on the Northern Pacific has a collection of pet rattlesnakes. Tuesday one of his pets bit into one of his fingers, and he now offers the lot for sale. This borders on an advertisement, but there is nothing too good for Journal readers, and if they want a job lot of rattlers, here is the opportunity.

A Portland girl gave her lover, a lineman, a red rose, so says the Journal last month, and the same afternoon he was electrocuted. At the funeral she met a friend of the dead one, and soon found surcease of sorrow in his company. A few days ago she plucked a rose from the same bush and gave it to No. 2, also a lineman, and the next day he was electrocuted. Next.

WIVES GOT HIS FORTUNE

Swiftwater Bill Made to Give His Last Dollar to His Fourth Wife

A dispatch from Seattle Wednesday says Superior Judge Griffin yesterday morning declared that the widely read and generally believed story of Swiftwater Bill Gates buying a crate of eggs in Dawson, paying \$2 for each egg, is false, and incidentally gave the eccentric miner's reputation of being a spendthrift a stiff jolt.

Judge Griffin declared that he knows that Gates only paid \$7 a dozen, the market price. Had it not been for Kittle Gates, Swiftwater Bill's fourth wife, the story would have never been dispelled. She is now suing him for alimony money and attorney's fees. Gate's attorney says that Gates is a poor man, and that his reputation as a millionaire was the result of the story published about his buying the crate of eggs at \$2 apiece to show his affection for his dancehall sweetheart.

Swiftwater Bill was ordered by the court to pay his fourth wife \$150 a month alimony, and to give her \$2000 for suit money. Gates declared that when he came out of Alaska in July he had \$7000, and Mera Crook, his third divorced wife, got \$2500 under a former order of court; William Wray, his lawyer, received \$2000 for fees; \$400 went to his fourth wife for expenses, together with \$200 for doctor bills. He pleaded that he had but \$800 left, and that he needed all that to outfit himself for another trip to Alaska. Judge Griffin paid little attention to the miner's plea of poverty, and ordered him to pay Kittle the above-named amount.

Rheumatism.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House, El Reno, O. T., writes, June 6, 1902: "I take pleasure in recommending Ballard's Snow Liniment to all who are afflicted with rheumatism. It is the only remedy I have found that gives immediate relief." 25c, 50c, and \$1.00. For sale by D. J. Fry, Salem, Or.

R. O. Thomas Very Much Alive. The Ashland Tidings Monday had an account of the death of R. O. Thomas, for many years station agent at Turner. In answer to a Journal inquiry this morning the long distance operator stated that it was a mistake, that Mr. Thomas was still on this side of the divide, hale and hearty, and apparently good for many more years of active life.

Of Interest to Sick People.

We have all the sympathy in the world for sick people, and want to treat them in a serious way. There is no humor in pain and affliction, but hard earnest fact. It is impossible for the patient to impress on others the extent of suffering they endure, and their anxiety for relief. To get well or be relieved is their one thought. Any remedy that will bring this about has their everlasting gratitude. We have thousands of letters from people who have had dyspepsia, sick headache and bilious attacks, who tell us how thankful they were for having used Dr. Gunn's Improved Liver Pills. They are sold at all drug stores for 25c per box. Only one for a dose. These pills remove the cause of disease and make the skin clear and healthy looking.

SALEM BUILDING BOOM

High Assessments Have No Terrors for Investors

In spite of high valuations placed on Salem real estate by the assessor, there are two new brick buildings going up at Salem. D. F. Wagner has a building started on Court street, thirty feet front, and Judge Maxwell has another brick started on Chemeketa street, 30x60. Welch & Mourer have these contracts.

Indications are that there will be a constantly increasing building boom in this city from now until late in the fall. Many residences are undertaken, and more are planned.

Cures Sciatica.

Rev. W. L. Riley, LL.D., Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation. 25c, 50c, and \$1.00. For sale by D. J. Fry

May Locate Here.

Dr. R. A. Heritage, recently held a musical convention at Tillamook, and came by Salem on his way to Portland, in order to look over the field for the College of Music of Willamette University.

He has a large class in Spokane, but prefers to be connected with the University, and enjoy the delightful Oregon climate. Mr. Heritage went to Portland this morning, and will probably arrange to be with the University the coming season.

Stop That Cough.

When a cough, a tickling or an irritation in the throat makes you feel uncomfortable take Ballard's Horehound Syrup. Don't wait until the disease has gone beyond control. Mr. and Mrs. J. A. Anderson, 354 West 5th St., Salt Lake City, Utah, write:

"We think Ballard's Horehound Syrup the best medicine for coughs and colds. We have used it for several years; it always gives immediate relief, is very pleasant and gives perfect satisfaction." 25c, 50c, and \$1. For sale by D. J. Fry, Salem, Or.

To Reopen the Edison.

Percy Brigham, of the Cooper-Brigham Stock Company, returned yesterday from Portland, where he has been arranging for the opening of the Edison.

The little play house is being remodeled, and new opera chairs will be put in, a new company will be secured, and performances that are both entertaining and of a high moral standard are promised.

Help Is Scarce.

The owners of threshers are having some trouble this season to keep their crews. The grain is heavy, and the run this year is longer than usual, therefore many of the helpers must stop work, owing to the hops and fruit.

It is reported that several threshers may discontinue their run, which will be a disadvantage to many who have their grain unthreshed.

Herbine.

Renders the bile more fluid, and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink.

G. L. Caldwell, Agt. M. K. and T. R. R., Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well." 50c. For sale by D. J. Fry.

Lane's Big Apple Crop.

County Fruit Inspector H. F. McCornack is of the opinion that the apple crop in Lane county this year will be the largest ever gathered. He says that in the orchards which have been sprayed the fruit pests are conspicuous by their absence and the apples are the finest he ever saw, but in orchards where no spraying has been done the fruit is wormy and in most instances is entirely unmarketable. Prunes, plums and pears are also very plentiful, but the peach crop, on account of the cold snap in March, is practically a complete failure.—Eugene Guard.

NEW HOSPITAL BUILDING.

Additions Will Be Made to the Indian School at Chemawa.

The government is advertising for bids for the construction of a hospital building at the Salem Indian Training school, at Chemawa. The new building is to be 80x32 feet, two stories in height, with two wings each 24x30 feet. The new structure will be on the east side of the railroad track, north of the assembly building.

The amount appropriated for this work is \$15,000, and the pay for the supervisor of construction also comes out of this fund.

At the same time a new bakery will be constructed at a cost of \$4000. This building will be constructed in the latest and most approved style, and will have a rotary oven, and all the best sanitary arrangements.

FROM PRISON TO PRISON.

Colored Convict Whose Term Expired in Penitentiary Breaks Into City Jail.

Jack McEwan, a colored man, whose term of one year at the state penitentiary expired yesterday, celebrated his advent into the world of freedom by getting beastly drunk. A night policeman found him sleeping in an alley and tenderly gathered him in.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Charged With Forgery.

Tuesday's Eugene Guard says: Sheriff Fred Fisk arrived home today from Lewiston, Idaho, bringing with him James Davis, who had been arrested there upon a warrant issued here, charging him with forgery, alleged to have been committed here last December. It is alleged that Davis, who is a mere youth, forged a check for \$75, drawn on Joseph Doran, and forged Miss Agnes Doran's endorsement to it. He was accompanied back to Eugene by his mother, who will employ attorneys to defend him.

Davis was lodged in the county jail, and will have his preliminary examination before Justice of the Peace Bryson tomorrow.

Robbing Yourself

That is just what you do when you fail to get regular and sufficient sleep. Your body requires this unconscious period for repair work; without it your nerve energy comes exhausted, and you are tired, worn-out, nervous, irritable; have headache, neuralgia, indigestion, poor appetite, or other ailments caused by a lack of nerve force. Make it your business to sleep, you are restless, Dr. Miles' Nervine; it soothes and strengthens the nerves and brings sweet, refreshing life-giving sleep, and gives organs power to work naturally. Try it to-day.

"I had a severe spell of fever, which left me in a very weak condition, very nervous. I had severe headache and neuralgia, and could sleep but very little. Every effort was made to recover my strength, but of no avail until I began taking Miles' Restorative Nervine. At once commenced to take the Nervine, sleep was profound and restful, the pains in my head, as well as neuralgia pains, left me to a great extent and I grew gradually better." MRS. E. E. GILBERTSON, 821 Berylan Ave., Belvidere, Ill.

Dr. Miles' Nervine is sold by every druggist, who will guarantee that first bottle will benefit. If it fails, we will refund your money.
