

Given Away Absolutely Free, January 1st 1907 \$125.00 Diamond Ring

By Dr. B. E. Wright The Painless Dentist

Mr. L. C. Pennell got the first one Valued at \$150. Mr. Fred J. Browning of the Woolen Mills got the second one Valued at \$90.

Who Will Get the Third One Valued at \$125?

Every Dollar you spend at my office for Dentistry gives you an opportunity to get this valuable Present. Why do I do it? Simply this: I wish to convince the skeptical that I do all work absolutely without pain. I can afford to give part of the profits of my Business to some one of my patrons and you not only get painless work, but the highest class workmanship. Some will say, well you pay for the ring in extra prices on the work. You do nothing of the kind, the prices remain as always. The lowest by far of any Dentist in the city. Get their Prices before having work done. Then Come to me, and I'll promise to save you money.

CONVINCING PROOF

June 13, 1906.—I had Dr. Wright re-
place a bridge which was put in my
mouth by another dentist and insert
me by his painless method. He also
extracted a tooth for me, and I must
say the work was painless and looks
perfectly natural.
MRS. E. E. WIRSING.

June 9, 1906.—A year ago Dr. Wright
put two bridges in for me by his pain-
less method, and they have given ex-
cellent satisfaction. So much so that
I have today put on a gold crown,
which was done without pain. If you
want satisfactory work go to Dr.
Wright.
MRS. G. F. YOUNG,
R. F. D. No. 1, Salem.

June 7, 1906.—Dr. Wright put in a
bridge, two crowns and filled five teeth
for me, and I can say the work was
painless and entirely satisfactory.
MRS. J. F. SAUNDERS,
Gervais, Or.

July 25, 1906.
Dr. B. E. Wright is certainly a
time saver and foe to pain. He put
on two gold crowns, one porcelain
crown, and put in a large gold fill-
ing in about 2 1/4 hours. His work
was painless and is satisfactory. The
work was all done in the time it re-
quired another dentist to put in one
filling.
CHAS. GEHLEN,
Stayton.

June 8, 1906.—Dr. Wright put in two
bridges for me and several gold fill-
ings, absolutely without pain. They
are highly satisfactory and I am now
having him insert two more bridges.
Candidly, if you want high-class, pain-
less dentistry, my advice is to go to
him.
MRS. PETER ZILINSKI,
Brooks, Or.

July 25, 1906.
If Dr. Wright can't please you
with a set of teeth, no dentist can.
I had a partial lower plate made
some years ago, and which was worth-
less. I went to Dr. Wright and he
made me one which does the work
like natural teeth.
MRS. KYLE,
1648 Mission.

June 9, 1906.—Dr. Wright made me
a full lower plate to replace the one I
had made by another dentist, and it is
a perfect fit.
MRS. W. FENNEL,
803 Liberty St., Salem.

July 4, 1906,
If you want painless dentistry, go
to Dr. B. E. Wright. He put on a
crown for me absolutely without
pain.
C. D. SLAUGHTER,
Scotts Mills, Ore.

June 24, 1906.—I had a tooth ex-
tracted by Dr. Wright's painless meth-
od, and can say that it didn't hurt a
particle.
B. VAUGHN,
Salem, Or.

Aug. 22, '06.
Dr. Wright put on a gold crown for
me by his Painless Method and I can
say the work is highly satisfactory.
Mrs. E. J. Anderson,
Woodburn, Ore.

July 31, '06.
Dr. Wright made me a full upper
set of teeth, which fit perfectly. He
also made me a partial lower set,
which does the work like natural
teeth, sitting in place, solid, without
any movement whatever. I had a
lower set made by another dentist,
but found them worthless. If you
want perfect fitting teeth go to Dr.
Wright.

Deafness Cannot Be Cured
By local applications, as they cannot
reach the diseased portion of the
ear. There is only one way to cure
deafness, and that is by constitu-
tional remedies. Deafness is caused
by an inflamed condition of the mu-
cous lining of the Eustachian Tube.
When this tube is inflamed you have
a rumbling sound or imperfect hear-
ing, and when it is entirely closed,
deafness is the result, and unless the
inflammation can be taken out and
this tube restored to its normal con-
dition, hearing will be destroyed
forever; nine cases out of ten are
caused by Catarrh, which is nothing
but an inflamed condition of the mu-
cous surfaces.
We will give One Hundred Dollars
for any case of Deafness (caused by
catarrh) that cannot be cured by
Hall's Catarrh Cure. Send for cir-
culars, fee.
