

All Oregon Will Be at the STATE FAIR For 1906.

From Sept. 10 to 15 inclusive at the State Fair Grounds Near Salem

In both quality and quantity of exhibits, and in every other way, it will be the greatest State Fair in the history of Oregon. Never before was there such widespread interest in this institution. A visit to the State Fair of 1906 will be a liberal education. It will show you what Oregon has done, and, more important, it will point the way to the magnificent possibilities of the future. No one can afford to miss the Oregon State Fair for 1906. Few patriotic people who can spare the time will miss it.

LOWLY ESCAPED SERIOUS ACCIDENT

Perkins Was Painfully Cut in Opening Bundle of Papers. Philip Perkins, son of W. T. Perkins, Court street, sustained quite a painful injury last Saturday evening. "Phil" is one of the Portland boys and when the papers were thrown off the local last Saturday there was a race, as usual, to them. In cutting one of the papers open, the knife that was being used by one of the boys slipped, and "Phil's" arm just below the elbow, cutting a long gash and just missing an artery. Philip was taken to a hospital and a physician called, who made four stitches in the arm to close the gaping wound.

Galveston's Sea Wall. Life now as safe in that city as the higher uplands. E. W. Hise, who resides on Dutton St., Galveston, Tex., needs no sea wall for his life. He writes: "I have used King's New Discovery for Consumption the past five years, and it has kept me well and safe. Before that I had a cough which for years was growing worse. Now it's all cured. Cures Chronic Coughs and Croup, Pneumonia. Pleasant to take. Every bottle guaranteed at \$1.00. Trial bottle free.

FIRES BURNING YET.

Four Square Miles of Woodland on the Santiam Burned Over. Flames have swept over a tract of land near the Santiam and Breitenbush rivers in Marion and Linn counties, ten miles long and five miles wide. All this country has been practically denuded of timber and in some places the fire is still burning. The dense cloud of smoke which developed that part of the valley was a funeral pall, has almost disappeared and people in the vicinity can breathe easier, and with a great deal of comfort.

EVERY CHANGE OF THE WEATHER.

Back Is Always Worse During Wet or Changeable Weather. Does your back like a barometer? Does it foretell every change of weather? Does every cold settle on your kidneys? Being aching, throbbing pains? Does it disorder the urine. The kidneys are calling for help. Doan's Kidney Pills. Guaranteed by Salem testimony. W. H. Wood, carpenter, of 250 Cottage street, Salem, Ore., says: "A few years ago I got badly kicked by a mule right over the kidneys. At another time while digging a well it caved in on me, also injuring my back, and since then I have had more or less annoyance from my kidneys. Change of weather caused my back to ache and when I worked hard became so lame that I could hardly get up after stooping. I procured Doan's Kidney Pills at Stone's drug store, and since taking them, although I have continued to work hard and been exposed to severe weather, I am free from all the aches and other symptoms of my former trouble remains. This clearly proved that Doan's Kidney Pills act on the representations made for them. I also know of other people who have derived great benefit from their use. I am glad to let others know the merits of Doan's Kidney Pills for backache and kidney trouble." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and get no other.

After Many Years.

S. Scofield, of Providence, R. I., is in the city for a few days renewing old acquaintances. Mr. Scofield was a resident of Salem 60 years ago and worked in the attorney general's office in the late fifties. The civil war coming on caused him to return to the East, and this is the first visit he has made since then to the Pacific coast.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Maples Still Popular.

"The Maples," the pretty resort over on the Polk county side of the Willamette river, is still a popular Sunday evening resort. The Maples orchestra rendered an excellent program and a large crowd was present to enjoy the music, the moonlight and the river last night.

Herbine.

Renders the bile more fluid, and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink.

G. L. Caldwell, Agt. M. K. and T. R. R., Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well."

Higher Rates for Flour.

Chicago, Ill., Aug. 27.—The order of the western railroads, abolishing the lower rates for transportation of flour heretofore granted, went into effect today and after this the same rate will be charged for the transportation of flour as for the transportation of wheat. This is a great victory for the Chicago millers, because it enables them successfully to compete with the millers of Minneapolis and other western cities.

Cures Sciatica.

Rev. W. L. Riley, LL.D., Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation. 25c, 50c, and \$1.00. For sale by D. J. Fry."

A Pleasant Way to Travel.

The above is the usual verdict of the traveler using the Missouri Pacific railway between the Pacific coast and the East, and we believe that the service and accommodations given merit this statement. From Denver, Colorado Springs and Denver there are two through trains daily to Kansas City and St. Louis, carrying Pullman's latest standard electric-lighted sleeping cars, chair cars and up-to-date dining cars. The same excellent service is operated from Kansas City and St. Louis to Memphis, Little Rock and Hot Springs. If you are going East or South, write for particulars and full information.

DON'T BE A GOOSE.

In shoes by wearing hot, heavy, and altogether uncomfortable footwear in warm weather. We have so many varieties of the low, ankle-cooling style that there is no excuse for self-inflicted foot torture. Just as nobby, too, as the high price fellows, and our scale of prices requires no deep descent into one's purse. We ask a candid opinion of our stock when you have looked it over.
