

Good Blood

Good blood, good health; bad blood, bad health; there you have it. Why not help nature just a little and change the bad to the good? Bad blood to good blood; poor blood to rich blood! Ask your doctor how this applies to Ayer's Sarsaparilla, and how it applies to you! Could anything be more fair?

We have no secret! We publish the formula of all our medicines! J. C. Ayer & Co., Lowell, Mass.

THOSE THAT PAY AND THOSE THAT DO NOT

The following list of the insurance companies involved in the San Francisco disaster, classified according to their performances and the adjustment of settlement of loss claims, is furnished by the San Francisco Examiner. The list is pronounced correct, though subject to constant change, as companies leaving the dollar-dollar column and others returning to it. The list of companies who have decided to repudiate responsibility is correct.

The classification is made from common report, based upon the experience of insurance men as well as policy holders dealing with various companies. The dollar-for-dollar list has been discarded in favor of a list of companies that are making honorable settlements without regard to the division of the underwriters' adjusting bureau they may be found in. Cases of doubt have been resolved in favor of the corporations. For convenience the companies are arranged alphabetically.

Class A.—The companies in this class are believed to be making equitable adjustments of lost claims. Concerning some of these there has been question from the first. Others, uncertain quantities at first, have gradually fallen into line. Some are known to be exacting liberal discounts for cash, but they are distinguished from those in the classes below in that their adjustments and settlements are made on a fair business-like basis.

Of Interest to Sick People.

We have all the sympathy in the world for sick people, and want to treat them in a serious way. There is no humor in pain and affliction, but hard earnest fact. It is impossible for the patient to impress on others the extent of suffering they endure, and their anxiety for relief. To get well or be relieved is their one thought. Any remedy that will bring this about has their everlasting gratitude. We have thousands of letters from people who have had dyspepsia, sick headache and bilious attacks, who tell us how thankful they were for having used Dr. Gunn's Improved Liver Pills. They are sold at all drug stores for 25c per box. Only one for a dose. These pills remove the cause of disease and make the skin clear and healthy looking.

The Texas Wonder.
Cures all kidney, bladder and rheumatic trouble; sold by all druggists, or two months' treatment by mail for \$1. Dr. E. W. Hall, 2926 Olive street, St. Louis, Mo. Send for testimonials. Sold by Stone's drug stores. 4w-1yr.
