Selecting a shirt here is as easy as selecting hosiery or underwear, or neckwear, on account of the great variety of new styles and patterns. Perhaps you can buy furnishings at a lower figure elsewhere, but not for the grade of goods we sell.

Reflections of a Bachelor.
A man can keep a fair share of his popularity by not running for office. It's very wrong to do an improper thing you are going to get caught at.

What a woman likes about spooning in the moonlight is the way it doesn't hurt her complexion.

A woman would be much crosser than she is if she wasn't so busy trying to keep her husband from getting cross.

There is hardly anything that tickles a woman so much as to have you happen to remember her boy's name when you just happen to guess it. —New York Press.

MANY A MAN

is a critic because he likes to be contrary. You can go contrary to the wishes of your friends and neighbors and sometimes get the best of them; but go contrary to the dictates of nature and you always get the worst of it.

If Nature Says Specialties,

Why, Spectacles it must be.

Nature won't accept just Spectacles, though; they must be right Spectacles. We can give the kind nature demands, and our prices are right, too.

POLAND HAS WON TROUBLE

Siedlec, Sept. 10.—The troops used artillery today and destroyed many buildings on the three central streets the revolutionists firing at the soldiery from the windows are meeting with no little success. Six buildings are now in flames, and the fire is spreading. Both sides expect reinforcements. A famine is threatened, as the rioters have destroyed all the bake shops, and the survivors of the outbreak are destitute. Five thousand Jews are starving. The officers, in many instances, led their men to the attack, instead of quelling the disturbances. The Libau regiment of Infantry was the most active.

Tuck Examination Tomorrow.
Ed. Tuck and Mrs. Elva Tuck were arraigned this morning before Justice of the Peace Webster, charged with an assault on Mrs. Lee Paterson, and their preliminary examination was set for tomorrow morning at 10 o'clock.

Mrs. F. X. Hofer, of Rowland, Or., is in the city visiting relatives and friends. She is accompanied by her son, Fred, who is a student at O. A. C.

Mrs. Harrison A. Green and Miss Lillian Metschan, of Portland, are state fair visitors.

H. G. Luker and wife, for eight years at Salem, now of Boise, Idaho, is at the fair for a few days.
