Number of Dead Unknown But Estimates
Are 75 With 250 Injured Many
of Whom May Die

Jellico, Tenn., Sept. 21.—Two cars
of dynamite exploded here this

estimating the dead from 70 to 1000.
The explosion occurred on the Louis-

injured, some of whom will prob-
ably die.

Jellico, Sept. 21.—It is expected
the list of injured will reach 250.
Some who were near declare the ex-
plosion was caused by Walter Rey-
nolds, agent of a brewery at Cincin-
nati, who was shooting sparrows
with a small rifle, and sent a bullet
into the car. Reynolds' body was
torn to pieces. Others declare that
in switching the car was allowed to
bump another. Portions of human
bodies are being picked up every few
minutes. The railroad agent says
the explosion was caused by one of
three men shooting at a target nailed
on the car.

of Cook county was laid this after-

the governor, mayor and county offi-
cials were the principal participants.
A military parade preceded the cere-
monies. At 3:30 Fairbanks spoke.
He felicitated the county upon its
prosperity and greatness, and, with
Mayor Dunne, the apostle of municipal
ownership on the platform, the
vice-president launched into a den-
unciation of government or state
ownership of railroads or any other
utility, the administration of which,
he declared, properly belonged to the
people in their individual or corpor-
ate capacity. He said government
ownership would be a step toward
destruction of this form of govern-
ment, and the admission of weakness
in the body politic.

THE CUBAN SITUATION IS SERIOUS

If Report of Rebels Firing on U. S. Mar-
ines is True There is Going to Be
Something Doing With
the "Greasers"

Havana, Sept. 21.—A paper today
prints a dispatch from Cienfuegos
saying the sailors from the Marietta,
garrisoning the Soledad sugar plan-
tation, were fired upon by rebels,
and returned the fire. The rebels
fled. The situation in Southern Cuba
is most critical.

Havana, Sept. 21.—The indica-
tions are that Taft will not be able
to settle the difficulty without defi-
nite and real intervention, and the
landing of an army. It is known that
Taft is in constant communication
with Roosevelt, and it is reported the
situation is much more critical than
was supposed. Government leaders
told Taft they could whip the insur-
gents, but could not possibly protect
foreign property, and therefore ask
Taft to bring American troops to
suppress the insurrection.

Washington, Sept. 21.—The navy
dispatches announce the arrival at
Havana this morning of the battle-
ships Louisiana and Virginia and the
cruisers Tacoma and Cleveland. The
Minneapolis and Newark are expect-
ed to arrive tonight or early in the
morning.

Havana, Sept. 21.—Following the
publication this afternoon of a threat
from Guerra to march on Havana,
unless the government at once ceased
the mobilization of troops, comes a
well authenticated rumor emanating
from the palace that Taft and Bacon
have virtually concluded that inter-
vention by the United States at an
early date is the only solution of the
present Cuban crisis.

CITY A VAST MORGUE

Business Suspended While
Hong Kong Burles
Its Dead

Hong Kong, Sept. 21.—The Balu-
chistan and West Kent regiments are
working today helping to clear the
debris left by the typhoon. The dead
are being carried away by cart loads.
Shipping is resumed, but is ham-
pered by the scarcity of lighters.

Havana, Sept. 21.—Guerra made
his threat to Major Ladd, of the
United States Army and Dr. Lane, a
naturalized citizen of Cuba. Ladd
and Lane visited Guerra at his camp,
and found him commanding 5000
men well equipped and mounted.
They attended a review at which
Guerra delivered his ultimatum,
adding that nullification of the last
election was the only move would
cause his men to lay down their
arms. It is believed that Taft con-
veyed to Oyster Bay a recommenda-
tion for intervention.

Hong Kong, Sept. 21.—There are
scores of funerals today. As fast as
bodies are identified they are turned
over to their relatives. The authori-
ties are making good use of Ameri-
can sailors from the gunboat Callao.
The Yankee tars work willingly.
Many buildings damaged must be
razed. The estimates still cling to
5000 dead and the loss is \$20,000,-
000.

Ten Thousand Dead.

Hong Kong, Sept. 21.—The entire
fleet of 600 fishing junks was lost in
the typhoon. This increases the mor-
tality to 10,000.

WANTS JUDGE BOUNCED

Salt Lake, September 21.—Judge
Armstrong, of the district court, to-
day issued a citation against County
Attorney P. P. Christensen, to show
cause why Christensen should not be
removed from his office. Suit was
brought at the instance of Mostyn
Owen, who last week swore to a
complaint charging Smith with adu-
ltery. Christensen refused to issue a
warrant, claiming there was insuffi-
cient evidence to convict.

was issued today for the arrest of C.
B. VanAuker, cashier of the State
Bank at Rainier, Oregon, charged
with embezzlement of \$1627 of the
bank's funds. He escaped from the
detectives last night, and is now a
fugitive from justice. He was seen
in Portland this morning. VanAuker
was found bound in the bank Labor
Day. He told a sensational story of
being held up and robbed. It is al-
leged the cashier lost the money at
gambling, and devised the fake rob-
bery to cover his speculations.
Portland, Sept. 21.—VanAuker
was arrested here this afternoon.

Elizabethgrad, Russia, Sept. 21.—
