

# A Mild Laxative

Ask your doctor to name some of the results of constipation. His long list will begin with sick-headache, biliousness, dyspepsia, thin blood, bad skin. Then ask him if he would recommend your using Ayer's Pills for constipation. Just one pill at bedtime, a few times, that's all. We have no secret! We publish the formulas of all our preparations.

J. C. Ayer & Co., Lowell, Mass.

## SOCIAL EVENTS

Mrs. J. B. Horner, of Corvallis, who has just returned from abroad and whose fame as a hostess is well known, held a reception at Cauthorn hall, Thursday afternoon from 2:30 to 5:30, which was one of the most pleasant social events of the season. Mrs. Horner was assisted in receiving by Mrs. Thomas M. Gatech and a committee of young ladies from the Y. W. C. A. the affair being given under the auspices of the latter organization.

The guests included all the college girls, the ladies of the faculty, the members of the advisory committee of the Y. W. C. A. and all the ministers' wives of the city.

The handsome pink dining room at Cauthorn hall was beautifully decorated with clematis and sweet peas, the tables being very artistic in arrangement and decoration.

Mrs. Thomas Callahan and Mrs. S. N. Wilkins presided at the tables and served tea and wafers to all. Over three hundred guests enjoyed the afternoon and everyone declares the occasion to have been one of great pleasure.—Corvallis Gazette.

### Opened Its Doors.

The college at Philomath was opened for the year's work last Wednesday with appropriate exercises, and a large number of visitors were present to witness the event.

There are three new teachers this year, viz: Prof. J. C. Goodrich, late of Riverside, California; Prof. Greesly, of McKeysport, Pa., and Mrs. McConnell, of Grants Pass.

The program Wednesday was as follows: Opening address, by Bishop N. Castle; address of welcome, Prof. O. V. White; reading, Miss Gertrude Johnson; piano duet, Mrs. Gertrude Fisher, Miss Shoak; vocal duet, Mrs. Fisher and Prof. Goodrich.

### The "Pixie" Entertainment.

"The Pixie" is the name of the cantata which is to be given at the Grand Opera House in the near future by local talent. It is to be given as a benefit for the Y. M. C. A. swimming pool fund, and a large number of the society ladies of the Capital City are interested in the work. W. A. Milne, the director, is from Seattle, and he will be here Friday for the first rehearsal. A committee of ladies has been secured to aid in getting the children and young people to take part, and are as follows: Mrs. F. A. Wiggins, Mrs. E. T. Barnes, Mrs. Derby, Mrs. W. N. Gatech, Mrs. Geo. A. Forbes, Mrs. Frank Power, Mrs. Peter Graber and Miss Swartz. Boys and girls between the ages of 7 and 14 years

are expected to meet at 4 o'clock Friday afternoon at the First Congregational church, and those between 15 and 18 at the same place at 7:30 in the evening.

The following ladies, Mrs. W. N. Gatech, Mrs. B. O. Schucking, Mrs. G. A. Forbes, Mrs. E. T. Barnes and Mrs. Powers will be present at all rehearsals, and Miss Nina Bushnell, the accompanist, will be present at all times to represent the Y. M. C. A. In fact Miss Bushnell will be the one who will receive and solicit the names of those who are willing to take part.

### The Dog Ordinance Again.

The dog ordinance of the city of Salem had another inning in Judge Galloway's court Tuesday afternoon. A legal bout between Attorney Condit, for the city, and "Web" Holmes, for "Stub" Smith, was the feature of the afternoon's session. The nice points of the case were carefully gone over and the demurrer to the amended complaint was argued and taken under advisement. The attorney representing the plaintiff attacked the constitutionality of the ordinance in that it provides imprisonment for the failure to pay the tax. In the case of failure to pay a tax the property can be taken away but no imprisonment can be imposed. The city attorney on the other hand holds that the so-called dog ordinance is not a tax but a license issued to the owner for the privilege of keeping a dog.

### A Young Mother at 70.

"My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until 6 months ago, when she began taking Electric Bitters, which have completely cured her and restored the strength and activity she had in the prime of life," writes Mrs. W. L. Gilpatrick, of Danforth, Me. Greatest restorative medicine on the globe. Sets stomach, liver, and kidneys right, purifies the blood, and cures malaria, biliousness and weakness. Wonderful nerve tonic. Price 50c. Guaranteed by J. C. Perry's drug store.

Mrs. Mary Denoyer, of Ontario, aged 70 years, died at that place Monday.

### The Best Doctor.

Rev. E. C. Horton, Sulphur Springs, Tex., writes, July 19, 1902: "I have used in my family Ballard's Snow Linctum and Horehound Syrup, and they have proved certainly satisfactory. The linctum is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last 8 years."

Sold by D. J. Fry's drug store.

## FOOTBALL SPIRIT IN THE AIR High School Has Good Material for a Winning Team.

The do-and-die spirit is the kind that appears to have taken hold of the lovers of football at the high school. Last evening a score of footballists met on the gridiron in response to the call issued by Captain Jones. Not only are the players and prospective candidates themselves imbued with the football spirit but the whole student body is actively interested in the success of the team. It is not yet known who will coach the team but a clever coach will be secured. Manager Mott is looking about for the right man and before many days a choice will be made for that position. There is an abundance of raw material at the school which if properly whipped into shape would add to the strength of the aggregation. It is difficult at this time to predict the outcome of the football season for the high school but the prospects at the opening of the season are exceedingly bright. Among the men who are looked upon as able to make the team are Paul Miller, who played a guard position last year and who will probably be seen at tackle. His friends believe he will be a tower of strength in his new position. The quarterback position, as far as can be ascertained, will go to Lloyd Farmer, who plays a clever game, and who has one of the clearest heads of the whole bunch. Glen Miller is trying at center and has the weight that counts. At end Ralph Moores is a comer and will undoubtedly make good. There are other candidates who were not present at the practice last evening who will be heard from before the end of the season.

## A Reasonable Plea For the Stomach

If Your Stomach is Lacking in Digestive Power, Why Not Help the Stomach Do Its Work—Especially When It Costs You Nothing to Try?

Not with drugs, but with a reinforcement of digestive agents, such as are naturally at work in the stomach. Scientific analysis shows that digestion requires pepsin, nitrogenous ferments, and the secretion of hydrochloric acid. When your food fails to digest, it is proof positive that some of these agents are lacking in your digestive apparatus. Stuart's Dyspepsia Tablets contain nothing but these natural elements necessary to digestion, and when placed at work in the weak stomach and small intestines, supply what these organs need. They stimulate the gastric glands and gradually bring the digestive organs back to their normal condition.

Stuart's Dyspepsia Tablets have been subjected to critical chemical tests at home and abroad, and are found to contain nothing but natural digestives.

Chemical Laboratory, Telegraphic address, "Diffido," London. Telephone No. 11,929 Central, 20 Cullum St., Fenchurch St., E. C.

London, Aug. 1905.

I have analyzed most carefully a box of Stuart's Dyspepsia Tablets (which I bought myself at a city chemist's shop for the purpose), manufactured by the F. A. Stuart Co., Temple Chambers, London, C. E., and have to report that I cannot find any trace of vegetable or mineral poisons. Knowing the ingredients of the tablets, I am of opinion that they are admirably adapted for the purpose for which they are intended. (Signed)

JOHN R. BROOKE,  
F. I. C., F. C. S.

There is no secret in the preparation of Stuart's Dyspepsia Tablets. Their composition is commonly known among physicians, as is shown by the recommendation of 40,000 licensed physicians in the United States and Canada. They are the most popular of all remedies for indigestion, dyspepsia, water brash, insomnia, loss of appetite, melancholia, dysentery, and kindred disease originating from improper dissolution and assimilation of foods because they are thoroughly reliable and harmless to man or child.

Stuart's Dyspepsia Tablets are at once a safe and a powerful remedy, one grain of these tablets being strong enough (by test) to digest 3000 grains of steak, eggs and other foods. Stuart's Dyspepsia Tablets will digest your food for you when your stomach can't.

Ask your druggist for a fifty-cent package or send direct to us for a free trial sample package and you will be surprised at the result. F. A. Stuart Co., 64 Stuart bldg., Marshall, Mich.
