

When The Kidneys Are Weakened by Over-Work.

Healthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold in its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle

Home of Swamp-Root. by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. VETERANS INITIATE NEW HALL

Sedgwick Post, G.A.R. Celebrated Its Twenty-Fourth Anniversary

With music, melody and mirth, song and story, oratory and enthusiasm, the remnant of grizzled veterans who wore the blue in the defense of the Union 40 years ago, who now form Sedgwick Post, Grand Army of the Republic, celebrated the 24th anniversary of the post last night, and at the same time dedicated the new post headquarters in Commercial Hall, at Center and Commercial streets.

The ceremonies were attended by a large number of the members of the Woman's Relief Corps, as well as others. Interesting speeches were made by different comrades, most of them charter members, and an interesting program of songs, music and reading were carried out.

After the meeting had been called to order, Frank Davey read letters from Comrades J. W. Crawford, of Corvallis; J. A. F. Wheeler and C. S. Rockenfield, of Portland. Speeches were made by T. C. Smith and Comrades Simpson, Briggs, Drager, Erb, and Howard. Frank Davey also made a short speech.

The program was commenced by singing "America" by the entire assembly, followed by a prayer by the chaplain. After the roll call Miss Emerson favored the audience with a piano solo. Miss Byers then gave a vocal solo. Miss Vera Wright pleased the audience with a recitation; Miss Emerson rendered a vocal solo; Miss Byers gave another reading in a very charming manner, and the program was concluded by a piano duet by the Misses Fisher.

The Woman's Relief Corps presented all the members of the Post with beautiful souvenir badges, appropriately engraved. These were distributed by Post Commander Stolz.

The following is the list of the charter members of Sedgwick Post, and the addresses of those who are known to be living. Fourteen are known to be dead, and the whereabouts of three is unknown. The list is:

Nature's Way Is Best.

The function strengthening and tissue building plan of treating chronic, lingering and obstinate cases of disease as pursued by Dr. Pierce, is following after Nature's plan of restoring health.

He uses natural remedies, that is extracts from native medicinal roots, prepared by processes wrought out by the expenditure of much time and money, without the use of alcohol, and by skillful combination in just the right proportions.

Used as ingredients of Dr. Pierce's Golden Medical Discovery, Black Cherry-bark, Queen's root, Golden Seal root, Bloodroot and Stone root, specially exert their influence in cases of lung, bronchial and throat troubles, and this "Discovery" is, therefore, a sovereign remedy for bronchitis, laryngitis, chronic coughs, catarrh and kindred ailments.

The above native roots also have the strongest possible endorsement from the leading medical writers, of all the several schools of practice, for the cure not only of the diseases named above but also for indigestion, torpor of liver, or biliousness, obstinate constipation, kidney and bladder troubles and catarrh, no matter where located.

You don't have to take Dr. Pierce's say-so alone as to what he claims for his "Discovery" is backed up by the writings of the most eminent men in the medical profession. A request by postal card or letter, addressed to Dr. R. V. Pierce, Buffalo, N. Y., for a little book of extracts from eminent medical authorities endorsing the ingredients of his medicines, will bring a little book free that is worthy of your attention if needing a good, safe, reliable remedy of known composition for the cure of almost any old chronic, or lingering malady.

Dr. Pierce's Pleasant Pellets cure constipation. One little "Pellet" is a gentle laxative, and two a mild cathartic.

The most valuable book for both men and women is Dr. Pierce's Common Sense Medical Adviser. A splendid 1008-page volume, with engravings and colored plates. A copy, paper-covered, will be sent to anyone sending 21 cents in one-cent stamps, to pay the cost of mailing only, to Dr. R. V. Pierce, Buffalo, N. Y. Cloth-bound, 31 stamps.

used last night for the first time. The rooms are large, commodious and well arranged. The hall will be a very desirable place in which to hold society meetings, banquets, dances, etc.

SOME REASONS.

Why Salem People Should Follow This Valuable Advice.

Because this proof is in Salem. You can easily investigate it. Not necessary to experiment. With some untried remedy. Profit by the experience of a citizen.

N. S. Williams, carpenter, of 259 Liberty street, Salem, Oregon, says: "A number of years ago the doctors told me my kidneys were in bad shape. I came west on account of the trouble, thinking the change of climate would help me, but nothing I did gave me relief in spite of the use of remedies and medical treatment. On procuring Doan's Kidney Pills I found them the best medicine I ever used. At the time I got them at Dr. Stone's drug store I was suffering from an intense burning sensation as if two live coals were placed directly over my kidneys, the secretions from the kidneys were the color of strong black coffee and had a bad odor. After using two boxes of Doan's Kidney Pills I did not have the least pain in my back or trouble with the kidneys. I give all the credit for this to your valuable remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co, Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's and take no other.

Mrs. Brown's Funeral.

The funeral of the late Mrs. Mary J. Brown was held yesterday afternoon from the residence on Cottage street and the services were conducted by Rev. Mr. Babcock of the Presbyterian church. The interment was at the Odd Fellow cemetery.

Undigested Food

When any portion of food remains in the stomach and refuses to digest, it causes the torments of indigestion. This undigested food rapidly ferments, irritating the sensitive coating of the stomach, while other parts of the body, particularly the head, suffer in consequence. So long as this undigested food remains in the stomach, the discomfort continues. A few doses of

BEECHAM'S PILLS

stop all fermentation, sweeten the contents of the stomach and give natural assistance that relieves the stomach of its burden. The use of Beecham's Pills gradually strengthens the stomach nerves and soon restores them to a normal, healthy condition. Beecham's Pills positively cure all stomach troubles, while their beneficial effects on the liver and kidneys greatly improve the general health. Beecham's Pills have been used and recommended by the general public for over fifty years. Sold Everywhere in Boxes. 10c and 25c.

School Superintendents to Meet. Superintendent Ackerman has given notice of a meeting of the department superintendents of schools, which will meet here October 5 and 6. This meeting is primarily for the interchange of ideas between the county superintendents, city superintendents and principals of the Oregon schools. The aim of the gathering is to secure a general understanding of what shall be asked of the legislature in the matter of school legislation. No program has been prepared, but each visitor will bring some suggestion as to what is most imperative at this time in the way of legislation. The session will be held at the state house, and the public generally is invited to attend.
