SENATOR HEDGES AND HIS PASS.

Editor Davey, of the Salem Statesman continues to hammer Senator Hedges, of Clackamas county, for returning an annual pass to a railroad company. He reprints his first criticism of Hedges, heading it "SELF-ACCUSATION," and intimating that he is after bigger bribes. Davey is sustained in this view by an editorial endorsement from T. T. Geer, of the Pendleton Tribune to the effect that HEDGES IS OF SMALL CALIBRE if he cannot trust himself not to be influenced by a pass.

Aside from his duties to his constituents, and his platform promises, Senator Hedges is one of the law firm that represents other large corporations, like the Willamette Pulp and Paper Mills, the Spaulding Logging Co., and others.

We have pointed out to our friends, Davey and Geer, that Mr. Hedges could not consistently take favors from a railroad corporation, when his clients have diverse interests IN DIRECT CONFLICT WITH THAT COMPANY.

For some reason they overlooked that point in Mr. Hedges' behalf and picture him as almost a demagogue and man unfit to be a senator.

We have not a copy before us of the platform formulated by the Republican state committee, but our recollection is that IT CONTAINED A DECLARATION AGAINST RAILROAD PASSES. We are certain the Democratic state platform had such a declaration.

Davey was elected upon that platform, and Geer campaigned for it, and why should they now roast a man who seeks to live up to principles which they endorsed before election? Senator Hedges is more

The annual teachers' institute for Wasco county was held at The Dalles Thursday.

A. Hendricks, of Portland, was robbed of \$70 Wednesday night by two masked men.

Miss Myrtle M. Cross, a prominent young woman of Oregon City, died at that place Wednesday.

John Moe and Charles Mackey, both of Woodburn, were arrested at that place Monday night for stealing chickens from Albert Armes.

A party of 16 Albany people have gone to Redding, Cal., to take up timber claims in the white pine lands of that part of California.

Will Hall, of Durkee, a prominent young rancher of that place, is on trial in the circuit court of Baker county, charged with assisting Lloyd Hindman and Harvey Meldrum with stealing horses.

Edward Smidt, of Aurora, was found dead on his place a few miles out of Aurora Thursday. A shot through the head and a partially emptied revolver beside him told the tale. Grief over his wife's death was the cause.

Dr. Roy Fuller, who claims to be a graduate of a St. Louis medical college, and who has been practicing in Eagle Valley, Eastern Oregon, the past year, was arrested Tuesday on the charge of practicing medicine without a license from the state of Oregon.

The Lebanon Paper Company was Wednesday enjoined from using the Santiam canal for any purpose, other than for motive power, at its big mills at Lebanon. For some time past the company has been floating cordwood down the canal from the South Santiam, and the Willamette Valley Company, who has caused the order to be made, say that this causes bark and particles of wood to come down the canal to Albany, and clogs up their machinery.

consistent than his critics. If he is not, let them show why.

The people, by an enormous vote, adopted a bill under the referendum to abolish passes. Probably both Geer and Davey voted for it, but they roast a senator WHO CARRIES THAT DECLARATION INTO EFFECT.

Let us not be captious, but let us UPHOLD ANY MAN WHO TAKES A STEP IN THE RIGHT DIRECTION. Too many are walking the other way. Let us uphold public officials who are trying to do right, no matter in what party we find them.

THEY KNOW SO MUCH.

Another Portland paper has disposed of the office of collector of customs, and adds that "Col Hofer was never in it for a minute."

Then why not give Col. Hofer a rest? The Portland paper referred to has helped foist upon this state A JOB LOT OF FEDERAL OFFICIALS FOR THE PAST TEN YEARS, nearly all of whom have been indicted or convicted, or removed from office for high crimes and misdemeanors. The people of Oregon and the Republican party especially has no cause to thank the all-wise Portland paper for anything but defeat, demoralization, disgrace and dishonor at home and abroad.

In six years past this same Portland paper that so glibly disposes of aspirants has been the main cause of DEFEATING THE REPUBLICAN candidate for governor twice, and lost to the Republican party about ALL THE OTHER HIGH OFFICERS in Portland.

A candidate who has never stolen land, or hoodied public funds, or in any way GOT HIMSELF INTO THE INDICTABLE CLASS could not expect "to be in it for a minute" with the above stripe of Republican journalism, that has expended all its successful energies whooping up corruptionists.

The editor of the Capital Journal was once compelled, out of self-respect, to bolt a rank Republican machine in Oregon, and after those leaders were all CONVICTED OR HAD LEFT THE STATE, he resumed his place in the Republican party.

Insistence upon the appointment of any of the Oregon political ring that is under general condemnation in the eyes of the President and his cabinet would justify any decent self-respecting Republican in a similar line of action.

Weak, Nervous People.

We have received letters from all parts of the U. S. highly recommending Dr. Gunn's Blood & Nerve Tonic, until the faith we had in the remedy has been fully sustained. We had confidence from the very beginning that this medicine should make cures, but lacked that assurance that comes after many successful trials. Now that we have been upheld in our belief we want to impart to others our confidence. Nervous, and unsteady people, weak, fleshless people, pimply, pale, or sallow people are all victims of weak, watery blood. Make new, rich blood, to be forced through the system by the way of the arteries, and disease cannot remain. This Tonic cures disease, by giving you strength to resist it. All druggists sell it for 75c per box, or 3 boxes for \$2. The tablets are taken after each meal. They turn the food you eat into rich red blood. Persons who take this Tonic gain in good solid flesh from 1 to 3 pounds per week.

FOOT BALL GOSSIP

Willamette Corvallis Albany and other Teams in the Mixup

Football stock at the University is going up, and while the enthusiasm is not so pronounced as in former years, it augurs well for a successful season. The men each evening have been put through a light practice, consisting of passing the ball, tackling the runner, running down punts and the practicing of the new forward pass. Coach Boyer and Captain Rader are directing the work of the squad and the past two days have seen a noticeable interest among the players. The rooters, too, have cheered up to no small extent at the arrival of several warriors from the North. Reed, who played guard on the Pullman team last season, will prove a tower of strength, as also will Russel, who for two years has starred for Idaho and who last year was considered one of the crack footballists on the coast. It is at the half back position that Russel does spectacular as well as consistent work. With "Racehorse" Nace and Rader and Russel for a back field you have a trio that has speed and that makes a formidable combination. However, some of these men may be shifted at other positions. Then "Mustard" Coleman is to be reckoned with. Last year he was a little new at the business, but this year the fans are looking upon him as a player of which the wearers of the cardinal and gold will be proud. Some would like to see him play at quarter, but in which position he will be seen, yet remains undetermined. A sign of encouragement is that Willamette has several men that are not victims to stage fright—an ailment that has caused many a well trained team to go down to defeat buried by large scores, and conquered by a much weaker aggregation.

There is plenty of the old stock of last year's vintage—Marker, Lounsbury and Nelson, are good clear headed players. Among the new men are: Phil Stover of Sunnyside; Belknap, who played full on the second team; Steiwer; Fisher, McKnight, and several others are to be heard from. Owens, a clever Multnomah player is expected to matriculate and to join the squad militant.

Naturally there is much regret expressed at the decision of some of last year's players not to play.

As a whole the season opens here with prospects of roseate hues.

Here follows the schedule as arranged:

Willamette will meet Whitman College of Walla Walla, Wash., October 4; University of Oregon at Eugene November 3; University of Washington at Seattle November 10; Multnomah in Portland November 17; O. A. C. at Salem, November 29.

Football enthusiasts are looking eagerly toward the plains of Benton county where Saturday will be pulled off one of the great contests of the year. One that will show the strength of the aggregation at the Oregon Agricultural college which is always a favorite among those versed in football lore. The Albany Athletic club has organized a team that will try conclusion with the husky farmers. Coates, the well known athlete, is coaching the Albanians, and while his men will be considerably lighter than the Agrics they expect to win by excellent team work and by Coates' clever booting of the pig skin. The Corvallis Times thus sizes up the representatives of its home institution:

The personnel of the O. A. C. team that is to play a game of football with an Albany team on college field next Saturday has not been announced by Coach Norcross. It will not be of entirely green material. Nearly all of the men have had experience at the game. Bennett, the man almost sure to play center, has had but little experience, but he is a crack wrestler, which makes him valuable. For right guard Pendergrast and Smith are the candidates. Smith is a 212-pound freshman from Burns and is playing for the first time. The left guard is Cherry and left tackle Finn, both of last year's team. Right tackle is Barber, a Baker City lad of some experience. Left end is Shannon, ex-captain of the Forest Grove team, and right end Dobbin, an experienced player from Union. The halfbacks are Darby and Looney, the latter a Jefferson boy. The fullback is Wolfe,

Turn Your Face Into Dollars

Many a Man Has Failed Because His Face Was a Picture of Calamity

It takes sunshine to produce a rose, a perfect rose. And so man, to be successful, must have sunshine inside. The life which has it not, which has no health and no happiness, is sour, surly, pessimistic, and a failure. The world already has too many vinegar faces that breathe ill-will and strife. The world wants joy, comfort, sunshine and will cling to the man who has it, who radiates gladness and triumph wherever he is and under all circumstances.

Some people have a genius for seeking out the disagreeable, the crooked, the bad and the ugly. These are the destroyers; they travel in schools, they herd together for they love their kind, and the cheerful part of the world will have nothing to do with them.

And why is it that so many peddle disaster knowing at the same time that if they do, their lives will be ruined? Some people cannot help it, for pessimism usually comes from bodily disorders, and this cannot always be prevented. The stomach, for instance, is the most common cause of discontent, sour face, recklessness, disgust and lack of ambition. A bad stomach—there is the secret of many a failure. Anyone can have a good stomach, a strong stomach, a stomach that can take care of anything and everything that is put into it, no matter whether it is a very bad stomach now or not. Then why not have it?

Stuart's Dyspepsia Tablets do this very thing. One ingredient of these little tablets digests 3000 grains of food, and no matter how bad is your dyspepsia or indigestion, these tablets will digest everything in your stomach, thoroughly and completely, and better and quicker than a healthy stomach can do the same thing. Stuart's Dyspepsia Tablets will cure quickly loss of appetite, brass, irritation, burning sensations, nausea, heartburn, eructations, loss of vim and spirit, bad memory, and dyspepsia and indigestion in their very worst forms.

No other little tablets in the world can do so much. You should carry Stuart's Dyspepsia Tablets around with you wherever you go and take them after meals. Then only will you realize what it is to enjoy a meal, and what perfect digestion means. Your whole body and your mind will feel the effects; your vim will increase, you will be more satisfied with what the world does, you will think happier and be happier and your face will be one of supreme contentment. That will bring you success and then more success. Your face will bring you dollars. Try it. It will cost you just 50c for a package of these wonderful Stuart's Dyspepsia Tablets, at any drug store on earth.

KEEP THE KIDNEYS WELL.
Health is Worth Saving and Some
Salem People Know How
to Save It.

Many Salem people take their lives in their hands by neglecting the kidneys when they know these organs need help. Sick kidneys are responsible for a vast amount of suffering and ill-health, but there is no need to suffer nor to remain in danger when all diseases and aches and pains due to weak kidneys can be quickly and permanently cured by the use of Doan's Kidney Pills. Here is the statement of a Salem citizen who has reclaimed good health by the use of this remedy:

F. Pratt proprietor of the Red Front Livery Stable, 268 Front St., Salem, Oregon, says: "Doan's Kidney Pills are a remedy of exceptional merit and their value deserves to be known to all in need of a remedy for backache or kidney trouble. I had suffered from a deranged state of the kidneys and heavy aching through my back and loins, when I went to Dr. Stone's drug store for a supply of Doan's Kidney Pills. I received prompt and effective relief almost from the first dose and in a short time I was in such good condition that I didn't feel any further necessity to use them or any such remedy of the kind."
