

Not a drop of Alcohol

Doctors prescribe very little, if any, alcohol these days. They prefer strong tonics and alternatives. This is all in keeping with modern medical science. It explains why Ayer's Sarsaparilla is now made entirely free from alcohol. Ask your doctor. We have no secrets! We publish the formulae of all our preparations. Lowell, Mass.

HELP MAKE A TICKET

Let the People of Each Ward Have Something to Say

See the People nominating ticket the city election on page three of this paper. Read it; study your local needs and fill it out to suit your ideas. Then cast the ticket in the ballot box at the Journal office. The results will be made public, and thus every voter can express himself. At the regular primary election prepared tickets will be supplied, and to vote for any one not on the slate will be almost a waste of time, as in many instances these tickets will not bear the names of persons you want to vote for. Express your choice in this popular ballot, and possibly it will result in your choice being adopted.

Do You Believe in Signs?

A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs, every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick headache follow indigestion and stomach disorders, belching, biliousness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25c per box. Only one for a dose.

CROWDED WITH APPLES.

Salem Mutual Cannery Shipped Carload of Fruit to Portland.

The Salem Mutual cannery is crowded with apples. It is running at what is termed full capacity but if the management had more help the output could be increased. A carload of apples was shipped by the management to Portland yesterday and there is yet a large amount of fruit on hand.

The cannery is accepting all the apples contracted for and all others as for that matter and is paying the full contract price.

COLLEGE FRATERNITY ORGANIZED

White Winged Deltas Make Fellow Students Sit Up and Take Notice.

A fraternity has been organized at the university which appears to have the earmarks of a Greek fraternity. There are seven charter members and not one of them is ready to divulge the purpose or aim of the order. The white winged Deltas have turned out with a flashy regalia consisting of green sweaters ornamented with an embled attractively done in white consisting of the Greek letter Delta from which issues wings, while the center of the Delta there is a little W, and of course the peg top corduroys and green skullcaps are a part of the regalia. The members will hold occasional meetings "when the spirit moves" and some such motto as "There will be a hot time in the old town tonight" will inspire the fraters to duty.

Some innocent jokes and pranks, will undoubtedly be perpetrated by the Deltas.

Dame Rumor has it about the campus that the student body organization would protest against the use of the letter "W" by any organization not officially recognized by the student body.

If this step is taken it is not because of any antagonism toward the new society but rather to guard against any undue infringement in the use of the letter "W" in the matter of emblems.

The charter members of the fraternity are Paul Bower, of Spokane; Foster P. Wentz, of Santa Rosa, Cal.; W. W. Steiwer, of Jefferson; Russell Stephens, of Portland; Orley Lowell, of Salem; John Moore, of Salem, and Lloyd Wesley, of Salem.

The Best Doctor.

Rev. B. C. Horton, Sulphur Springs, Tex., writes, July 19, 1902: "I have used in my family Ballard's Snow Liniment and Horehound Syrup, and they have proved certainly satisfactory. The liniment is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last 8 years."

Sold by D. J. Fry's drug store.

Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two 50 cent bottles cured me sound and well."

It is a wonderful medicine and I recommend it to suffering humanity. Sold by D. J. Fry's drug store.
