

HALLOWE'EN SOCIAL EVENTS

Many Pretty Sentimental Superstitions Will Be Revived at Social Gatherings Tonight -- Younger Set Will Be in Evidence.

I marry you? Begone! I'll never do it.
Oh yes you will; and if you don't you'll rue it.

'Tis Hallowe'ens! My fate I will pursue it!
'Tis Hallowe'ens! Her heart I will subdue it!

How beats my heart! My fate? I scarce dare woo it!
My pleading gaze—through trembling glass she'll view it!

His face! He followed me! He'll rue it!
One kiss! One more! Your're mine! I always knew it!
—Alice Harriman.

The younger people in the Salem social circles will be especially active this evening. While no very large or formal Hallowe'en parties are announced, it is understood that there will be a large number of small affairs. Most of these will be given and attended by the junior element. All the pretty and sentimental superstitions that are clustered around this date in the calendar will be reviewed and scores of Salem maidens too modest to listen to the call of her own heart will do the usual heroic stunts. Deeds of daring will be performed by bashful girls and in all these cases let us hope the gallant boys will be promptly on hand.

Hallowe'en Marquerade.

To celebrate the coming of the All Saints Eve, or Hallowe'en, the Protection Lodge, No. 2, A. O. U. W., Salem Lodge, No. 19, D. of H., and Viola Lodge, No. 88, D. of H., gave a masquerade ball in the Holman

hall Monday evening, which was a delightful social event in every way. The hall was decorated with huge paper Jack o' lanterns and quantities of autumn leaves. The electric lights were enclosed in "Jack" faces, and cast a soft light over the scene. Over eighty couples danced the "light fantastic" until a late hour, and the whole was a weird and gorgeous looking affair, as the costumes were many and varied. Solemn monks jostled against pretty farm maidens, and handsome Romeos smiled at beautiful Julietts. But Mrs. Arthur Welch as the old witch, or the "old lady who rode up to the moon" on a broomstick, was the best sustained character of all, and she was awarded the first prize; Guy Hoyt, as a rustic looking farmer, won the gentleman's prize. Miss Carrie Ziegler and Mr. W. P. Miles were awarded prizes for the best dancers.

Stego's orchestra furnished the music, and they rendered many fine selections.

West Pointer Inspects English Military Schools.

London, Oct. 31.—Captain Herman J. Kochler, today finished his visit to the military schools of instruction and other military institutions at Aldershot, Shorncliffe, Dover and Salisbury Plains. Captain Kochler is master of the sword and instructor of military gymnastics and physical culture at west point military academy. His inspection was authorized by the British army council.

\$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. Cheney & Co., Toledo, O.

Sold by all druggists. Take Hall's Family Pills for constipation.

Butter and Cheese Makers Meet.

Minneapolis, Minn., Oct. 31.—Butter and cheese merchants from all parts of the country were present here today at the annual convention of the Butter and Cheese Makers association. The sessions of the convention will be held in the assembly hall in the court house and city hall Quadrangles, where there are exhibits of butter and cheese and dairy utensils. During the past year the United States butter product, according to the agricultural department, realized \$268,515,353 being only a increase over the amount for the year 1901.

Indiana Fall Fun Festival.

Munlee, Ind., Oct. 31. At the Fall Fun festival tonight two very heavy oxen will supply a barbecue which will be absolutely free, the only condition imposed on the diners being the wearing of a mask and some fancy dress. King Enterprise and Queen Hallowe'en will be elected and escorted by a parade of gaily decorated automobiles and electrical floats. A great many staid and dignified merchants and professional men entered into the spirit of the thing with zest and will appear in fancy costume.

The girls of the Albany high school have organized a basket ball team for the coming season, and the young men have also reorganized their team.

Glen Cove's Flower Show.

Glen Cove, L. I., Oct. 31.—The second annual horticultural exhibition of the town and a large section of surrounding Long Island began today with a good attendance and fine collection of flowers. The exhibition was far above the standard of the previous one owing no doubt to the very valuable extra prizes offered this season. There is a lively competition for the silver cup presented by Mrs. Percy Chubb for the best 6 carnations, six standard varieties, arranged for effect. Mrs. E. R. Ladew's silver cup for the best collection of roses brought into the show some of the finest specimens in the eastern states. Silver cups were also presented by F. P. Pierson & Co., Tarrytown, for the best twelve blooms Glenview chrysanthemums and by A. H. Groy for the best general collection of roses.

Towns Entire Police Force Sacked.

Burnia, Van Couver, Oct. 31.—The dismissal of the entire police force of Burnia, consisting of a chief, sergeants and patrolmen took effect today. The force was reorganized about eight months ago. Chief Sarvais being the only one of the old force retained in service. Sarvais has been chief about six years. It is claimed by the police committee that the entire force was negligent in the performance of night duties. A new force, advertised for, will take up duty tomorrow.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

THE FARMER'S WIFE

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

To aid in healing old sores, or ulcers, apply Dr. Pierce's All-Healing Salve to them while taking the "Golden Medical Discovery" to purify and enrich the blood.

Dr. Pierce's All-Healing Salve is cleansing and pain relieving. It destroys the bad odors arising from suppuration, or running, sores and puts them in the best possible condition for healing.

The "All-Healing Salve" is a superior dressing for all open, running, or suppurating, Sores or Ulcers. For healing open wounds, cuts and scratches it is unsurpassed.

If your medicine dealer does not have the "All-Healing Salve" in stock mail 50 cents in postage stamps to Dr. R. V. Pierce, Buffalo, N. Y., and you will receive it by return post.

In treating all open sores, or ulcers, boils carbuncles and other swellings, it is important that Dr. Pierce's Golden Medical Discovery be taken persistently to purify the blood and thereby remove the cause of the trouble. It is in the blood that the great battle of health has to be fought. The ulcer and the sore are simply the scarlet flowers of disease, with roots running down into the blood. These roots must be eradicated or the disease will break out afresh. "Golden Medical Discovery" cleanses the blood of all foul and poisonous accumulations, pushes out the dead and waste matter, and thus purifies the entire life current. Disease in the flesh must die out when it is no longer fed by foul blood. "Golden Medical Discovery" effectively cures disease in the flesh by curing its cause in the blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing distress in stomach, constipated or irregular bowels, sour or bitter rising after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid, or lazy liver with the usual accompanying indigestion, or dyspepsia and its attendant derangements.

The best agents known to medical science for the cure of the above symptoms are those contained in Dr. Pierce's Golden Medical Discovery. It is the only medicine that has been skillfully and harmoniously combined in Dr. Pierce's

Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will but mail a postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicine and showing what the most eminent medical men of the age say of them.

Cures Women's Weaknesses.

We refer to those weak, nervous, suffering women known as Dr. Pierce's Favorite Prescription.

Dr. John Fyfe one of the Editorial staff of THE ELECTRIC MEDICAL REVIEW says of Unicorn root (*Helonias Dioica*) which is one of the chief ingredients of the "Favorite Prescription":

"A remedy which invariably acts as a uterine invigorator... makes for normal activity of the entire reproductive system." He continues "in Helonias we have a medication which more fully answers the above purposes than any other drug with which I am acquainted. In the treatment of diseases peculiar to women it is seldom that a case is seen which does not present some indication for this remedial agent." Dr. Fyfe further says: "The following are among the leading indications for Helonias (Unicorn root): Pain or aching in the back with leucorrhoea; atonic (weak) conditions of the reproductive organs of women, mental depression and irritability, associated with chronic diseases of the reproductive organs; constant sensation of heat in the region of the kidneys; menorrhagia (bleeding), due to a weakened condition of the reproductive system; amenorrhoea (suppressed or absent monthly periods), arising from or accompanying an abnormal condition of the digestive organs and anemic (thin blood) habit; dragging sensations in the extreme lower part of the abdomen."

If more or less of the above symptoms are present in a woman, she can do better than take Dr. Pierce's Favorite Prescription, one of the leading ingredients of which is Unicorn root, or Helonias, and the medical properties of which it most faithfully represents.

Of Golden Seal root another prominent ingredient of "Favorite Prescription," Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says: "It is an important remedy in disorders of the womb. In all catarrhal conditions... and general enfeeblement, it is useful."

Dr. Pierce's Favorite Prescription faithfully represents the above named ingredients and cures the diseases for which they are recommended.

Dr. Pierce's Pleasant Pellets are the original Little Liver Pills, first put up by old Dr. Pierce over 40 years ago. Much imitated, but never equaled. Easy to take as candy.
