

# Throat Coughs

Ask your doctor about these throat coughs. He will tell you how deceptive they are. A tickling in the throat often means serious trouble ahead. Better explain your case carefully to your doctor, and ask him about your taking Ayer's Cherry Pectoral. Then do as he says. Get the best medicine, always.

We have no secrets! We publish the formulas of all our preparations.

## FOUND HER LOVER.

### Woman Remained True for Six Years.

New York, Oct. 31.—After a persistent search of six years for the woman she loved, the beautiful daughter of Adolph Kauffman, the New York millionaire, is happy today, receiving news of the whereabouts of Albrecht Becker, a former member of the German army, who was now engaged as a timekeeper for a railway in Florida at a monthly salary of \$60. Kauffman, who had driven young Becker away from his daughter, believing him to be a fortune hunter in search of a rich bride, has rejoined and a brilliant wedding at the Kauffman mansion will culminate the picturesque romance.

Despite her father's objection to a man who had captured her heart, Kauffman was determined that her lover should be found and brought back to her. Six years ago she left New York and no word of her was received until today. During the years of separation the beautiful heiress never gave up the hope of finding the young German, and her personal allowance was expended the last cent in search of Becker. Seeing that his daughter was pining away to a mere shadow as a result of the separation, Kauffman finally relented his purpose of keeping the couple apart and joined his daughter in the search. After months of seeking Becker was discovered in Florida, where he had a position as timekeeper for a railroad. Upon receiving the assurance that father and daughter that he was looked upon as an adventurer, he has consented to return to New York, where he will accept a remunerative position in Kauffman's employ, so that he may properly support the girl he loves.

## The Best Doctor.

Rev. B. C. Horton, Sulphur Springs, Tex., writes, July 19, 1902: "I have used in my family Ballard's Eye Liniment and Horehound Syrup and they have proved certainly satisfactory. The liniment is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last 8 years."

Sold by D. J. Fry's drug store.

## Springing Up in Fields of Grain.

Bankton, S. D., Oct. 31.—The oldest and most seasoned boomers are being sprung up in the manner in which the young ones are springing up, like mushrooms in a night, in South Dakota. They are being planted by the Minneapolis and Northwestern extension of the Minneapolis and St. Louis

railway companies. A field of wheat was inspected last spring by T. A. Way, town agent of the M. and St. Louis. It belonged to Chris Stewwedes. Stakes were driven to show where the street were to be located and the building of the town immediately commenced. Now the town of Florence as it is called has its handsome brick buildings its newspaper and all the other appertinances of a full grown municipality. The same thing occurred at Wallace, Brantford and Cresbard. A new town built, also in a wheat field, is to receive its name today. The lines are being rapidly pushed forward and it is expected they will be completed to La Beau, the western terminus by January 1st.

Some say city girls are poor, ignorant things. Some of them cannot tell a horse from a cow, but they do know that Hollister's Rocky Mountain Tea is one of the greatest beautifiers known. Tea or Tablets, 35 cents. Dr. Stone's Store.

## Do You Believe in Signs?

A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs, every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick headache follow indigestion and stomach disorders, belching, biliousness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25c per box. Only one for a dose.

H. D. Ashcroft, a mining man, of British Columbia, was robbed of a pocket book containing \$500 in money, some silver, and a \$250 diamond stud, Saturday night, on the Southern Pacific train No. 15, enroute to San Francisco.

## A Young Mother at 70.

"My mother has suddenly been made young at 70. Twenty years of intense suffering from dyspepsia had entirely disabled her, until 6 months ago, when she began taking Electric Bitters, which have completely cured her and restored the strength and activity she had in the prime of life," writes Mrs. W. L. Gilpatrick, of Danforth, Me. Greatest restorative medicine on the globe. Sets stomach, liver, and kidneys right, purifies the blood, and cures malaria, biliousness and weakness. Wonderful nerve tonic. Price 50c. Guaranteed by J. C. Perry's drug store.

Constable Lou Wagner, of Portland, is in danger of criminal prosecution by Attorney Bartlett Cole, of the firm of Cole & Cole, for malfeasance in office, the specific charge against him, in plain language is that of grafting.

## Saved His Life.

J. W. Davenport, Wingo, Ky., writes, June 14, 1902: "I want to tell you I believe Ballard's Snow Liniment saved my life. I was under the treatment of two doctors, and they told me one of my lungs was entirely gone, and the other badly affected. I also had a lump on my side. I don't think that I could have lived over two months longer. I was induced by a friend to try Ballard's Snow Liniment. The first application gave me great relief; two 50 cent bottles cured me sound and well.

It is a wonderful medicine and I recommend it to suffering humanity. Sold by D. J. Fry's drug store.
