AN ERROR IN SUMMONS.

Writ of Review Sustained—Judgment Set Aside.

In department No. 2 of the state circuit court this morning Judge Galloway sustained the writ of review from Justice of the Peace Webster's court in the case of George Fendrich, appellant, vs. V. M. Caldwell, respondent, and dismissed the judgment granted in the justice court against Mr. Fendrich in a suit of forcible entry and detainer for the ejection of Fendrich from the respondent's property on North Commercial street.

The suit originated about the middle of the summer, when Fendrich's lease upon the building he occupied expired, and he having been notified to vacate, pleaded for further time, in order that he might transfer his meats, undergoing the curing process, in colder weather. Suit in forcible entry and detainer was brought. Fendrich was summoned for a hearing, and, failing to make an appearance, judgment was rendered against him. The writ of review was then sued out by Fendrich's counsel, Webster Holmes, upon the ground that the summons was improperly served, in that the court failed to set a date for the trial, and the summons merely read "within four days from date of service," when it should have summoned him to appear not less than two days nor more than four days from date of trial.

PAIN IN BACK AND LIMBS

IS PRETTY SURE TO MEAN RHEUMATISM.

Take Dr. Williams' Pink Pills at the First Symptom.

The Remedy That Permanently Cured This Michigan Man and His Wife.

Do not neglect the first warning symptoms of rheumatism.

Dr. Williams' Pink Pills have cured many cases of this disease in advanced stages, but much time can be saved and unnecessary suffering avoided by beginning the treatment as soon as the first pain in the joints, the first twinges in the muscles, give notice of the approach of the trouble.

Mr. Frank Little, a well known citizen of Portland Ionia Co., Mich., was cured of a severe case of rheumatism by Dr. Williams' Pink Pills.

In speaking about it recently, he said: "In my work I was obliged to be out in all kinds of weather and many times I would come home wet through and completely exhausted. I worried a great deal and I think this, along with my constant exposure to the cold and damp, hastened my sickness. My body was run down and in no condition to withstand disease and about five years ago I began to feel rheumatic pains in my arms and across my back. My arms and legs grew numb and the rheumatism seemed to settle in every joint so that I could hardly move, while my arms were useless at times. I was unable to sleep or rest well and my heart pained me so terrible I could hardly stand it. My stomach became sour and bloated after eating and this grew so bad that I had inflammation of the stomach. I was extremely nervous and could not bear the least noise or excitement. One whole side of my body became paralyzed."

"As I said before, I had been suffering about five years and seemed to be able to get no relief from my doctors, when a friend here in Portland told me how Dr. Williams' Pink Pills had cured him of neuralgia in the face, even after the pain had drawn it to one side. I decided to try the pills and began to see some improvement soon after using them. This encouraged me to keep on until I was entirely cured. I have never had a return of the rheumatism or of the paralysis."

"My wife was also troubled in about the same way that I was. She had rheumatism in the joints and stiffness and numbness in the neck. The pills completely cured her and she has never had another attack of the rheumatism."

Dr. Williams' Pink Pills actually make rich, new blood and have cured such diseases as rheumatism, nervous and general debility, indigestion, nervous headaches, neuralgia and even partial paralysis and locomotor ataxia.

These pills are for sale by all druggists or will be sent postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

Everybody Drag. (By M. Albertus Coverdell.)
When the smiles of spring appear,
Drag the roads;
When the summer time is here,
Drag the roads;
When the corn is in the ear,
In the winter cold and drear,
Every season in the year,
Drag the roads;

When you've nothing else to do,
Drag the roads;
If but for an hour or two,
Drag the roads;
It will keep them good and new,
With a purposful firm and true,
Fall in line! It's up to you;
Drag the roads;

Would you do the proper thing?
Drag the roads;
Set the system a lively wing;
Drag the roads;
Give the drag a lively swing;
Toss the laurel wreath to King;
Hats off! Everybody sing;
Drag the roads;
—Exchange.
