

# Not a drop of Alcohol

Doctors prescribe very little, if any, alcohol these days. They prefer strong tonics and alteratives. This is all in keeping with modern medical science. It explains why Ayer's Sarsaparilla is now made entirely free from alcohol. Ask your doctor. We have no secrets! We publish the formulae of all our preparations. J. C. Ayer Co., Lowell, Mass.

## UNDER SOUTHERN SKIES

The Scent of the Magnolia and the Breath of Spring Are Ever Present

All the sunshine of the south, all the heaven's blue, just so there is a chivalry of its gentlemen, all the sweet and low cadence associated

Scene in "Under Southern Skies."

beauty of its women in truth, the whole atmosphere of the magnolia-scented south is in "Under Southern Skies." The art of Lottie Blair Parker is a natural one, as witness her "Way Down East." This art, she has brought to bear in "Under Southern Skies," with remarkable success. Lottie Blair Parker has already made a reputation with her "Way Down East," but she added to it appreciably when she wrote "Under Southern Skies." Her plays are all of the clear variety, with action galore. In addition she works in a prettiness of detail that a man might strive for all time to bring about,

but which a woman can do innately. "Under Southern Skies" tells of life in lower Louisiana in the period around 1875 and necessarily brings in the quaint costumes of that day. Scenery used in "Under Southern Skies" is suggestive of the south in every one of its details showing some of the courtesies of the old regime and other interesting phases of southern life.

Just as the magnolia blooms, and orange grove, that grows the southern garden make it the fairest landscape under the dome of the south, all the heaven's blue, just so there is a chivalry of its gentlemen, all the sweet and low cadence associated

### PECK'S BAD BOY.

Funny Show for Children Drew Large and Appreciative Audience.

The funny play, Peck's Bad Boy, that has been amusing the American children for the past generation, held the boards at the grand opera house last night, and claimed the attention of one of the largest audiences of the season.

Fifty per cent of the people present were children, and the humorous situations of the "bad boy" and his friends appealed to them strongly; in fact everybody in the theatre was pleased except those who expected melodrama, and these were a little disappointed because the hero did not "come back and bur-r-r-n de castle."
