Coasting Steamer Goes Down In Storm With All on Board

CARRIED A CREW OF TWELVE
AND HAD A PASSENGER LIST
OF AT LEAST SIXTEEN, BUT
SOME REPORTS MAKE THE TO-
TAL LOSS OF LIFE FORTY.

Warton, Ont., Nov. 28.—The
coasting steamer J. H. Jones, owned
by the Crawford Tug Company, a local
concern, foundered off Cape
Crocker Thursday afternoon, and all
hands were probably lost.

The crew consisted of 12, all from
Warton, and the number of pas-
sengers is estimated to be at least
16.

Part of the cabin, a lifeboat and
two unidentified bodies have been
found by Indians on the north shore
of the Christian Islands. Boats are
now out looking for survivors and
wreckage.

While estimates received here as
to the number of lives lost in the
wreck of the Jones are as a rule 25
or 30, one report says the list of
dead may reach 40.

Ship's Crew Mutilated.

New York, Nov. 28.—A fireman
was killed and five men injured in a
mutiny on the Mallory line steamer
San Jacinto, which arrived in port
today. Emanuel Conchero was ar-
rested and charged with the murder
of the fireman.

The Cork Is Pulled.

Indianapolis, Nov. 28.—The gov-
ernment won the first skirmish
against the National Retail Druggists
Association this morning, the federal
court overruling the demurrer to the
charge that the organization is a
trust in restraint of trade, and ruled
that the association must answer on
the first Monday in February.

The White House Bird.

Washington, Nov. 28.—The Presi-
dent's turkey arrived today from
Horace Vose, of Rhode Island, who
has been raising White House tur-
keys for a quarter of a century. It
will be eaten at 7:30 at the White
House tomorrow. The Longworths
and perhaps the Lodges will be the
guests.

Allison Stays at Home.

Des Moines, Ia., Nov. 28.—Senator
Allison, who was thought to be dy-
ing late last summer, will not return
to Washington until January. He
says his health is good, but he wants
to stay at home until after the Christ-
mas holidays.

FIVE ARE BURNED TO DEATH

Salvation Army Barracks at St. Louis Burned This Morning

TWO HUNDRED AND FIFTY PER-
SONS IN THE BUILDING, AND
WHILE FIRE ESCAPES WERE
PROVIDED NO ONE TRIED TO
USE THEM.

St. Louis, Nov. 28.—A cigar
stump, thrown into an elevator tem-
porarily used for a clothes hamper,
at 4:30 this morning caused a fire
in the Salvation Army barracks, in
which four men lost their lives and
more deaths may result.

Those dead were killed by leaping
from the windows. The barracks
were crowded to their capacity, on
account of the cold weather. Two
hundred and fifty faced death before
the police opened the avenues for
their escape. Life lines were hooked

St. Louis, Nov. 28.—A fifth victim
of the fire died in the hospital this
morning.

THANKSGIVING PROCLAMATION

STATE OF OREGON
Executive Department

In accordance with time-honored custom, I Geo. E. Chamberlain, as Governor of the State of Oregon, do hereby set part Thursday, the twenty-ninth day of November, A. D., 1906, as a day of general Thanksgiving, and I earnestly request that the day be observed by a suspension of all business, so that the citizens of this great commonwealth may rest from their usual vocations and return thanks to the Giver of every good and perfect gift for the blessings they have enjoyed during the year just passed.

In witness whereof, I have hereunto set my hand, and caused the Great Seal of State to be hereunto affixed, at the Capitol in the City of Salem, this Eight day of November, A. D., 1906.

(Signed) GEO. E. CHAMBERLAIN,
Governor of the State of Oregon

SEATTLE SHORT OF FUEL

Seattle, Nov. 28.—The fuel situa-
tion in Seattle has reached an acute
stage. The cold weather of the last
few days adds to the suffering of the
poorer classes. Coal dealers are
asking \$10 to \$13 a ton, in limited
quantities, and stove wood is scarce.
Lighting and heating power plants
are working on short allowance. The
transportation companies control the
output and supply themselves first.

Cabinet Resigns.

Madrid, Spain, Nov. 28.—The
Spanish cabinet resigned today.

Will Fire Peter.

Manchester, England, Nov. 28.—A
paper here says King Peter, of Ser-
bia, is certain to be deposed, and
thinks Prince Arthur of Connaught
will succeed him.

Peary Home at Last.

New York, Nov. 28.—Peary ar-
rived this morning. He was met by
the Peary Arctic Club committee.
Peary said: "I have no faith in air-
ships, nor electric sledges for Arctic
exploration. The drifting plan is the
most feasible."

Vaults Too Strong.

Mendon, O., Nov. 28.—Three un-
successful attempts were made this
morning to blow open the vaults of
the Mendon Bank. Seventy-five thou-
sand dollars in cash was left un-
touched.

OREGON'S SENATOR ALIVE

Washington, Nov. 28.—Senator
Fulton, of Oregon, held a consulta-
tion with the President this morning,
and discussed the Japanese situation
on the coast. "We have not had any
serious trouble with the Japanese
nor Chinese school children in Ore-
gon yet," said Senator Fulton, "for

WOMAN SCARED ROCKY

Mrs. Rose Delia Beauvers Hanfield Makes Old Man Get Busy

WOMAN SAYS HER HUSBAND WAS
AN OIL DEALER AND THAT THE
STANDARD RUINED HIS BUSI-
NESS BY CORRUPT METHODS.

New York, Nov. 28.—Charged
with threatening to kill John D.
Rockefeller unless he paid her a mil-
lion dollars, Mrs. Rose Delia Beauvers
Hanfield, aged 40, was today ar-
rested. She said her husband had
been in the oil business and was
ruined by the Standard. It is al-
leged the woman forced her way into
Rockefeller's office and demanded a
million at once or she would kill
Rockefeller, and burn down the build-
ing. He came into the office and
gave her a check for a million, which
she accepted, but was followed to the
trust company's offices. Cashier Bar-
ret having been notified not to cash
it. She said she is a saint of the sun,
moon and water, and come to have
his soul by blood atonement. She
was sent to a hospital for observation
as to her sanity.

WATCH THEM KICK

Great Game of Football Will Furnish Amusement Tomorrow

Tomorrow the big Thanksgiving
game will come off between O. A. C.
and Willamette University on the
Willamette field. This is the game
looked forward to so long by both
schools. There will be an excursion
from Corvallis, and over 200 stu-
dents are expected to come to the
city. The grandstand will be a mass
of waving colors, and the air will be
rent with spirited yells and the toot-
ing of horns.

Amidst this the teams will face
each other, and when the whistle
blows every man will be in the mix-
up and fighting his hardest for the
supremacy of his school.

It is impossible to tell how the
game tomorrow will come out. It is
true that O. A. C. has won more
games this year than Willamette, but
then Willamette has had hard luck
in having her men hurt, and has
played hardly a game this season
with the full team in their positions,
but tomorrow they are expected to
all be there, and playing their hard-
est. Both teams have played a strong
game against Oregon this year. O. A.
C. played a scoreless game, while W.
U. was defeated by a place kick from
the field, after their strongest punter
had been put out of the game.

Willamette's lineup will be: Nel-
son, center; Hewitt, right guard;
McKlight, left guard; Lounsberry,
right tackle; Boyer, left tackle; Rus-
sell, right end; Coleman, left end;
Thomas, right half; Owens, quarter-
back; Rader fullback.

It is not certain whether Lounsberry
will play, as he is suffering
with poison oak at present.

Burns O'Brien Fight.

Los Angeles, Nov. 28.—Everything
is in readiness for the heavyweight
championship battle tonight. Both
O'Brien and Burns have discontin-
ued training, and are resting quietly
in the city. In the city the early
betting remained practically un-
changed at 10 to 6 in O'Brien's fa-
vor. It is expected that these odds
will prevail at the ringside.

More Indictments.

St. Louis, Nov. 28.—The federal
grand jury today returned two indict-
ments against the Waters-Pierce Oil
Company, charging it with accept-
ance of rebates from railroads.

St. Louis, Nov. 28.—Both indict-
ments are based upon facts discov-
ered by Garfield and published in his
report on the transportation of petro-
leum. The first indictment con-
tains 21 counts, each charging ille-
gal shipment of a carload of oil
from this city to Alexandria, La.,
at less than the lawful rate, over the
Missouri Pacific. The second con-
tains 51 counts, each charging un-
lawful shipment to other towns in
Louisiana. The maximum penalty
that could be imposed would aggre-
gate fines of over a half million.

He Had No Right to Know.

Washington, Nov. 28.—The depo-
sition of Mrs. Bassett was read in
her divorce suit this morning. She
didn't tell her husband when her
child was born, because she thought
he had forfeited all right to know
about it. She refused to answer
questions as to who paid her bills at
the hospital or at Atlantic City.

Grace Brown Murdered.

Herkimer, N. Y., Nov. 28.—Chester
Gillette took the stand in his own
behalf this morning. He told of his
early life. His parents took him
many places to live, and made their
home in San Francisco for some
time. When nearly 20 left and went
to Ohio. He is now 23. He detailed
his acquaintance with Grace Brown,
who was an operative in the skirt
factory of his uncle, at Courtland, N.
Y., where he worked. He told of the
trip to Salt Lake. Recess was taken
before reaching the point of the al-
leged murder.

Herkimer, N. Y., Nov. 28.—Gil-
lette said that after rowing about the
lake, and stopping ashore to eat
lunch, he resumed the skiff ride, and
the girl began to cry about her con-
dition. They sought to solve the
question as to what she should do,
when he said, without warning, she
leaped from the boat, which he up-
set in trying to catch her as she
jumped. When he arose to the sur-
face the girl was gone.

What Congress May Do.

Washington, Nov. 28.—There is a
big program in congress. It will
surely pass the regular supply mea-
sures, and may do as follows with
these: Pass the river and harbor
bill, reduce the Philippine tariff,
regulate immigration and discuss the
ship subsidy. It probably will not
pass the proposed elastic currency
measure, the anti-injunction nor the
eight-hour law, and certainly not the
revised tariff bill.

Still More Graft.

New York, Nov. 28.—Charges
were made in the trial of George
Burnham, of the Mutual Reserve Life
Insurance Company, today that Louis
F. Hayne, when state superintendent
of insurance, demanded \$100,000
from the Mutual Reserve, under the
threat of showing that the company
was insolvent. It is alleged in the
testimony that President Frederick
Burnham said he paid Hayne \$40,000.

Stokers Struck.

Newport News, Nov. 28.—Between
50 and 60 stokers on the Tennessee
refused to obey orders Monday, while
en route from Porto Rico, and con-
sulting the President, when Roose-
velt gave the order for a four hours'
run under forced draft. The men
are confined in the brig since their
arrival here, and are likely to be
court-martialed.
