Last Night—

Remember this is the last night of the Mid-Winter Carnival—Fun for all at 271 Commercial.

BORN.

STEINER.—In Roseburg, December 14, 1906, to Mr. and Mrs. A. T. Steiner, a son. The parents are well-known in this city.

DIED.

HILL.—At the home of her sister, at 1090 Center street, in this city at 3 a. m., December 14, 1906, Rosella M. Hill, aged 37.

Mrs. Hill came here from Portland a few weeks ago to make her home with her sister, Mrs. Nina B. Rowland, but complications arose and her case grew worse until the end came. She was born in Lane county, December 16, 1869. The remains were shipped last evening to Eugene. The interment will be at Walton, the family home.

THOMPSON.—At the residence of her son, W. H. Beckett, on the Wallace road, two miles west of Salem, Mrs. Jane B. Thompson, of paralysis, aged 79 years, ten months and 11 days.

She leaves two daughters and one son; Mrs. Alice Allen, of Amity, Oregon; Mrs. Ione Lockmore, of Seattle, Wash., and C. W. Beckett, of Polk county. She came to Oregon in 1852, and settled with her husband on a donation land claim in Polk county, where she has lived all her life.

The funeral will be held at the later residence tomorrow (Sunday) at 11 o'clock and the burial will be held at the Odd Fellows' cemetery, Rev. Gittins, officiating.

WHITNEY.—At the family home on French Prairie, three miles from Hubbard, yesterday afternoon, December 14, 1906, Robert Whitney, aged 72 years.

Death was attributed to heart trouble, said to have been brought on by the excitement caused by the shooting of his son, Lincoln, about a month ago by Orlando C. Murray, and the subsequent trial.

He came to Oregon with his parents when but 13 years of age, in 1847, and on a portion of the donation land claim secured by his father, which he subsequently purchased from him and since farmed; in late years engaging extensively in hop growing.

He was married February 12, 1866, to Miss Hannah Pendleton, of Baker's Prairie, who survives him. Nine children were born to them, of whom eight survive, the youngest, Lincoln, having been shot and killed last month. The children are George W., Oliver C., Mrs. Ardala Barnes, Asa, Clarence, Andrew and Goldsby H. Whitney.

Mr. Whitney was a member of the I. O. O. F. and K. of P. lodges, and they will conduct the funeral, the arrangements not being yet completed.

DAUGHERTY.—At the home of his mother, in this city, at 9:35 a. m., December 1, 1906, Henry A. Daugherty, aged 48 years, 2 months and 8 days.

Mr. Daugherty was born November 6, 1858 in Oquawka, Ill. He had lived in Salem up to three years ago, when he removed to St. Johns. He had been sick for some time from the effect of a cancerous growth in the stomach. His wife being sick, he was brought to Salem to the home of his mother, Mrs. Myra A. White, at 1687 State street.

The case is one that baffled the skill of modern surgery, as five Portland physicians despaired of the man's recovery. He also received treatment from local physicians, but to no avail.

Besides his wife, he leaves three children to mourn his death, two girls, Leona, aged 14, and Ida Mabel, aged 10, and a son born last Thanksgiving day; his mother, Mrs. Myra A. White, of this city, a brother, Louis F. Daugherty of Seattle, and a half brother, Elmo S. White, of this city.

He was a member of the St. John's Methodist church.

The funeral service will be held at the home of his mother on State street at 4 o'clock this afternoon. The burial will take place in St. John's cemetery church tomorrow.

He writes: "The swelling and soreness inside my nose was fearful, till I began applying Bucklen's Arnica Salve to the sore surface; this caused the soreness and swelling to disappear, never to return." Best salve in existence; 25c at J. C. Perry's druggist.

Charcoal Kills Bad Breath

Disagreeable Odor Arising from Indigestion or from Any Habit of Indulgence, Can Be Instantly Stopped.

Sample Package Mailed Free

Other people notice your breath where you would not notice it at all. It is nauseating to people to stand before them while you are talking, give them a whiff or two of your bad breath, usually comes from food fermenting on your stomach. Sometimes you have it in the morning, sour, bilious, bad breath. You stop that at once by swallowing or two of Stuart Charcoal Lozenges, the most powerful gas and odor sorbers ever prepared.

Sometimes your meals will refresh themselves in your breath to those who talk with you. "You've been eating onions," or "You've been eating cabbage," and all of a sudden you are in the face of your friend. Charcoal is a wonderful absorbent of odors, as every one knows. That's why Stuart's Charcoal Lozenges are so quick to stop all gases and odors or odorous foods, as gas from indigestion.

Don't use breath perfumes. They never conceal the odor, and they absorb the gas that causes the odor. Besides, the very fact of using them reveals the reason for their use. Stuart's Charcoal Lozenges are the first place stop for good all-day brush and belching of gas, and your breath pure, fresh and sweet just after you've eaten. Then one will turn his face away from you when you breathe or talk; your breath will be pure and fresh, besides your food will taste so much better to you at your next meal. Try it.

Charcoal does other wonderful things, too. It carries away from your stomach and intestines, all the impurities there massed together, which causes the bad breath. Charcoal is a purifier as well as an odor sorber.

Charcoal is now by far the most easy and mild laxative known. A whole boxful will do no harm. In fact, the more you take the better. Stuart's Charcoal Lozenges are of pure willow charcoal and mixed with just a faint flavor of honey, make them palatable for food, but not too sweet. You just chew like candy. They are absolutely harmless.

Get a new, pure, sweet breath, freshen your stomach for your meal, and keep the intestines working order. These two things are the secret of good health and long life. You can get all the charcoal necessary to do these wonderful things by getting Stuart's Charcoal Lozenges. We want you to test the little wonder workers yourself before you buy them. So send us your full name and address for a free sample of Stuart's Charcoal Lozenges. Then after you have tried the sample, and been convinced, get your druggist and get a 25c box of them. You'll feel better all over, more comfortable, and "cleaner" inside.

Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 60 State Bldg., Marshall, Mich.
