

**AFFLICTED WITH CATARRH—
LIFE HAD BECOME A BURDEN.**

**Peru-na, Used As a Last Resort, Affords
Complete Relief.**

MRS. F. CARR.

The Relief Experienced By Mrs. Carr Through the Use of Peru-na. After Having Tried the Best Professional Treatment in Vain, is a Matter of No Small Wonder Among Her Many Friends.

Mrs. F. Carr, Vineland, Ont., Can., writes:

"For several years I was afflicted with catarrh, which made life a burden. The coughing and hacking which accompanied the disease was terrible. The complaint finally extended to the stomach and I was in a wretched condition. I tried different remedies and the best professional treatment all in vain. Finally, as a last resort, I tried Peru-na upon the recommendation of my sister in Hamilton. I could see steady improvement and after using four bottles of that precious medicine I was feeling well again, my

old trouble being completely a thing of the past.

"To-day I would not take one thousand dollars for what this grand medicine has done for me."

Many women owe their lives to Peru-na. A great many more owe their health to Peru-na.

A multitude of women throughout Canada are using Peru-na as a preventative and a relief from catarrhal coughs and colds.

We have in our files a great number of letters from grateful women who have been benefited by Peru-na, with permission to use these letters in public print.

Catarrh would not be such a curse to the human race if people thoroughly understood its nature.

Catarrh is a disease which never improves of its own accord, but becomes deeper seated the longer it is neglected. It should be treated at once to prevent it from making inroads upon vital organs.

Outwits the Surgeon.

A complication of female troubles, with catarrh of the stomach and bowels, had reduced Mrs. Thomas S. Austin, of Leavenworth, Ind., to such a deplorable condition, that her doctor advised an operation; but her husband fearing fatal results, postponed this to try Electric Bitters; and to the amazement of all who knew her, this medicine completely cured her. Guaranteed cure for torpid liver, kidney disease, biliousness, jaundice, chills and fever, general debility, nervousness and blood poisoning. Best tonic made. Price 50c at J. C. Perry's drug store. Try it.

Fell Through Trestle.

A. M. Nasker, while walking on the Oregon Electric Company's trestle on Broadway, in North Salem, had the misfortune to fall, sustaining bruises about the chest and a painful scalp wound. He was taken to the home of his father-in-law, H. K. Richmond, where Dr. Byrd attended the injured man, and took several stitches in the scalp wound. The patient is reported to be doing nicely, and, although he complained of the chest bruises, they are not thought to be of a serious nature.

Cured Paralysis.

W. F. Bally, P. O., True, Texas, writes: "My wife had been suffering five years with paralysis in her arm, when I was persuaded to use Ballard's Snow Lintment, which cured her all right. REAL ESTATE BOOMING.

Land Deals Getting Lively at Brownsville.

(Special to Journal.)
Brownsville, Or., Dec. 15.—The Brownsville Real Estate Company this week sold the L. F. Brown farm, 2 1/2 miles southeast of Brownsville, consisting of 182 acres, to Phillip Stortz, the consideration being \$10,890. This is an excellent farm, and Mr. Brown has used both judgment and skill in its improvements; the most of the land being first-class hop land. It will make an ideal home for Mr. Stortz's son, who will take unto himself a bride about the first of the year, and will then assume charge of the place. Mr. Brown also sold Mr. Stortz about \$25,000 worth of stock, grain, machinery, etc. David Tibbetts also purchased 41 acres of W. T. Cochran for \$25 per acre. This added to what Mr. Tibbetts now owns will make a splendid dairy ranch.

Del Brown, lately from Colorado, has just purchased the Belle Sperling ranch of 300 acres, lying near Harrisburg, the consideration being \$30 per acre.

The Brownsville Real Estate Company, R. W. Tripp, manager, reports that land is steadily advancing in price, and the county all told in a very prosperous condition.
