Letters to School Children.
Chicago, Dec. 16.

Dear Children: We returned to Chicago over the Pennsylvania railroad.

Jersey City, New Jersey, is the terminal of this great four-track railroad, which runs west to Chicago 251.7 miles.

The limited train runs this distance in 18 hours. It can make the schedule in 16 hours, or make up 2 hours if behind.

The train is composed of five Pullmans, an observation car, a dining car, a buffet car and one baggage car. The buffet car has smoking room, barber shop, and baths. The observation car carries a library, stenographer and typewriter, which are free. This train is never crowded and generally carries 50 to 60 people. It is electric lighted from a large dynamo in the baggage car.

The ride from Jersey City, opposite New York, to Philadelphia, is through almost a continuous city, 20 miles long. There are factories, suburbs, the palaces of millionaires, golf links, race tracks, churches, colleges, all the way.

I stopped at Philadelphia three hours to visit Independence hall, the birthplace of American liberty, where the Declaration of Independence was signed up.

I wish every boy and girl in Oregon could see the room where the founders of this government met,

the chairs they sat in, the tables they wrote upon, the ink wells in which they dipped their pens, and the old cracked Liberty Bell that rung out the downfall of the British monarchy in America and made it the land of freedom.

At Chicago I met many old friends of my boyhood. Marlon W. Cook, our county clerk in Iowa, is procuring right of way for the Milwaukee, St. Paul railway. A young man who as our county auditor, Eliza W. Adams, has risen to the high position of secretary of the same great railroad company. This shows what our Marlon county officials may become.

His Cigar Doesn't Taste Right

And Yet Is Is the Same He Was Smoking With So Much Relish After Dinner Last Night, Out of the Very Same Box, Too.

IT ISN'T THE CIGAR—IT'S THE STOMACH.

Every smoker has experienced this peculiar condition of the stomach and liver, the result usually of imperfect digestion of food. And the blame is usually put on the cigar and not where it belongs.

Such men are usually high livers, hard workers mentally, living under high pressure and high draught, and it doesn't take a great deal to disorder the stomach and render the liver torpid.

They should make it a practice to use some tried and reliable remedy like Stuart's Dyspepsia Tablets, that will aid Nature and not force it and will take care of the sudden attacks of acute indigestion.

The use of these tablets is not to be confounded with the patent medicine habit. Stuart's Dyspepsia Tablets are not a patent medicine, but are composed of the very elements which Nature provides the healthy stomach to do the work of digestion—pepsin, diastase, golden seal, etc. There is no secret in their preparation—they are absolutely pure and therefore all the world uses them.

No matter how disordered the stomach may be, it will right itself if given the chance. Stuart's Dyspepsia Tablets digest food where the stomach can't, give the abused stomach and intestines a rest and offer renewed strength to the worn out glands and muscles.

Brain workers can rely on Stuart's Dyspepsia Tablets, no matter how tense the strain. All druggists carry them in the fifty cent packages, or if you prefer a free trial package can be had by sending your name and address today. F. A. Stuart Company, 71 Stuart Building, Marshall, Mich.

CHAMBERS—At the home of her daughter, Mrs. V. H. Howlett, in South Portland, at 1:30 o'clock Friday, December 21, 1906, Mrs. John Chambers, of diabetes, an old pioneer of Marlon and Polk counties.

Mrs. Chambers came to Oregon from Iowa in 1845, locating in Marlon county near Salem. She was the eldest daughter of John and Linda Martin. She was married to John Chambers in 1848, and experienced all the vicissitudes of the early pioneers. For the last twenty years she has lived in Portland. She was of a staunch and rugged character, loyal to her friends, generous to a fault, and full of stories of pioneer days. She leaves besides grandchildren and other immediate relatives, three sons and four daughters, all living in Oregon. The remains were interred in Salem today.
