A Lazy Liver

May be only a tired liver, or a starved liver. It would be a stupid as well as a savage thing to beat a weary or starved man because he lagged in his work.

If you have bitter or bad taste in the morning, poor or variable appetite, coated tongue, foul breath, constipated or irregular bowels, feel weak, easily tired, dependent, frequent headaches, pain or distress in small of back, snoring or distressed breathing in stomach, perhaps nausea, "risings" in throat after eating, and kindred symptoms of weak stomach and torpid liver, no medicine will relieve you more promptly at \$2.50 per bottle than the Golden Medical Discovery.

The "Discovery" is non-secret, non-alcoholic, is a glyceric extract of native medicinal roots with a full list of its ingredients printed on each bottle wrapper and attested under oath. Its ingredients are endorsed and extolled by the most eminent medical writers of the age and are recommended to cure the diseases for which it is advised.

Smith, Mr. Minton, Mr. Anderson and choir. Hymn, "There is a Song in the Air," No. 212. Prayer. Anthem, "The Christmas Herald," (Coomes), Mrs. Bean, Miss Cornelius, Mr. Hughes and choir.

H. Wyse, of McMinnville, evangelist of the Baptist occupied the Salem Baptist yesterday, and is very much with our city. He says Salem is a fine city, and in point of next to Portland.

Deafness Cannot Be Cured

By local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

An Agricultural School

The Albany Herald of Friday says: Prof. Gatch, president of the Oregon Agricultural college at Corvallis, has served notice to quit at the close of this scholastic year. The board of regents is therefore looking for a successor to the aged president. Among those under consideration are President E. D. Ressler of the state normal school at Monmouth and Prof. Dunway of Stanford university.
