REVEREND THOMAS M'CLARY

Reverend Thomas McClary, of Minnesota, in his great lecture "The Mission of Mirth," at Y. M. C. A., Saturday night, December 29, at 8:30.

Mr. McClary is a platform man, well known to many Salemites. For the past four or five years he has been one of the regular attractions at Gladstone park, near Oregon City, and people of this city who have heard him do not hesitate in pronouncing him one of the best men they ever heard.

His lecture tomorrow night "The Mission of Mirth" is his best. Those who attend the lecture and do not laugh will be given their money back when the show is over.

On the other hand the lecture is not all laugh. From stem to stern it bristles with pointed truths, which are new and fit for deep mental reflections.

If you are happy you will want to hear him, if you are blue, you should come out tonight and have that feeling driven away.

Tickets on sale at Y. M. C. A. office 9:30 Saturday morning. Admission 25 and 35 cents.

A Natural Result.

It is very reasonable to suppose if the foundation of a structure was removed that the building itself is bound to come down. This same principle can be applied to disease. Take medicine into the system that will remove the cause of sickness, and illness will leave itself. Dyspepsia, indigestion, sick headache and biliousness have their foundation in stomach disorders. Remove this weakness and the other symptoms are no more. There is one cure for all this that all druggists sell for 25c per box, it is Dr. Gunn's Improved Liver Pills. They get right at the beginning of these diseases and make the cure by taking away the cause.

State Library Work.

The report of State Librarian Gillingham shows there is a total of 25,000 volumes in the state library of which 15,000 are law books and 10,000 state and government pamphlets. He has begun a system of cataloguing the library, which has never been done before and asks for the services of an additional trained assistant to help along with the work which is growing too heavy for one man.

Deafness Cannot Be Cured

By local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Mr. Corey Here—

H. H. Corey, of Baker City, arrived in Salem this morning with his family and moved into the Conner house at the corner of Church and Mill streets. Mr. Corey will be one of the new clerks in the secretary of state's office under Mr. Benson.

Cured Paralysis.

W. F. Baily, P. O., True, Texas, writes: "My wife had been suffering five years with paralysis in her arm, when I was persuaded to use Ballard's Snow Liniment, which cured her all right. I have also used it for old sores, frostbites and skin eruptions. It does the work."

Sold by D. J. Fry's drug store.

Mary Hagen of Buffalo Jumped into River and Was Swept Over.

Niagara Falls, N. Y., Dec. 28.—A woman supposed to be Mary Hagen, of Buffalo, jumped into the river and was swept over the American falls before the eyes of a number of people on Prospect Point.

Ready for Fight.

Tonopah, Dec. 28.—Everything is in readiness for the fight. A big crowd and large representation from the coast is expected. The arena is completed and is the finest in the country, every seat being in close range. Hermann has let down in training and will box no more so as not to injure his hands. Gans it is announced, is at weight. It is expected delegations will begin to arrive tonight. The betting, which favors Gans two to one, will not change. The negroes plan a possum bake and ball for Gans New Year night. Hermann says the fight will not go over 18 rounds.

Has a New Position.

Fred A. Richter, a Salem boy, who has been in the Indian school service for several years past, chiefly in Washington, has taken a position as engineer at the Yankton Indian school at Greenwood, S. D. Mr. and Mrs. Richter write that they enjoy their new location very much, but that it is extremely cold in the Dakota country.

He has been in France and Egypt most of the time.

Warm Reception for Scabs.

Tonopah, Dec. 28.—The restaurant proprietors are importing cooks and waiters from Denver and Salt Lake. Industrial Workers World say they will bring 500 miners from Goldfield and make trouble for the imported waiters who are expected tomorrow.

Gas Pipe Murderers.

San Francisco, Dec. 28.—Judge Cook today denied the motions for a change of venue and appointed a commissioner to take depositions in Hawaii and set the trial of John Siemsen, the gas pipe thug, charged with three murders, for January 3.

His Cigar Doesn't Taste

And Yet Is Is the Same
Smoking With So Much
After Dinner Last Night,
of the Very Same Box, You

IT ISN'T THE CIGAR—IT'S THE STOMACH.

Every smoker has experienced a peculiar condition of the stomach, liver, the result usually of indigestion of food. And blame is usually put on the cigar not where it belongs.

Such men are usually high hard workers mentally, living high pressure and high draught it doesn't take a great deal to order the stomach and render liver torpid.

They should make it a practice use some tried and reliable medicine like Stuart's Dyspepsia Tablets, will aid Nature and not force it will take care of the sudden attack of acute indigestion.

The use of these tablets is to be confuted with the patent medicine habit. Stuart's Dyspepsia lets are not a patent medicine, are composed of the very best which Nature provides for the stomach to do the work of digestion—pepsin, diastase, golden seal. There is no secret in their preparation;—they are absolutely pure therefore all the world uses them.

No matter how disordered stomach may be, it will right if given the chance. Stuart's Dyspepsia Tablets digest food where stomach can't, give the abused stomach and intestines a rest and renewed strength to the work glands and muscles.

Brain workers can rely on Stuart's Dyspepsia Tablets, no matter tense the strain. All druggists have them in the fifty cent packages, you prefer a tree trial package be had by sending your name and address today. F. A. Stuart & Co., 71 Stuart Building, Marshall Mich.
