# TAFT WILL TAKE THE NOMINATION JAPANESE REDS THREATEN THE PRESIDENT

## TAFT WILL NOT REFUSE

## The Nomination For the Presidency

## From a Candidate

Taft this morning said there were were present at the ceremony were Finn descrited her and three children president, as representing the capi- ing his duties faithfully, and that assuring reports of Cuba from Magoon and no danger of a general uprising. The provisional government of this country is established and will continue it s functions peaceably. Taft forced by reports says: "My ambition is not political. I am not seeking the presidential nomination and do not expect to be a candidate because I am unavailable, but I am not foolish enough to say I would refuse in event a great improbability, because I would not decline the nomination.'

velt supporters in this city say they know that Taft will run for presi- just published show that there are dent.
