

Catarrhal Gastritis

"For two years I was in a very bad condition. I was treated by a number of eminent physicians for chronic catarrhal gastritis and dilatation of the stomach, and obtained no relief. I grew gradually worse, my breathing was so difficult at times that I thought I would die. My heart was in very bad condition from poor circulation and pressure of the dilated stomach. I decided it was only a matter of a very short time with me. I was advised to try Dr. Miles' Nerve and Heart Cure, and before I had finished taking one bottle of the medicine I felt like a new being. I took eight bottles of the medicine, and am entirely cured, for a matter of about \$8.00 in the face of two hundreds spent in the two years before without relief."

A. D. SLACK,
Master Mechanic of the L. & G. N. R. R., San Antonio, Texas.

Dr. Miles' Nerve is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.

TILLAMOOK SHERIFF ACTIVE

Raids Gambling and Drinking Places Run in Violation of Laws

Tillamook, Jan. 8.—(Special.)—Sheriff Crenshaw, true to his election promise, who said he would do his duty in enforcing the laws, has been a busy man the past week securing evidence against those who have been violating the local option and gambling laws, and it is surprising how many persons he has evidence against for violating these laws. It was no secret that the law breakers have been violating the law for the evidence against them have been coming in thick and fast, notwithstanding that on two occasions the citizens of Tillamook county have voted against the lawless element of Tillamook City. Wednesday night Sheriff Crenshaw showed that he meant business, and in doing so made it tropical for the law breakers, for before noon on Thursday he had arrested 13 persons.

The first move was made on the White Corner, where it was known gambling games have been running. Sheriff Crenshaw and Deputy Sheriff Holden, finding they could not get in by the side door to the gambling room, went into the front door, and knowing the secret knocks which would admit them, had a man to give them on the gambling room door. This was partly open and despite the effort to close the door when it was found the officers were outside, Sheriff Crenshaw and deputy pushed it open and obtained admittance. Tom Johnson, who appeared to be the door keeper and only to admit those who knew the ropes, made a move to get away after he could not keep the officers out, but the sheriff soon put a stop to any move in that direction, and placed him and Geo. R. Edmunds, Howard Edmunds and M. F. Leach, who were playing under arrest and took them to the court house. They persisted in saying they were not gambling when the sheriff entered the gambling room.

Since the White Corner, always a disreputable place, started up with a soft drink counter, things have been getting worse in this city, both as to selling whiskey and as to gambling, but this was not the only place where the law was violated.

Then the sheriff went and pulled Frank Moore, the Jap cook, out of bed on board the steamer Sue H. Elmore. Previous to doing so, the Jap cook told another party that he had no whiskey, for he had sold out, but it was the whiskey that the Jap had previously sold out which got him into trouble again. He was taken to the county jail and locked up. Moore has been fined before.

The others who were arrested for violating the local option law were Frank Buttz, Ed. Johnson, J. P. Allen, D. H. Ellison, Nick Job, T. Turney and Tom Brown.

The last arrest of the first batch of the law breakers caused the most surprise. This was ex-Councilman W. O. Chase, an independent candi-

date at the last election for justice of the peace. The sheriff had hooked him by the gills with several charges against him up his sleeve. He had been running a twenty-one game, turning his residence into a gambling joint, where he took the young fellows, but wasn't wise enough to see that the sheriff was onto his little game. This is not the first gambling that Chase has run, for having lost money at gambling tables, to get his money back he started a game himself. When the sheriff went into Fred Forslund's place to arrest Chase, he jokingly said that he hadn't done anything, but when the sheriff told him he had a warrant, anyway, for his arrest, it was no joking matter.

Sheriff Crenshaw turned the gambling cases over to the city and as Recorder Holden was a witness in the cases, they had to come before Mayor H. T. Botts, while the whisky cases went before Justice A. T. White.

After the arrest of Geo. R. Edmunds, M. F. Leach, Howard Edmunds and Tom Johnson, a preliminary hearing was held in their case late at night on Wednesday. They claimed they were not gambling. After Sheriff Crenshaw had made the raid he gathered up the chips and gambling paraphernalia and took them to the court house. Another thing connected with the gambling room, the sheriff found liquor there also. As the defendants persisted in saying they were not gambling at the time the raid was made, and were simply in the gambling room talking at the time, the mayor consented to dismiss the case against them on a plea of not guilty, provided they paid \$50 each into the city treasury, and this being satisfactory, the matter was amicably settled in that way.

When the would-be justice of the peace was brought before Mayor Botts he pleaded not guilty, but the evidence was so clear against Chase that he was fined \$100, the maximum penalty that can be imposed for violating the city ordinance against gambling.

Frank Moore, the Jap cook, pleaded guilty to violating the local option law, and this being his second offense he was fined \$250 and 30 days in jail. Should he fail to pay his fine he will have to spend four months in jail.

Ed. Johnson and J. P. Allen pleaded guilty and were each fined \$50.

Tom Brown's case will be tried this afternoon, before a jury.

Sheriff Crenshaw has three to four cases against the whiskey sellers and another against W. O. Chase.

From Chicken-Pox to Cholera

Cure-Ails No Longer Tolerated.

In early days every barber shop was an operating room and the town physician resorted to bleeding as the sure cure for all ailments from chicken-pox to cholera. As a result, many, including our first President, died prematurely.

The present low rate of mortality is due in large measure to the advances made in medical science and the knowledge of the specific treatment needed for each disease known.

There is no disease more common among American and English people than dyspepsia. So prevalent has it become that thousands suffer with it half unconsciously, consider the symptoms as natural to their physical constitution and resign themselves to live on in that condition.

There is a remedy for dyspepsia, and only one, recommended and endorsed generally by physicians—Stuart's Dyspepsia Tablets have stood the test of years of use by millions of sufferers, have been subjected to government analyses in Europe and America and alone have been found to contain the elements which nature has put into the stomach for digestion—pepsin, diastase and other ferments.

Stuart's Dyspepsia Tablets relieve the stomach and bowels in a perfectly natural way by helping them do their work. If the stomach is weak in gastric juice, Stuart's Tablets invigorate them. Stuart's Dyspepsia Tablets digest every form of food entering the stomach, one grain of the active principle of these Tablets being capable of digesting 3,000 grains of meat, eggs and other foods. They are not cathartic pills—their action is simply that of a digestive.

Stuart's Dyspepsia Tablets cure nothing but dyspepsia, waterbrash, sour stomach and kindred ailments resulting from the imperfect digestion of food, but these diseases they positively cure.

We will gladly send you a trial package to prove the truth of our claims. Stuart's Dyspepsia Tablets can be gotten of all druggists at 50 cents. F. A. Stuart Co., 69 Stuart Bldg., Marshall, Mich.

The Badge of Honesty

Is an every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Sent to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Cox, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing by applying to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.
