

A Woman's Health

Is a heritage too sacred to be experimented with. For her peculiar and delicate ailments only medicines of known composition and which contain no alcohol, narcotics, or other harmful or habit-forming drugs should be employed. The one medicine which fulfills all these requirements is Dr. Pierce's Favorite Prescription—a remedy with a record of over forty years of cures to recommend it; a remedy, the makers of which print its formula on every bottle-wrapper and attest its completeness and correctness under oath; a remedy devised and adapted to woman's delicate constitution by an educated physician—an experienced specialist in woman's diseases; a remedy, every ingredient of which has received the written endorsement of the most eminent medical writers of all the several schools of practice for the cure of woman's peculiar diseases; a remedy which has more bona-fide cures to its credit than any other sold by druggists for woman's special requirements. It is not given away in the form of "trial bottles" to be experimented with, but is sold at a fair price by all dealers in medicines.

Delicate, weak, nervous women should especially shun the use of alcoholic medicines which, from their stimulating and exhilarating effects may seem, for a time, to do good, but which from the inevitable effects of the alcohol in shrinking up the red corpuscles of the blood are sure to do great and lasting harm in the long run. Besides they beget a craving for stimulants which is most deplorable.

Only invigorating and nerve strengthening effects can follow the use of this famous medicine for women. It can not possibly do harm in any state or condition of the system. It has been carefully adapted to woman's needs by an experienced physician—a specialist in their diseases. It makes weak women strong and sick women well.

If a woman has bearing down, or dragging pains, low down in the abdomen, or pelvis, backache, frequent headaches, dizzy or fainting spells, is nervous and easily startled, has gnawing feeling in stomach, sees imaginary floating specks, or spots before her eyes, has melancholia, or "blues," or a weakening disagreeable drain from pelvic organs, she can make no mistake by resorting to the use of Dr. Pierce's Favorite Prescription. It will invigorate and tone up the whole system and especially the pelvic organs.

Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of native American medicinal roots and is perfectly harmless in its effects in any condition of the female system.

As a powerful invigorating tonic, "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For over-worked, "worn-out," run-down, debilitated teachers, milliners, dress-makers, seamstresses, "shop-girls," house-keepers, nursing mothers, and

feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequalled as an appetizing cordial and restorative tonic.

As a soothing and strengthening nerve "Favorite Prescription" is unequalled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing, nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and despondency.

No woman suffering from any of the above symptoms can afford to accept any secret nostrum or medicine of unknown composition, as a substitute for a medicine like Dr. Pierce's Favorite Prescription, which is of known composition and has a record of over forty years of cures and sells more largely to-day than ever before. Its makers withhold no secrets from their patients, believing open publicity to be the very best guaranty of merit.

Dr. Pierce invites all suffering women to consult him by letter free of charge. All letters of consultation are held as strictly private and sacredly confidential and all answers are returned in plain, sealed envelopes. Address: Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good." They are the original Little Liver Pills first put up by Dr. Pierce over 40 years ago. Much imitated, but never equaled. They are tiny sugar-coated granules—easy to take as candy.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

BAKER OUT OF BONDAGE

That County Gets Benefit of Raised Valuations

Baker City, Jan. 9.—(Special)—For the first time in 29 years Baker county will be entirely free from debt by April 10, 1907. In addition to this it will have \$20,000 in its road fund, \$32,000 in its school fund and money on hand to pay cash for every dollar of current expense for the ensuing year. This announcement was made this morning by the county court, which has decided to levy a 16 mill tax which will lower the amount paid by the taxpayers this year, in comparison with last, by one and a half mills.

Although the state tax on Baker county is nearly double this year what it was last the county will pay every cent of it, will raise the money for the other funds mentioned and is still able, through the sound business methods employed by the county court, to lower the sum asked of the taxpayers one and a half mills.

Last year the county tax was 25 mills on an assessment roll of \$4,272,304, the sum of \$149,530.64 being raised. This year the assessment rolls have been doubled and equalized totaling \$8,632,590, which, with a 16 mill levy will require the taxpayers to expend but \$138,121.44. The county court proposes to clear off all debt and place the county on a business basis with \$11,409.40 less than the sum used in a year by the old administration, which kept the people under its jurisdiction in debt all of the time.

Another feature of the present condition of the county finances is that for all of its big levy last year and large sum of money raised, the old administration provided for the payment of only \$2,147 on the county debt which then amounted to almost \$100,000. They figured on applying but this mite of the taxpayers money on the debt and counted on raising about \$14,000 from fines and licenses, an uncertain income at any time.

When Judge Messick and Commissioner Cropp were elected to the court they applied modern business methods to the affairs of the county and in consequence it will be out of debt and "on velvet" by April of this year.

At present the county owes approximately \$29,000. The February bills will amount to about \$5000 on account of the session of the circuit court, the March bills will be approximately \$3,000 and in April the expenditure of the court will probably be \$3,500. This will mean about \$40,000 to be paid up in April. This will be paid in full and Baker county for the first time in 29 years will be on a working basis.

Thousands Have Kidney

Trouble and Never Suspect it.

How To Find Out.
Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in fifty-cent and one-dollar sizes. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When some of Swamp-Root, writing mention this paper and don't make any mistake, but remember the name, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y.

At the request of Senators Teller and Daniels the senate today held up the nominations of Cortelyou and Garfield for secretaries of the treasury and interior. The only excuse is they don't make offices until March 4th, and there is no hurry to confirm.

In Wyoming Senator Warren was renominated today by the Republicans.
