MANY PEOPLE TALK

Swarms of Humanity Flock to See Cooper at His Headquarters

St. Louis, Jan. 24.—In view of the enormous sale of Cooper's preparations now going on in this city and the intense interest which Mr. Cooper has stirred up since his arrival, a representative of the Globe-Democrat spent this afternoon at the young man's headquarters, watching the swarm of humanity come and go.

During the afternoon the reporter interviewed many of the callers and obtained statements from all who cared to give them as to their experiences with Cooper and his preparations.

The following are selected from those statements as being typical of the general expression of the people seen:

Mr. W. T. Bray, living at 1129 Angelic St., when interviewed, said: "I had suffered for years with stomach, liver and kidney trouble, seven years, in fact. I had tried many remedies, but obtained no help from any medicine I took. I bought one bottle of the New Discovery medicine and one of the Quick Relief. After using them one week, I felt so wonderfully improved I can hardly believe it possible. I am very grateful to Mr. Cooper. He has a wonderful medicine."

Another caller was Mrs. Clara Yohe, living at 1610 Locust St. She said: "I had suffered with stomach trouble for several years. I was so had the last year I could not eat anything at all. I could not digest my food and had severe pain in my stomach most of the time. I did not sleep well and had severe headaches at times. I have tried many remedies and have been to a number of physicians. I bought some of this man Cooper's preparations. I feel greatly benefited and have gained steadily in flesh since using the medicines. I have not a trace of stomach trouble left, and have come here to thank Mr. Cooper."

Mr. C. A. Taylor, of 4226 Finney Ave., said: "I have been suffering with severe stomach trouble for several years and owing to the nervous conditions caused by this trouble, I could not sleep. The only relief I obtained was when up and walking around. I tried everything heard of for stomach trouble, but nothing gave me any relief. I heard so much of this man Cooper, that I decided to try his medicine. I have used several bottles and noticed a decided improvement almost immediately. I am now entirely cured, and feel happier than I have for several years."

Mr. John Schenk, of 2111 N. 12th St., when questioned, said: "I have had eight years of suffering and sleepless nights on account of stomach trouble and headaches. I have used one bottle of Cooper's preparation, and now rest every night. I have not a trace of stomach trouble left and have been immensely benefited every way."

Mr. S. P. Hitchings, living at 2147 Franklin Ave., made the following state: "I have suffered with rheumatism for 30 years. I was stiff in all my joints so that I could hardly use them. I have tried Cooper's remedy and have come here to thank him and purchase more, as I can now handle myself perfectly after using the preparation one week. I feel better than I have for years."

Amelia Leonard, living at 1539 Salsbury St., says: "I have suffered for the past ten years with stomach trouble, headaches, dizziness and kidney trouble. I have been treated by a number of physicians and have used all kinds of medicine, nothing did me any good. My appetite was very irregular and my back pained me greatly. In fact my life was a misery to me all the time. I suffered with nervousness and loss of sleep. I have used two bottles of the New Discovery medicine. This morning an immense tapeworm passed from my system. This has undoubtedly been the cause of all my sufferings, and I am very grateful to this man who has relieved me."

In spite of assertions made by various physicians that Cooper is a fraud, who will soon die out, the young man seems to be gaining even greater headway as his visit draws to a close. It is estimated that four thousand people called on him yesterday.

Geo. W. Holcombe, one of the directors of the Salem Mutual Canning Company, was a business visitor to Salem yesterday.

CATARRH OF THE STOMACH

A PLEASANT, SIMPLE, BUT AND EFFECTUAL CURE FOR IT.

Costs Nothing to Try.

Catarrh of the stomach has been considered the next thing incurable. The usual symptoms are a full or bloating sensation, eating, accompanied sometimes by sour or watery risings, a formation of gases, causing pressure on heart and lungs and difficult breathing, headaches, sickle appetite, nervousness and a general languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested. It has time to ferment and form the rediculate mucous surface of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when such digestion is assured the catarrh condition will have disappeared.

According to Dr. Harlan, the safest and best treatment is to take after each meal a tablet, composed of Diastase, Aseptic Pepsin, a little Nux, Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. R. S. Workman, Chalmers, Ill., writes: "Catarrh is a condition resulting from a neglected cold in the head, whereby the membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat reaches the stomach. Medical authorities prescribed for me three years for catarrh of the stomach without cure, but today I am the happiest of men after using only a box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and soundness from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, catarrh of stomach, biliousness, sour stomach, heartburn and bloating of the meals.
