Smiles

An open winter goes with an open heart.

Delays are dangerous, except in matrimony.

A cat may look at a king, but it prefers a mouse.

A cook is known by the company she doesn't keep.

A miss is as good as a mile of old maids.

Henry Arthur Jones, the famous English playwright, will bring out a new little play in the American Magazine for March.

Col. Dosch urges a large appropriation for the Jamestown exposition. The Colonel has done nothing else for the past twenty years. It has become a habit with him. The rest of his time is spent in the employ of the state at the expositions.

The most stupendous of all leaps of the sea is the whale—but the whale is not a fish. See a monster weighing hundreds of tons, possibly eighty feet in length, rise slowly and deliberately out of the water until it appeared to be dancing on the surface, entirely clear of it, then sink slowly back. Such a leap is on record in the annals of the British navy. A large whale cleared a boat, going completely over it, an estimated leap of twenty feet in air—how many in a lateral direction was not known.

On the Open Road.
Out to the joy of the open road
Soon shall my feet be gone,
Led by the dreams of the heart of youth
Over the slopes of dawn.
Desert and valley and heights of snow,
Plains where the rivers run;
Jungles and steppes of the frozen North,
Islands that take the sun.

Naught girls that dance in the silent moon,
Sphinx of the world-old Nile;
Caravans crossing the trackless waste
Pyramids pile on pile.
Italy, Greece and the Caucasus,
Persia and Hindostan;
I shall see them all with the heart of the boy
Alive in the heart of the man.

Glad with the love of the open road,
Free-hearted I take my way.
Cities and men and a life of change
Shall welcome me day by day.
Midnights shall pass with their starry deeps,
Noons shall have come and gone;
While still from the gray of the skies before
Breaks the orient rose of dawn.
—Lewis Worthington Smith in The Outing Magazine for February.

Cured of Lung Trouble.
"It is now eleven years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Kershaw, S. C. "I had run down in weight to 135 pounds, and coughing was constant both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months, when my cough and lung trouble were entirely gone and I was restored to my normal weight, 170 pounds." Thousands of persons healed every year. Guaranteed at J. C. Peery's drug store; 50c and \$1.00. Trial bottle free.

A Railroadman's Conversion.
An exchange states that a railroad man who had been converted and was called upon by his pastor to make a public prayer, uttered the following petition:

"Now that I have flagged thee, lift up my feet from the rough road of life and plant them safely on the deck of the train of salvation. Let me use the safety lamp of prudence, make all couplings with the like of love, and let my handlamp be the Bible, and keep all switches closed that lead off the main line into the sidings with blind ends. Have every semaphore block along the white light of hope that I may make the run of life without stopping. Give me the ten commandments as a working card, and when I have finished the run on schedule time and pulled into the terminal, may Thou, superintendent of the universe, say, 'Well done, good and faithful servant; come into the general office to sign the payroll and receive your check for happiness.'"
