

# Coughs of Children

Especially night coughs. Nature needs a little help to quiet the irritation, control the inflammation, check the progress of the disease. Our advice is—give the children Ayer's Cherry Pectoral. Ask your doctor if this is his advice also. He knows best. Do as he says. We have no secrets. We publish the formulae of all our preparations. J. C. Ayer & Co., Lowell, Mass.

## NEW YORK LETTER

(Continued from page three).

There is no doubt about the success of the legislation in the lower house. How the Bingham bill will fare in the senate remains to be seen. There are still many men there who are with McCarren and Grady. At least 80 per cent subject and whose decisions on that subject underwent sudden and unaccountable change. In this instance there is no fear of intervention in behalf of the Bingham scheme by Governor Hughes, who does not meddle with the legislative business. But it should be noted that the handling of a boodie bill in Albany under the searching eye of the resourceful Hughes would be attended with unusual hazards. There is a district attorney in Albany, and a grand jury. And the governor of New York can remove a district attorney who does not look out and punish crime.

The announcement made by Mr. Rockefeller's fortune is not exceed \$300,000,000 has been as a cruel blow to many citizens. Mr. Rockefeller sunk to the significant level of half a dozen or more wealthy men is such a disaster to the cause of reformers that many of the latter may be driven to foreclosure and desperation. If Mr. Rockefeller had really known how the brain work of thousands of people depends upon rumors about wealth, he would never have allowed the facts to come to light. He could have published some oracular statement capable of seven or eight different interpretations, so that all manner of men might construe it to their personal fancies. Coming as unequivocally, though, with a confession that classes him along with the late Marshall Field and other old school millionaires Mr. Rockefeller ruthlessly robs many a good soul of raw material for table conversation and takes the zest out of many a struggling periodical.

WM. PARKINSON.

## How to Remain Young.

To continue young in health and strength, do as Mrs. N. F. Rowan, Senoah, Ga. did. She says: "Three bottles of Electric Bitters cured me of chronic liver and stomach trouble, complicated with such unhealthy condition of the blood that my skin turned red as flannel. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease and assist in my husband's store." Guaranteed at J. C. Perry, druggist, Salem, Ore.

**Unseemingly Church Row.**  
Toronto, March 2.—At Cayuga today the case at the suit of Rev. J. Dyke, pastor the Methodist church against Alexander Mitchell, one of the church trustees, whom he charges with assault and unseemly conduct in the church, will be investigated. It appears that at the Sunday services the pastor remonstrated with Mitchell and accused him of hiding the plate after collecting the offertory. This led to a set-to which broke up the service in confusion. It is alleged that the pastor was paid more than his stipend last year, but this understanding was that his stipend had been increased. This year the increase was not forthcoming, and the trustees accuse him of deducting the amount he considers coming to him from the collection plate, hence the precaution of concealing it.
