

Marks of Distinction

What the Victoria Cross is to the British soldiers, the "Triangle A" is to cigars—the mark of highest merit.

Only soldiers of proven merit wear the cross.

Only the best cigars on earth bear the "▲" (Triangle A).

You record an emphatic protest against low-quality high-profit cigars every time you demand the "Triangle A" brands.

When you buy cigars get your money's worth and be sure of it!

Choose your cigars from boxes bearing the "Triangle A" mark of merit—then you know you're getting greater value than your money can buy any other way.

The "Triangle A" identifies the product of the American Cigar Company—the only complete organization with the only "stemmeries" equipment for scientifically developing the ripest fragrance of the best tobacco, for making a smooth, uniform blend, and for delivering the cigars to you in their best smoking condition.

The "Triangle A" on a cigar box guarantees full value, cleanliness, and unvarying quality.

The New CREMO

represents the best quality that can be produced and sold for five cents—it proves every claim we make for cigars sold under the "Triangle A."

Every box is extra-wrapped in glassine paper, sealed at each end with the "Triangle A" in red, to maintain perfect smoking condition and cleanliness until the box is opened.

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and Ambition Slipping Away.

Salem women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Salem woman's words:

Mrs. S. Collins, of 679 High St., Salem, Ore., says: "Troubles with my kidneys and backache have caused me much annoyance for several years. Although I used a good many remedies, I obtained no positive relief until my attention was called to Doan's Kidney Pills and I procured them at Dr. Stone's drug store. They soon brought me effective benefit, ceased the bearing down feeling through the back and loins and banished the aching and other symptoms that had annoyed me for so long. I have since learned of others who think the world of your reliable remedy and I gladly recommend it to all suffering from backache or kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Ask Exemption from Texas. Providence, R. I., March 18.—The taxpayers, in public meeting today, are considering the petition of the Forestdale Manufacturing company asking that the new brick addition to be erected by the company at Forestdale be exempted from taxation for a period of ten years.

STOP WOMAN AND CONSIDER

First, that almost every operation in our hospitals, performed upon women, becomes necessary because of neglect of such symptoms as Backache, Irregularities, Displacements, Pain in the Side, Dragging Sensations, Dizziness and Sleeplessness.

Second, that Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, has cured more cases of female ills than any other one medicine known. It regulates, strengthens and restores women's health and is invaluable in preparing women for child-birth and during the period of Change of Life.

Third, the great volume of unsolicited and grateful testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time being published by special permission, give absolute evidence of the value of Lydia E. Pinkham's Vegetable Compound and Mrs. Pinkham's advice.

Lydia E. Pinkham's Vegetable Compound

For more than 30 years has been curing Female Complaints, such as Dragging Sensations, Weak Back, Falling and Displacements, Inflammation and Ulceration, and Organic Diseases, and it dissolves and expels Tumors at an early stage.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to write Mrs. Pinkham, Lynn, Mass. for advice. She is the Mrs. Pinkham who has been advising sick women free of charge for more than twenty years, and before that she assisted her mother-in-law, Lydia E. Pinkham in advising. Thus she is especially well qualified to guide sick women back to health. Write today, don't wait until too late.

The newspapers have given Alderman Haas too much prominence and too many unkind criticisms. He should not be ordered to leave town as one correspondent suggests.

SUBURBAN TRAIN SERVICE.

Southern Pacific Will Operate Daily Passenger Trains Between Eugene and Springfield, Wendling and Coburg, Beginning Within a Few Weeks.

Eugene, March 18.—The new cut-off branch between Springfield and Springfield Junction was formally turned over to the Southern Pacific company and accepted. It is now in the hands of the operating department of the company and as soon as the bridge across the mill race in Springfield is completed, which will be in a very few weeks, a regular passenger service between Eugene and Springfield will be inaugurated. It is said that the passenger department of the company is now working on a schedule for this service, and it will be given to the public within a short time.

A suburban service of several trains daily will be established between Eugene and Springfield, Coburg, Wendling and possibly Natron, such as the Eugene Merchants' Protective association petitioned for last summer, although not as many trains as suggested by the association will be put on, as that many would not be practicable. There will no doubt be, however, enough trains so that the people living on the Wendling and Woodburn-Natron branches can come to Eugene and spend a few hours shopping and return home in the afternoon or evening without having to transfer from stage to train, and vice versa. It is also probable that there will be several trains daily between here and Springfield, taking the place of the present stage service and affording a service such as would be given by a trolley line.

Congressmen on Panama Jaunt Returning.

Washington, March 18.—The party of fifty congressmen, who sailed for Panama to inspect the work on the isthmian canal on March 6, sailed yesterday from Colon on the return trip. They will arrive in New York on the 23rd. They had a fine time, being abundantly entertained. They took great interest in the canal, giving it a thorough survey.

Cured Lumbago.

A. B. Canman, Chicago, writes Mar. 4, 1903. "Having been troubled with Lumbago, at different times and tried one physician after another, then different ointments and treatments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of sufferers." Sold by D. J. Fry.

Alvarado's Offer Accepted.

Mexico, March 18.—The Yaquis are to be exterminated or driven to other hiding places, from whence perhaps they must hustle out from time to time to harry hapless settlers. Pedro Alvarado, of Faral, offered to give ten million of dollars to equip and maintain a regiment of Indian fighters to rid Mexico of the Yaquis. President Diaz has concluded to accept the regiment upon condition that all the officers of the command shall be selected from the Mexican army, and that none but Mexicans shall be enlisted in the campaign. The war department wants to disburse the funds, and this Alvarado agrees to, but begs Diaz not to insist upon using none but Mexicans. Alvarado has received offers from many Arizona and Dakota frontiersmen to furnish a company.

To Owners of Bad Breath-

Foul Odor of Indigestion, Smoking, Eating or Drinking Stopped at Once With Stuart's Charcoal Lozenges.

Trial Package to Prove It Sent Free
Billious breathers, onion eaters, indigestion victims, cabbage consumers, smokers, drinkers and those with gas on the stomach are in a class all by themselves, distinguished by a powerful bad breath.

They all breathe, and as they breathe, they whiff out odor which makes those standing near, turn their heads away in disgust. The pitiable part of it is that these victims do not realize what a sickening thing a bad offensive breath is to others.

Charcoal is a wonderful absorber of gases and odors. It absorbs 100 times its own volume of gas.

Stuart's Charcoal Lozenges will put a stop to your bad, offensive breath, and to your belchings, whatever the cause or source, because the charcoal quickly absorbs all noxious, unnatural odors and gases.

If you suffer from indigestion and belch gas as a result, Stuart's Charcoal Lozenges will absorb all the gas and make you stop belching.

If on getting up in the morning you have such a bad, bilious breath, that you can almost smell it yourself, Stuart's Charcoal Lozenges will get rid of it for you quickly.

If you have been smoking or chewing, or have been eating onions or other odorous things, Stuart's Charcoal Lozenges will make you breathe pure and sweet.

Charcoal is also the best laxative known. You will take a whole boxful and no harm will result. It is a wonderfully easy regulator.

And then, too, it filters your blood—every particle of poison and impurity in your blood is destroyed, and you begin to notice the difference in your face first thing—your clear complexion.

Stuart's Charcoal Lozenges are made from pure willow charcoal, and just a little honey is put in to make them palatable, but not too sweet.

They will work wonders in your stomach, and make you feel fine and fresh. Your blood and breath will be purified. You will feel clean inside.

We want to prove all this to you, so just send for a free sample today. Then after you get it and use it, you will like them so well that you will go to your druggist and get a 25c box of these Stuart's Charcoal Lozenges.

Send us your name and address today and we will at once send you by mail a sample package free. Address F. A. Stuart Co., 93 Stuart Bldg., Marshall, Mich.
