Southern Pacific Announces Excursions

Have Ten Days Going and Ninety Days to Return

San Francisco, March 20--Today the Southern Pacific through Traffic Manager, Charles S. Fee, announced its intention to make many excursion rates between the East and West during the approaching spring and summer, carrying many stopover and other privileges.

The Jamestown exposition, opening April 26th, and remaining open to November 20th, will have special rates on May 25, 26, 27, June 6, 7, 8, July 9, 10, 31, September 11, 12, 13, practically at one fare for the round trip.

On May 20, 21, June 6, 7, 8, July 3, 4, 5, August 8, 9, 10, September 11, 12, 13, tickets will be sold to Chicago, Omaha, Kansas City, St. Paul, Minneapolis, Houston, Memphis, New Orleans, St. Louis at one fare for the round trip--\$72.50 to Chicago, \$60.00 to Kansas City, etc., etc., and also at low rates to Boston, New York, Baltimore, Philadelphia and Washington.

Tickets will be sold May 20, 21, 25, 26 and 27, chiefly for the benefit of Stanford students going home, and for attendance at the American Medical Association, which meets in Atlantic City July 4-7. The rates made June 6, 7, 8 are for Scandinavians, who have chartered a steamer from New York and a special train over the Southern Pacific Ogden route from California, and who are going home with the expectation of bringing many countrymen back with them. The rates on July 3, 4, 5, are made to enable the members of the Theatrical Mechanical Association to attend the annual meeting at St. Louis; for the Knights Templar, who convene in Saratoga, N. Y., July 9-13, and for the Y. P. C. U., who convene in Boston July 10-17.

The Elks meet in Philadelphia July 15-18, and for them the Southern Pacific announce special round trip rates to that point, tickets to be sold July 9 and 10.

The G. A. R. convenes at Saratoga, N. Y., in August next, and the veterans will have a rate of practically one fare for the round trip, tickets to be sold August 8, 9, 10, at all Southern Pacific stations.

The Eagles meet at Norfolk September 3-7, and will be made a special rate, leaving California August 29.

All the rates named above are open to the general public, regardless of occasion for which made.

These special excursions will, as a rule, have ten days going trip limit, in which to reach destination, and 90 days in which to return. Stopovers will be allowed generally west of Chicago on going or returning trip (except in California) on tickets sold on the coast.

The Imperial Council, Ancient Arabic Order, Nobles of the Mystic Shrine, will be held at Los Angeles May 6-11, 1907, and conference of German Baptist Brethren will be held at Los Angeles May 16-23, 1907. For these meetings reduced rates will be made by the Southern Pacific Company from all points on its lines. Round trip tickets will also be sold from Eastern points to San Francisco and Los Angeles at one lowest first-class one way fare for the round trip, namely, \$45 from Denver, \$50 from Omaha, Council Bluffs and Kansas City, \$62.50 from Chicago, \$57.50 from St. Louis and New Orleans and corresponding rates from other points. A. B. Canman, Chicago, writes Mar. 4, 1903. "Having been troubled with Lumbago, at different times I tried one physician after another, then different ointments and treatments, gave it up altogether.
