PRESCRIPTION TO CLEANSE THE BLOOD.

Any one can easily mix the following prescription at home, which is said to be splendid because of its peculiar action upon the kidneys, which are made to properly filter and strain from the blood the impurities and poisons.

Get the ingredients, which are all of vegetable extraction and harmless, from any good pharmacy and mix them by shaking well in a bottle: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

Take in teaspoonful doses after each meal and at bedtime. Drink plenty of good water, too. Those who require a good blood cleanser and system tonic, whose kidneys are weak and clogged up, should prepare this mixture and take as directed for a few days and note results.

How to Remain Young.

To continue young in health and strength, do as Mrs. N. F. Rowan, McDonough, Ga. did. She says: "Three bottles of Electric Bitters cured me of chronic liver and stomach trouble, complicated with such an unhealthy condition of the blood that my skin turned red as flannel. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease and assist in my husband's store." Guaranteed at J. C. Perry, druggist. Price 50c.

Oregon City is to form a military company.

The Medford National and Jackson County Banks occupy new buildings, recently completed at a cost of \$80,000.

Sleep And Rest. Every movement of the body consumes energy. So does mental effort. Energy is supplied by the nerves. It follows that physical or mental exhaustion simply means an over-draft on the nerves. Nature restores energy through rest and sleep. You cannot sleep with tired nerves. Dr. Miles' Nerve Tonic soothes the irritation and restores nervous energy.

Woman Rider Keeps in Front. New York, March 21.—Miss Josie De Mott, the only woman who has landed a complete back somersault on a running horse and lived, is ready for her return to New York today. Out at her home in Homestead, L. I., there is a barn inside of which there is space and warmth, and incidentally a circus ring—just like a circus ring as one is wont to see in Madison Square Garden. The Homestead "ring barn" as Mrs. De Mott has it, is owned by the De Mott. It is there she winters her private stock, and it is there she keeps in constant practice for the summer seasons with the show. Out at the ring barn in Homestead, while the snow was piling around the corners and under the eaves, Josie De Mott is proudest and some-saulting her horse on the inside, rendering herself more and more perfect in her art.

Marigle Hall's Symphony Concerts. New York, March 21.—Carnegie Hall's last two concerts will be given tonight and on the 23rd. On this evening's program is the three part symphony poem by Claude Debussy, entitled "The Sea."
