The Greatest Virtue

To be what he pretends to be said to be the greatest virtue that man can possess, and for this reason to put out a product that is just what it claims to be should stamp that article the best. For this reason

Eppley's Perfection Baking Powder

Is the best article of the kind on the market. Housekeepers should use it because it is the best, and because it is a home product.

SHORT TALKS BY L. T. COOPER. RHEUMATISM

Old Mr. Rheumatism hangs on tight and bites and pinches when he takes hold.

LAWRENCE TUSCANY.

I know better. It's that over worked and over crowded stomach giving the kidneys part of its work and the kidneys can't do it. I found this out with Cooper's New Discovery. It puts the stomach in shape, that's all it does, and yet I have seen thousands of people get rid of rheumatism by taking it. That is why I am positive that rheumatism is caused by stomach trouble. Here is a sample of letters I get every day on the subject.

"For a long time I have been a victim of sciatica and inflammatory rheumatism, and my suffering has been too great to describe. For weeks I lay helpless with every joint in my body so tender and sore that I could not bear to move. The slightest touch would cause me the greatest agony. Several doctors treated me but they failed entirely. I tried many remedies but nothing seemed to reach my case, so I continued to lay helpless. My kidneys and stomach were affected also. I could eat but little, digest less and gradually my strength left. I lost flesh rapidly."

"I began the use of the famous Cooper medicines of which I heard so much. To my surprise and delight I improved immediately, and after using several bottles I felt like another person. My strength and appetite returned. The pain and soreness left me and now I feel better than I have for months." Lawrence Tuscany, 1122 Aldrich Ave., North, Minneapolis, Minn.

We sell Mr. Cooper's celebrated preparations.

J. C. PERRY STABBED FIVE OLD COMRADES

Dayton, Ohio, April 5.—Imagining his comrades had planned to kill him, William Huffman, a weak-minded veteran of the Civil War stabbed five old soldiers at the National Home this morning, as they slept in their cots. David Calle and James Connors are in a critical condition. The other three will recover.

"Pneumonia's Deadly Work Had so seriously affected my right lung," writes Mrs. Fannie Connor, of Rural Route 1, Georgetown, Tenn., "that I coughed continuously night and day and the neighbors' prediction—consumption—seemed inevitable, until my husband brought home a bottle of Dr. King's New Discovery, which in my case proved to be the only real cough cure and restorer of weak, sore lungs." When all other remedies utterly fail, you may still win in the battle against lung and throat troubles with New Discovery, the real cure. Guaranteed by J. C. Perry, druggist. 50c and \$1.00. Trial bottle free.

Mayor Johns, of Baker City, earnestly urges the pavement of Front street with asphalt at a cost of not to exceed \$12 per front foot, or not to exceed \$300 for a 25-foot lot.

A Woman Tells How to Relieve Rheumatic Pains.

I have been a very great sufferer from the dreadful disease, rheumatism, for a number of years. I have tried many medicines but never got much relief from any of them until two years ago, when I bought a bottle of Chamberlain's Pain Balm. I found relief before I had used all of one bottle, but kept on applying it and soon felt like a different woman. Through my advice many of my friends have tried it and can tell you how wonderfully it has worked.—Mrs. Sarah A. Cole, 140 S. New St., Dover, Del. Chamberlain's Pain Balm is a liniment. The relief from pain which it affords is alone worth many times its cost. It makes rest and sleep possible. For sale at Dr. Stone's drug store.

Famine Conditions in China.
New York, April 5.—The famine condition in China continue the same. All the help obtainable is necessary, and the Red Cross urges still further generosity on the part of the American people. "The Christian Herald" sent \$50,000 to the Red Cross, and a ship loaded with flour and provisions has also been sent from San Francisco, of which the freight has been contributed by Harriman and others. The amount of contributions received are not large enough.

State News

The Woodburn Independent is boasting for paved streets and sewerage.

Woodburn Independent: Col. E. Hofer, of the Salem Capital Journal, was here Saturday looking after his interests in the Woodburn pressed brick factory, which is so ably managed by J. G. Martzoff. The results attained so far were highly pleasing to him. The large stock on hand has been sold to Silverton parties, and an arrangement has been closed for the burning of another kiln of 140,000 brick. This means that three-quarters of the sale price of these brick will be spent here for labor and teamsters. It can be readily seen that this factory will not only be profitable to the owners, but to a great extent to Woodburn as well. Hofer & Martzoff expect to burn half a million brick this year, or twice as much as last year.

The state of Oregon has bought 23 acres of land out near the asylum, paying \$10,000 for it. The same land, it is said, has been on the market right along for about half the price. An Albany lawyer remarks that all the Abe Ruefs are not in San Francisco. It looks as if there was something also rotten down at Salem.—Albany Democrat.

Doing Business Again.

"When my friends thought I was about to take leave of this world, on account of indigestion, nervousness and general debility," writes A. A. Christolm, Treadwell, N. Y., "and when it looked as if there was no hope left, I was persuaded to try Electric Bitters, and I rejoice to say that they are curing me. I am now doing business again as of old, and am still gaining daily." Best tonic medicine on earth. Guaranteed by J. C. Perry, druggist. 50c.

Congressman Accused of Land Fraud Makes Good Case.

Washington, April 5.—Continuing the testimony in his own behalf today Binger Hermann declared he had no interest in the Hyde, Benson, Schelder combination; that he had not seen Benson after a stormy interview in San Francisco, and did not recall ever having met Hyde. He said he was ignorant of the outside connections of Harland and Valk, who admitted dealing with Benson, declaring he had received charges of land frauds against Benson, directed by Special Agent Holsinger to investigate.

Cured Rheumatism.

Mr. Wm. Henry of Chattanooga, Tenn., had rheumatism in his left arm. "The strength seemed to have gone out of the muscles so that it was useless for work," he says. "I applied Chamberlain's Pain Balm and wrapped the arm in flannel at night, and to my relief I found that the pain gradually left me and the strength returned. In three weeks the rheumatism had disappeared and has not since returned." If troubled with rheumatism try a few applications of Pain Balm. You are certain to be pleased with the relief which it affords. For sale at Dr. Stone's drug store.
