Wearing clothes that having them all wool is mighty important; worth all it costs in shape-keeping, in service, in style, in looks.

But you'll find it still more important to your mental comfort to be sure of it. You may even now be wearing a cheap cotton adulteration, thinking it is all-wool; you'll know pretty soon, but it is really better to know before-hand.

You can. Hart, Schaffner & Marx clothes are ALL-WOOL; you may be sure of it before you buy, because they don't use anything else. When you see their label, you know you are getting the best.

That's why we're glad to sell them; this store is the right place for the best.

YOUR EYES

Delay is terrible dangerous when the eyes need attention. Every day that the eyes which need glasses are forced to work without them is making them just so much worse.

If headaches or any thing else lead you to think that you may need glasses we earnestly urge you not to wait any longer, but to come to our office at once and find out.

We will make a thorough examination of your eyes and tell you whether you need glasses or the care of a physician.

BASKETBALL LEAGUE MEETS.

Shanks, of Willamette, Chosen President—C. F. Easter, of Y. M. C. A. Secretary.

The State Amateur Basketball League met in the Y. M. C. A. building in Portland last Saturday and transacted business with the view to continuing the league for another year.

Among other important business done was the adoption of a system whereby the teams will have a lighter schedule. A plan which will be inaugurated at a future meeting is that the team of the league will be played in sections, and the champions of each section will play the best teams of the other sections.

The championship cup was presented to the Dallas team for the season just closed. A report was that the Willamette representatives endeavored to omit the Salem Y. M. C. A. team from the league for the next season. In speaking to a Journal report this morning, Mr. Simpson, who is captain of Willamette's team said: "There was nothing brought up in the meeting, either by myself or others, to oppose the Y. M. C. A. from having membership in the league, and I do not understand how this report was started."

The officers for the ensuing year were chosen as follows: President, Murray Shanks, of Willamette University; secretary C. F. Easter, of the Salem Y. M. C. A.; treasurer, Bert Allen, of M. A. A. C. The Y. M. C. A. rule book will contain the record of the teams of the State Basketball League, the scores made and the pictures of the players.

The All-Star team was chosen as follows: Forwards, Craven, of Dallas college, and Russell, of the Portland Y. M. C. A.; center, Shaw, of Dallas college; guards, Morton, of Dallas college, and Barton, of Monmouth.

Wants Date With Salem. G. A. Eastman, manager of the Multnomah Athletic Club baseball team, of Portland, has written for a date with the Salem high school baseball team. Manager Chester Moore received the letter this morning, and is going to try and arrange for the game on the 27th of this month, to be played in Portland.

The Acme band of Marshfield is to have new uniforms.

Eugene to Have Band.

The Oregon State Band, while the title sounds pretty big, is none too large for the organization it represents, for the Oregon State Band of Eugene will within the next few months, be the best band in the state, says the Register, and will wear its title with becoming dignity.

Prof. L. C. Read, one of the best composers and band directors in the West, has arrived and is ready to take charge of the organization, giving the first rehearsal Tuesday night.

Woodmen Elect Officers.

At the meeting of the Woodmen of the World local lodge Saturday night Salem Camp, No. 118, selected delegates to the district convention, which is to be held in Portland May 8, as follows: A. L. Frazer, P. L. Frazier, A. L. Harvey, J. W. Longcor, C. A. Williams, Dr. Altman, F. R. Capper, J. A. Dickey, J. L. Chapman and William Delaney. At the district convention delegates will be chosen to the head camp, which will meet in July at Seattle.
